

Brothers Plan Tricentennial Celebrations

The Year 1980 marks 300 years of Catholic education by the followers of St. John Baptist de la Salle, founder of the Brothers of the Christian Schools.

The Brothers of the West Coast Province will commemorate the tricentennial with a two-day Convocation at St. Mary's College on December 29 and 30. Speakers will recall the charism of St. La Salle and its application to the Brothers' apostolate in today's society.

In March, 1981, Brother Pablo Basterrechea, Superior General, will come from Rome for a provincial celebration at St. Mary's Cathedral, San Francisco.

The Alumni Association of St. Mary's College is honoring the Brothers with a civic banquet in San Francisco on October 24, 1980.

THE CBHS ALUMNI ASSOCIATION WILL DEDICATE ITS ANNUAL ALUMNI DINNER, NOVEMBER 21, TO THE TRICENTENNIAL OF THE BROTHERS WITH BROTHER NORMAN COOK '47, PROVINCIAL, AS GUEST SPEAKER.

Development Program Continues With Annual Giving Appeal

In this issue of the CONNECTION is a financial report on the initial phase of the Development Program inaugurated by the Board of Regents in May, 1978.

The first appeal had a goal of \$300,000 to aid the school for 1977-78, 1978-79 and 1979-80.

With the payment of current pledges, this goal will have been reached. However, with continuing inflation, the gap between the tuition fee and the cost-per-student is a constant need that must be bridged.

Tuition realizes 55% of the school's revenue; subsidies from the San Francisco Province of the Christian Brothers and diocese of Sacramento account for approximately 25%; support groups as the La Salle Club, Parents' Service Organization and Band Boosters, along with auxiliary services such as the bookstore, cafeteria, etc. bring in about 10% of the needed revenue. The remaining gap of 15% is the goal of the Development Program.

Appeals are being made for an annual giving plan for scholarships, grants-in-aid and contributions towards the operating deficit to offset further increases in tuition.

Donors are being sought among the alumni, parents of students, friends and business firms interested in helping the Christian Brothers to continue their services to the youth of Sacramento in a Catholic high school.

School Begins It's 105th Year In Sacramento

Christian Brothers High School opened on September 3 with a full enrollment of 700 students.

Brother Jerome Gallegos, FSC, Principal, announced that Steve Lege will be Director of Student Activities.

New faculty members include Brothers Michael Murphy, Daniel Morgan and Timothy Childs, Messrs. Pat McAuliffe '70, Steve Perich '72, Jeff Tisdell '74 and Timothy Loree.

Mrs. Janis Hoffart will join the office staff as receptionist and registrar.

Faculty and Senior Class are preparing Orientation Night for freshmen and their parents on September 9.

Alumni Elect New Officers And Directors

Walter Short

The Board of Directors elected Walter Short '52 as the 1980-81 President of the Alumni Association, with Kevin McGovern '74 as Vice-President and Julius Resendez '60, Treasurer. George Radovich '49 will continue on as Secretary.

New Directors are: Clarence Johnson '27, Jerry Kirrene '53, Robert Neves '56 and Resendez. They will serve with Jim Flynn '30, Oliver Carroll, Jr. '37, Jim Westlake '51, Ron Limeberger '53, Jim Schenk '60, John Britton '65, Patrick Gormley '74 and Jim Lanzi '76.

Patricia McKenna had been liason with the Board for the women graduates of Bishop Armstrong High School. Her report to the Board in June indicated that the women she contacted were divided as to their preference — some opting for full membership with the men graduates of BA days, others urging membership in the Franciscan or Mercy Guilds, and a third group electing to form a separate group of their own.

Without attempting to resolve the differences, the Board voted to allow membership to those women who preferred to join the CB Alumni Association. Betty Ann Watters '57 was elected to the Board of Directors.

Plans include the ANNUAL ALUMNI DINNER, November 21, Alumni-Varsity Basketball Game, November 28, Career Day, February 10, Alumni Family Picnic, June 28.

ALUMNI NEWS

Stassi '40

Now that the Baseball Pennant races are starting to get hot and heavy, I would like to tell you about some Christian Brothers' Boys from around the country who have made it in a big way in Baseball: PETER O'MALLEY, owner of the L.A. Dodgers; TOM LA SORDA, manager of the Dodgers; WILLIAM FARLEY, part owner of the Chicago White Sox; LOU GORMAN, General Manager of the Seattle Mariners; and, of course, our own JOHN McNAMARA, manager of the Cincinnati Reds.

