## A MESSAGE FROM THE PRINCIPAL

Dear Marist Foundation Auction Supporters:

Each and every day God comes looking for us and each and every day we go looking for God. These words sum up Catholic education and the process by which we educate and prepare our students. God has given Marist High School many blessings, which we do not take for granted. Our professional and spiritual stewardship with these blessings is our gift back to God through our work with our dedicated students.

You are making a very important contribution as a partner in our exciting journey. Marist has become a leader in the educating and graduating exceptional students prepared to meet and exceed requirements of the very best colleges. This year Marist received the highest rating as a school who prepares students to both begin and finish their college education with exceptional results. This success comes from a highly trained and dedicated staff, motivated students, and an active parent community. A Marist education creates powerful learning opportunities on an individual basis challenging the true potential of each young mind.

Thank you for the help and support you have been to Marist. Our goal is to constantly improve the way we educate our students! Our pledge is that we will be good stewards of the gifts that you humbly give tonight. Together we can accomplish great things for Marist!

Faithfully,  
Perry Martin  
Principal

MGM-MARDI GRAS MARIST

## *ON BEHALF OF THE AUCTION CHAIRS:*

When Julie and I were asked to chair this year's auction, our response was an easy decision, helping others by giving time and talent is a simple and rewarding experience. Tonight's auction is truly all about supporting the students of Marist High School. Those students, thru leadership of the administration and staff, learn to understand and appreciate the opportunity given to them in their pursuit of a valued Catholic Education in Body, Mind and Spirit. A place where students are challenged, directed and loved, an experience that lasts a lifetime, builds deep rooted friendships that go far beyond their four college preparatory years at Marist.

There are so many people to thank for making this year's auction the success it will be. Thank you to all of you reading this letter, because you are here to financially support the needs and interest of the Marist Students and Staff. All of the dedicated volunteers who have given countless hours behind the scenes leading to tonight's event, obtaining donations and support from generous businesses and individuals that share in our values and mission, and to the professional and devoted staff of our Marist Foundation and Board of Directors.

As parents, alumni and friends, we have empathy and compassion for Marist Families that encounter unforeseen circumstances which may financially prevent their child from achieving a life enriched by our blessed environment and education. Funds from this event are dispersed to student recipients of Marist Foundation Scholarships, the Marist High School Tuition Assistance Fund, and Need Specific Projects Funding. Tonight's auction is a testimony to your spirit and generosity that benefits every individual at Marist High School, affirming you are proud to be part of the Marist Family, for WE ARE ONE.

Terry and Julie Haskin

## **AUCTION RULES & ACTIVITIES**

### **\*\*\*SILENT AUCTION\*\*\***

The Silent Auction opens at 4:45 p.m. and the final tables will close at approximately 9:30 p.m. (closings will be announced). If you wish to bid on an item, you must write your name and bid number on the bid sheet. You can bid on each item as often as you like.

At the close of each Silent Auction table, the person who placed the last bid on the bid sheet will be deemed the purchaser of the item. Please leave the items and all bid sheets on the table. All items will be distributed at the end of the evening.

### **\*\*\*GUARANTEED BID\*\*\***

All items at the Silent Auction have a "guarantee bid" price on the bid sheet. By writing your name and bid number in the guaranteed bid space, you agree to purchase the item for that price. This eliminates any further bidding on that item.

### **\*\*\*ORAL AUCTION\*\*\***

The Salad Auction will begin at approximately 7:15 p.m. with the Oral Auction to follow at approximately 8:00 p.m. All of the items that will be sold at the Oral Auction are listed in this catalog. Each person will be given a bid number at the registration table. The Auctioneer, Sid Voorhees, will accept live bids on the auction items and determine the winning bid. If you are the winner, your bid number and name will be recorded, entered into the computer and be ready for checkout at the end of the evening. Actual item and certificates will be available after payment has been made to the Cashier. All items expire within one year of the Auction unless specified.

**\*\*\*AUCTION RULES\*\*\***

A cashier will keep a record of the items you purchase throughout the evening. You may sign up for "Auction Pay" during the course of the evening. This will authorize us to process a charge for the evening's expenses to the credit card you designated & authorized when signing up. FULL PAYMENT must be made by the close of the evening on all purchases. We accept cash, check, VISA, MasterCard, Discover or American Express. Our taxpayer ID number is: 93-0572034

**\*\*\*LIABILITY\*\*\***

**ALL SALES ARE FINAL.** Reservations for trips and/or accommodations must be arranged mutually with the donor unless otherwise specified. All items are sold in "as is" condition. The Auction Committee neither warrants or represents, nor is responsible for, the correctness of description, genuineness, authorship, or condition of auction items. All items sold are to be undertaken at the sole risk of the purchaser. Marist High School, Marist Foundation, and the Auction Committee are not liable or responsible in any way for the loss, injury, or damage to any person or property.
