

Betty Downey Leads Board of Regents in 1980

Mrs. John F. (Betty) Downey has been elected president of the Board of Regents of Christian Brothers High School for 1980.

Betty is the mother of two graduates, David '67, Richard '76, of two former students, Michael 'x65, John 'x73, and two present students, Thomas '80 and Dennis '83. The Downeys also have four daughters.

Mrs. Downey succeeds Judge Leighton Hatch, who has been responsible for giving momentum to the Development drive, for reorganizing the Alumni Association and providing more exposure to the programs of the school and of the adult support groups among the Sacramento community.

The new president's plans for 1980

include an escalated program in Development, more extensive use of memorials, search for Trust funds and keeping the Alumni a viable organization.

Betty will be assisted by Dwight (Dinty) Moore, vice-president; Alan Cordano, secretary; Peter Perich, treasurer.

Other members of the board who will remain active in 1980 are: Ken Belke, John Ceccarelli, Ron Carissimi, George Cook, Sr., Dr. Joseph Farrington, Stan Gilliam, Mrs. Arthur Haarmeyer, Leighton Hatch, Edward Lammerding, Jim Mulhern, Mrs. Issac Parsons, Jim Mikacich, Gloria Schaaf, Jack Stassi, Dan Sullivan, Harry Tonkin, Sal Vasquez and Ralph Vitiello.

Alumni Dinner Aids Smolich Scholarship

Four hundred and ten dinners were served on November 16, the 10th Annual Alumni Dinner.

Bill Blanas '39 headed the committee that planned for the annual reunion of former students of CBS.

Frank Margetich '41 arranged the program that included Stan Gilliam, '41 as Master of Ceremonies, Msgr. Russell Terra '53, invocation, Brother

Jerome, welcome, Jim Schenk '60, alumni activities, and Ray Clemons, former CBS teacher and coach, who gave a touching tribute to the late Marco Smolich '39.

Special guest for the dinner was Marco Smolich, Jr.

The Classes of 1930 and 1955 were honored as the golden and silver anniversary classes for 1980.

Twelve alumni were noted by Brother Bertram, alumni moderator, as former students who did not officially graduate with their classes but who have continually identified themselves as "Brothers' Boys" in various ways. These men were awarded honorary diplomas.

Proceeds from the evenings event will go to the Marco Smolich Memorial Scholarship Fund and a contribution to the CBS Marching Band, which provided music for the occasion and assisted in the clean-up operations.

Committee members included: Ray Cordano '39, Frank Cotta '38, Pete Mikacich '52, Jim Westlake '51, Jack Clara '50, Jim Burich '43, Jim Flynn '30, Dick Carlson '47, Pat Gormley '74, Kevin McGovern '76, Ray Bermudez '41, Jim Keating '55, Bob Granucci '55, Ron Limeberger '53, and Brother Bertram.

Six Full Scholarships Awarded for 1979-80

With interest from invested funds of four fully endowed perpetual scholarships, three partially endowed perpetual scholarships and nine memorial scholarships, the Board of Regents were able to offer six full four-year scholarships. Three students earned merit scholarships on the basis of high scores in the Placement Test and evidence of academic potential, one, a full tuition grant, the other two for half-tuition grants. Three other students were offered full tuition assistance.

The scholarships are noted on page 2 with the Honor Roll of Donors. Memorial scholarships were made possible from contributions made in memory of Helen Babich, Angelina Burich, Sean Allen '79, Dr. William Ryan '42, William Francis '37, Marco Smolich '39, William Gibson '40, Gerald K. Leake '78, and Charles Kleinfall.

Ninety-six other students are receiving financial assistance towards tuition expense from subsidies of the Christian Brothers Province, the Diocese of Sacramento and the Board of Regents through their Development program.

Alumni News

by Jack
Stassi '40

From the land of sunshine, beautiful women, and handsome men (Italy of course), I have received a note from Chief Master Sgt. **John Hamilton '56**, who is at present stationed at San Vito Dei Nommami. John has been hitting the books while in the service and has received his MS in Management at Troy State University, Alabama. John's ties with CBS go way back as his father **Clarence** was in the Class of '26 and brother, Gayle "**Chuck**" of '52. And speaking of Italy, I got a letter from **Richard "Ric" Cascio '64** and he informs me that while he was a student at U.C. Berkeley, he attended the University of Padova, Italy. It was there that he discovered that he had a great tenor voice and studied under one of the great voice teachers in the world. Ric made his operatic debut at the Teatro Verdi in Padova two years ago.

The Scully boys are all just great, including dad, **Tom**, a non-CBSer, but a St. Mary's College graduate. **Steve '66** is a Sacto Deputy District Attorney and is showing a lot of class; he just moved up the street from yours truly and, even though he is Irish, we have welcomed him into the neighborhood. Brother **Mike '73** just started to work for NPS, and brother **Patrick** is a senior at CBS.

John "Tom" Boyer '66 is with the athletic department at Kennedy High School and is keeping trim working out at the local Elks Club.

David Caraska '70 is working for Saga Corporation as Director of Operations, Washington State Ferry Systems.

Richard Chapek '70 is President of Chapek Corporation and is Treasurer for H. W. Robertson Inc. And talk of a guy running the town, **Robert Fuel '59** is Mayor, Postmaster, member of the school board at Honey Dew, California. I wonder what he does in his spare time.

James B. Knezovich '74, another busy fellow, is attending McGeorge Law School, and also is managing the computer operations for California Casualty Ins. Co.

Another McGeorge Law student is **David C. Nelson, '75**, having graduated from University of Pacific last May.

John Pintar '55 is a Senior Systems Analyst for Tektronix Co. in Riverton, Oregon. **Bill Wexted '52** is a metrology supervisor with Sylvania. **Don Westover '41** is with the good hands people, All State Ins. Co. in Napa.

Charles Dimas '50 retired from the Navy and is now employed in San Joaquin County. **Tony Zanze '48** is an executive with the Bank of America in San Francisco and is also on the Board of Regents at USF.

Eason Ramson '74 was drafted by the Green Bay Packers and is now the starter for the St. Louis Cardinals. One hundred of his friends trekked to San Francisco to see him play against the 49ers.

Richard Desmond '41 is still on cloud 10; he's been seen walking with a ten million dollar check, one of his better judgments. Brother **Lou '45** was touring Europe with emphasis on Ireland.

Frank Cotta '39 is one of Sacramento's finest (retired) and now a real estate mogul. **Ron Rivera '67** is running one of Sacramento's finest restaurants, the Pheasant Club.

Al "Tom" Scott '33 is quite proud of his son **Mark '66**, who is a monk at Abbey De Veuny, Vina, California.

James R. "Rich" Moore '50 is the interstate manager for the State Development Dept. **Rich Gardella '70** is a police officer with the city of Sacramento. **Alphio Caniglia '67** is an outdoor recreation planner with the Bureau of Land Management at Folsom.

William Sweet '32 recently retired

as a recreational therapist with the Veteran's Administration, although he labels himself as an easy candidate for the class member most likely not to succeed; however, he was the captain of the baseball team, captain of the debating team, and went on to receive two college degrees, one in physical education and the other in sociology. How do you like those apples?

Jerry Scharosch '59 has been ten years with Kiernan Realtors and is now V.P. of the company.

Brother Joseph Neary, our old development director, sent a note and asked to be remembered to his friends in the area. He is now located at St. Raphael's Academy, Pawtucket, Rhode Island.
