# Welcome Home, Falcons

*From Athletic Director Jill Bennett*

Last January, a radical question was asked: Why do we play all our home games away?

It was something not considered since I came to Christian Brothers High School in 1990. This school, which has such a proud tradition of athletics and especially football, had never hosted a JV or Varsity home game since moving to our historic Oak Park campus in the 1950's.

But once the question was asked, the excitement began to build.

I'm not sure this project would have been a reality if it weren't for the tireless efforts of Vance Mueller, Andre Johansen, Rich Henning, Steve Barsanti, Joe Guilherme and especially this summer, our President Lorcan Barnes. These individuals worked with vendors and generous donors such as Frank Vellutini and Royal Electric for our scoreboard and the Bird families for our new goal posts.

These individuals all have a common goal: Creating energy in our community and a sense of pride in Christian Brothers Football. Our young men under Coach Johansen and his staff have worked tirelessly preparing for this fall. As Coach Johansen said, "These kids are awesome; I am honored to work with them."

We can't wait to have our teams come out of our locker rooms onto the field, our band playing the star spangled banner, our cheerleaders performing new routines and our Falcon Force cheering section all coming together creating magic on our home field.

Thank you for sharing this exciting time with us. GO FALCONS!

The Long Road to Home Games

Christian Brothers is proud to finally welcome home our students, family, alumni and friends to our improved football field.

The Falcons will now play all their home games where they belong—at home.

However, this feat was hard won by our staff and donors. The Bird Brothers (Ron '76, Todd '78 and Troy '82), well-known members of our Christian Brothers alumni, donated the new goal posts positioned at either end of the field. Frank Velluntini '71, along with his company, Royal Electric, and his electrical contractors association, donated and installed the new scoreboard.

## Welcome New Football Coach Andre Johansen

Last summer, Christian Brothers learned that Coach Vance Mueller chose to step down from the head football coach position. Hired in January, Mueller generated a renewed interest among our players and increased Falcon pride among our student body. Now working for the Oakland Raider organization, Mueller was sure to leave the Falcons in good hands before departing.

*Andre Johansen*

Meet Coach Andre Johansen, Christian Brothers' new head football coach. Mueller and Johansen worked closely together in redesigning the football program. Their similar philosophy and passion concerning our student athletes and the football program created a renewed energy from the beginning. Knowing Mueller was preparing to leave campus, Johansen enthusiastically responded with his desire to lead the program.

Johansen previously was defensive coordinator at Washington High School in Fremont and Sunset High School in Hayward. Christian Brothers is very fortunate that a person of his caliber and character will lead our student athletes.
