Did you know?

All of tonight's proceeds help students who need tuition assistance. CBHS distributes \$1.2 Million in tuition assistance each year. Over 20% of our student body receives tuition assistance. Over 5% of our students live below the federal poverty level and receive full tuition support. Your support helps make this possible. The mission of Lasallian education stresses concern for the poor and an inclusive community.

On behalf of the students we serve, Thank you!
