

ALUMNI ASSN. REVITALIZED

After several attempts within the last two years, the Alumni Association was revitalized over the summer months.

The initiative for the move to reorganize the Association was taken by the Board of Regents of the school, with Ron Carissimi '51 as chairman of an ad hoc committee.

In monthly meetings through the summer, a Board of Directors was selected and a slate of officers chosen, goals of the Association were defined, by-laws were approved and plans were made for Fall activities. (See Stan Gilliam's article on the Board on the back page.)

Goals of the Association were defined as: 1) Social—bringing alumni together for various activities and occasions; 2) Awareness of what is happening at Christian Brothers High School and means of being of service to help achieve the goals of the school; 3) Communication between students and alumni for service to the students.

In the August meeting, by-laws, prepared by Kevin McGovern, were modified and approved. Provision was made

for three standing committees: Publicity and Public Relations, Communication and Projects.

Two projects have been planned for the Fall: The Annual Alumni Dinner on November 16 and the Annual Alumni-Varsity basket ball game, November 21.

Bridge to the 21st Century progresses Into 1980

The Fund Drive that was initiated by the Board of Regents in 1978 is progressing well with 57% of the pledges redeemed by the end of the fiscal year, June 30, 1979.

As of June 30, pledges amounted to \$203,155, of which \$114,839 have been redeemed. Many pledges were made on a three year payment plan.

In a forthcoming issue of the CONNECTION, a complete list of all donors who have redeemed their pledges or who have consistently kept up their pledged payments will be published, except for those who have given anonymously. This page will subsequently be made into a plaque to be on display in the school.

Parents, alumni and friends who still may wish to participate in this effort to realize an endowment for the school so that tuition increases may be kept at a minimum and needy families may have financial assistance towards the tuition fee, may contact the Development Office, 4315 Sacramento Blvd., Sacramento 95820 (916) 452-0482.

Continuing from the last issue of the **CONNECTION**, we have discovered what happened to the following winners of the General Excellence Award:

1948 Thomas J. Slakey. He received his B.A. from St. Mary's College, M.A. from Laval University and PhD from Cornell University. He taught the humanities at St. John's College both at Annapolis, MD, and Santa Fe, New Mexico before becoming Academic Vice-President at St. Mary's College, California in 1970. He is married and has three children. Gene writes that his work involves "simulation" and "modeling" in behavior of a system that helps him "predict the operation of the system under various circumstances." He says he learned that "things" are simple to analyze but "people" are "difficult and more interesting and much less predictable." He still has the medal he earned in 1949.

1950 Robert E. Pechacek. We did not hear from Bob, but we know he is now Dr. Pechacek, living in Silver Springs, Maryland.

1951 James W. Winchell earned his B.A. at St. Mary's College, Moraga

He married Joanne (Johnson) and they have eight children ranging from 19 years of age to 4. He writes from Ridgecrest, CA, "Life has been very good to this family. We are in the process of moving to California after 22 years in Alabama and Florida. May God continue to bless the work of the Brothers in Sacramento."

1954 Richard M. Kirk continued his education at California Institute of Technology (B.S.) and at Harvard Business School. (M.B.A.) and is now a management consultant as a partner in Rex Land and Associates. He lives in Los Altos Hills, CA with Jean, his wife, and one daughter Christina, 8 years old.

Alumni/Development Office Moves into Ambrose Hall

With the opening of school on September 4, the Student Council reclaimed its office in the administration complex while the Alumni/Development Office found new and more convenient space in Ambrose Hall, named after Brother Ambrose, a veteran of 40 years at CBS, who died in 1974 at Mount La Salle, Napa.

Ambrose Hall replaces the house that was originally on the property before the construction of what was once Bishop Armstrong High School and served as classrooms for the Art Department. A fire in 1975 destroyed the house. Insurance money replaced the structure which now has two rooms, a kitchen and bathroom. The office will occupy the smaller of the two rooms and the larger room can accommodate meetings of various adult groups.

Access by auto to Ambrose Hall, which is on the north-east section of the campus next to the baseball diamond, is the road around the back of the gym. The office phone number is 452-0482.

Alumni select their Board of Directors

by STAN GILLIAM '41

Everything should be done by the book — the lawbook, that is — with barristers James H. Schenk '60 and John A. Britton '65 taking the presidency and vice-presidency respectively of the newly reactivated Christian Brothers Alumni Association at its organizational meeting May 16.

They even have a "senior partner" in Richard Desmond '41, while Desmond's classmate, Tom Kenny, lends his "one of the 10 most influential men in Sacramento" touch to the group and makes sure no one pickets the meetings.

Secretary George Radovich '49, the veteran schoolman, will make sure the minutes are grammatical, and treasurer James D. Lanzi '76 can be counted on to balance the books rather than juggle them.

Events never should be dry with the city Water Department's Walter E. Short '52 on tap at all times, and no one need go hungry with restaurateur Peter Mikacich '52 on hand.

With the likes of A. Teichert & Sons James H. Westlake '51 in the group, you have the foundation for a strong organization, and everyone knows mortician Patrick Gromley '74 won't let anyone down if he can help it.

There are no chiropractors, but Oliver J. Carroll, Jr. '37 can take care of the adjustments if they're of an insurance nature, and retired coach and dean of the Board Jim Flynn '30 and longtime CBS mentor Ron Limeberger '53 can be counted to keep everyone on his toes — but no calisthenics, please.

Others on the initial board include Ronald A. Fernandes '56 and Kevin McGovern '74.

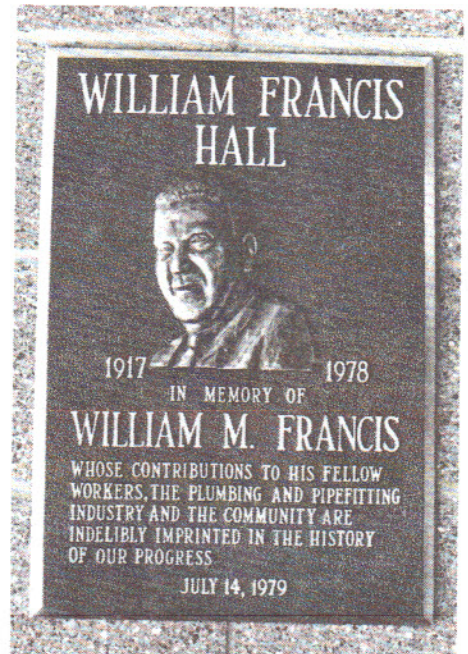

Peter T. Hanratty '32, a member of the Board, passed away on September 5, 1979. May he rest in peace.

William M. Francis '37 Memorialized by Friends

The Union Hall from which he promoted the cause of his fellow laborers and the high school from which he graduated were both recipients of memorials in honor of William M. Francis '37.

Bill, who was one of the victims of the PSA crash in San Diego, September, 1978, was the International Representative of Plumbers Union. On July 14, 1979, the Plumbers and Pipefitters Local Union No. 447 dedicated their hall at 5841 Newman Court, Sacramento, to his memory.

On August 26, 1979, the Local Union No. 447 presented a check for \$10,000 to Christian Brothers High School for a perpetually endowed scholarship in his memory. The scholarship will be known as the William M. Francis Pipe Trades Scholarship. Contributions were made not only by many of Bill's friends locally, but also by members of the Pipe Trades Unions and industry throughout the country.
