HOLIDAY APPEAL

Each year an appeal has been made to the readers of the CONNECTION for a Christmas gift to help defray the expenses of publishing the quarterly newsletter and of maintaining a full-time office operation of the Director of Development/Alumni.

Publishing, mailings, telephone, office supplies and salaries will approach \$20,000 this year.

With this mailing of the CONNECTION is a reply envelope for your greeting to us. Many thanks and blessings.

Class Reunions

Several classes whose graduation years end in 1 or 6 are planning reunions of classmates in 1981.

The silver jubilarians Class of '56, have a working committee planning for May 23. Other classes with active committees are '61 and '41. Members of the classes of '46 and '66 have expressed interest but no committees have been formed as yet.

For further information on class reunions, contact the Alumni Office, 452-482.

Annual Giving Appeal Aids Development Program 80-81

Alumni, parents, friends and business firms have been contacted to help bridge the gap between affordable tuition fees and cost-per-student at Christian Brothers High School.

Building this bridge is the goal of the Development Program established by the Board of Regents. There is a need to raise \$115,000 to complete the bridge for 1980-81, (the list of donors is on page 2).

Parents Service Organization Initiate CBS 200

In an effort to assist the school administration in keeping a ceiling on the tuition fee, the Parents' Service Organization has decided to sponsor a specialized raffle and social affair in the Spring.

A brand new Cadillac will be the prize offered to 200 club members who will pay \$200 dues. At a very elegant cocktail party, each member will receive an ignition key. The person whose key starts the motor takes the Cadillac home.

With the proceeds from the CBS 200 and the Regents' Development Program contribution, the reduction in the deficit will assist in keeping the tuition at a level most families can afford.

Alumni Dinner Honors 300th Birthday Of The Brothers

The 11th Annual Alumni Dinner, held on November 21, paid tribute to the founding of the Christian Brothers by St. John Baptist de la Salle in 1680 and their 300 years of service in Catholic education.

Brother Norman Cook, Provincial, a graduate of CBS, Class of 1947, was the main speaker and was introduced by the M.C., Ray Clemons, former football coach and athletic director at 21st and Broadway.

The Classes of 1931 and 1956 were acknowledged as the golden and silver jubilee classes for 1981.

Brother Jerome Gallegos, principal, presented honorary diplomas to several former students who never finished their high school at CBS but who have subsequently identified themselves as "Brothers' Boys" in various ways.

Walter Short, Alumni president, awarded honorary alumni membership to several men who have given service to the school over many years, particularly through the La Salle Club activities.

The Class of 1956 provided the majority of the members of the Dinner Committee under the chairmanship of Bob Neves.

SEASON'S GREETINGS

Brother Jerome Gallegos, principal; Dinty Moore, president of the Board of Regents; Bob Granucci, president of the Parents' Service Organization; Pat Seitz, president of the La Salle Club; Walter Short, president of the Alumni Association; and Fred Love, president of the Band Boosters Club extend to all the members of the Christian Brothers High School family joyous greetings for the Christmas season and every blessing of good health, happiness and peace for the coming year.