And how about our own HARRY TONKIN, member of the Regents, who came within an eyelash of owning the San Francisco 49ers. Harry is blessed with a great sense of humor and certainly likes to give me a rib about my journalistic endeavors, but I do believe he's a bit jealous.

While mentioning our Regents, I would certainly like to congratulate BETTY DOWNEY on a great year as President of the Board.

Now let's see what some of the boys are doing around the country . . . STEVE PER-SIC, JR. '59, after graduating from Sac State '65, went on to work for his dad at Perkins Lumber and Supply. Steve did such a good job that he has now bought out his father; wife, Eve, claims he got his good business training at CB . . . LEW PEB-BLES '52, an Educational Administration Consultant at the State Dept. of Education; his son, BRAD, a soph at CB . . . ROBERT ASHTON '41, retired USN, now teaching in the Fremont School District, San Jose . . . JIM BOOCK '39, recently retired from Sacto. Co. Welfare Dept. and has the distinction of being the only male volunteer for Mercy Hospital Guild . . . JACK CLARA '50 still has the pretty black curly hair and is mgr. of Parrott and Co., Wine Distributors; son, KEVIN, at CB.

JERRY FLYNN '65, a deputy Probation Officer, claims there are a lot of Brothers' Boys working with him (I sure hope they are on the right side.) . . . KEN HARRIS '54, a Recreation Administrator for Sacto. City, has two boys, KEN and PAT, in the school . . . JOHN MUNIZICH '61, a special education teacher in the San Juan District, married to the former ANN SILVEY, BA '62 . . . NEIL MCGILLIVRAY '40, my old classmate, teaching at River City H.S., West Sacto . . . ROBERT MEYERS '38, retired Aeronautical Engineer at McClellan AFB . . . TOM PARODI '30, recently returned from a great trip to Australia; Tom's son, GREGORY PARODI '65, a loaning officer at Transamerica Mortgage Co. (may-

be that's where Tom gets all the loot for his trips).

FRED TUCKER '49, Captain of Firebird '90, Sacto. City Fire Dept., stationed across from CSUS . . . MANNIE VIERRA '41 has worked for Pacific Motor Trucking for 37 years but you would never know it with those nice blonde curls of his . . . Here's a retired guy on the move: PETER RUZIR '35, active member — Holy Spirit Parish, Legion of Mary, Southside Improvement Club, Sirs and life member of the Musician's Union — keep up the good work, Pete . . . KEITH SCHIELE '55, Lt. in Sacto. City Police Dept., has had the following sons at CB: JOEFFREY '76, ANTHONY '77, MARK '79 and DANIEL '80 (hey Keith, what happened in '78?).

JAY VITTORI '74 graduated from USC in '80 and now a 2nd Lt. stationed at McCord AFB . . . The Nevis family are among the three-generation CB'ers: JOE NEVIS '30, sons, BOB '55 and JERRY '56, grandson, LANCE '82 . . . DAN SHANAHAN '65, presently in Zadar, Yugoslavia on a Fullbright Scholarship, has taught at both Stanford and Monterey Institute of International Studies . . . Suave, Dapper and Debonair AL ANACICH '49, manager of the Typewriter Division of IBM . . . JERRY COOKE '56, one of Sacramento's leading handball and raquetball players, now teaching Social Studies at Foothill High . . . JACK KIPP '36, "THE" man in Folsom, ex-mayor, Hardware Entrepreneur, but he says he is slowing up a little and only working a few days a week . . . BOB BARBEAU '43, home from the hospital and feeling quite chipper after his hip operation . . . DOUG CARSON '65, Sales Rep. for Rainbow Liquor Co. is not letting any grass grow under his feet, as he now has his wife selling real estate . . . VIC CIMA '61, is doing a terrific job as Handball Commissioner; he has recently put on some really fine tournaments . . . ANTHONY SCALORA, SR., the "Legal Eagle", is very proud of son, ANTHONY JR. '61, now an executive with IBM in San Jose and he never forgets to let you know that Anthony, Jr. played on the first and only CB Golf Championship team.
