7:00 p.m.: Dinner with Oral Auction to Follow

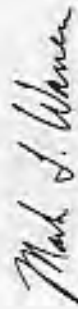

Welcome!

Dear Friends,

Welcome to our Annual Auction and Crab Feed. Tonight's event is the culmination of over one year's planning and hard work by a dedicated crew of volunteers. Naming and thanking people can be challenging because someone is invariably forgotten. Special thanks, however, must go to Judy Sarti and Helen Pierson who are this year's Auction and Crab Feed Chairpersons.

Building on last year's Auction, these people and numerous Auction & Crab Feed Committee members have worked very hard to provide a first class event with fantastic auction items. We are here to enjoy each other's company, to dine on the very best crab...and to raise money for the young people who attend Christian Brothers High School. Eat well, enjoy, and bid high!

God Bless,

General Auction Rules

1. All sales are final and there will be no exchanges or refunds.
2. Items may be removed that evening only by exhibiting a paid receipt at the door at the time of departure.
3. Value set forth opposite some items being auctioned are estimates only and are not warranted by Christian Brothers High School for tax purposes or for general sale.
4. All items must be paid for in full before the buyer's departure for the evening. Payment may be made only in cash, personal check payable to Christian Brothers High School, or Visa/Mastercard.
5. Unless otherwise specified, all auction items and services must be used within one year after November 6, 1999. Unless otherwise specified, dates and times are to be arranged between buyer and donor at their mutual convenience.
6. Christian Brothers High School has done its best to catalog and describe the property correctly, but all property is sold "as is" and Christian Brothers High School neither warrants nor represents, and shall in no event be responsible for the correctness of description, genuineness, authorship, or condition of the property. No statement contained in the catalog or made orally at the sale or elsewhere shall be deemed to be such a warranty, representation, or assumption of liability.
7. Activities sold at the auction are to be undertaken at the sole risk of the purchaser and Christian Brothers High School shall not be or become liable or responsible in any way for the loss, injury, or damage to or in respect of any person or property howsoever caused or arising.
8. All persons engaged in bidding for any item in the oral or silent auctions agree by so bidding to pay the amount of his/her bid for said item if determined to be the successful bidder.
9. Persons bidding for silent auction items further agree that if a subsequent bid is disqualified or otherwise stricken for any reason prior to the close of bidding, the last and highest bid on the bid sheet will be deemed the successful bidder.
10. The closing judge will make the final determination of the successful bidder of any silent auction item. The auctioneer will be the final judge of the successful bidder for any item sold in the oral auction.

Oral Auction Rules

1. The oral auction will begin at 8:30 p.m. It will consist of the voice auctioning of items in the order they appear in this catalog.
2. All bidding at the auction will require a bid number. Your personal bid number is located on the paddle. Since this number is required for all bidding and purchase of items, please remember your number and keep your catalog with you at the auction.
3. During the live auction, when you want to bid on an item, raise your paddle to attract the auctioneer's attention. The highest bidder acknowledged by the auctioneer shall be the purchaser. In the event of a dispute between bidders, the auctioneer shall have sole and final discretion to determine the successful bidder or to reoffer and resell the article in dispute. When the auctioneer calls "Sold," title to the article passes to the highest bidder who thereupon assumes full risk and responsibility for the article.

Silent Auction Rules

1. The silent auction will begin at 5:00 p.m. and the different tables will be closed at various times until approximately 7:00 p.m.
2. All items in the silent auction have bid sheets attached or affixed nearby. Persons desiring to bid must do so by writing their name, bid number and amount on the bid sheet.
3. Each increase in bid must equal or exceed the minimum raise stated in order to constitute a valid bid. Your signature and bid number constitutes a contract to buy.
4. Each new bid must be written on the next available blank line on the bid sheet. The closing bid circled by a Marshal constitutes the winning bid. In the event of a dispute, an Auction Official shall act as the final authority and shall determine the winning bidder. This decision will be final.
5. Winners of the silent auction will be posted during the evening. If you are the successful bidder, take your bid number up to the table where a cashier will take your payment and give you a receipt. Payment in full the night of the auction is mandatory. Payment may be made by cash, check, Visa or MasterCard. All items must be claimed by the conclusion of the evening.
6. Under no circumstances may the bid card be removed from the bidding table. If a bid card is removed, the item will be removed from the auction.
