The C.B. Difference

By Bobby Podesta '93

Make a difference.....

The C.B. Difference

Did C.B. make a difference in your life? What would life have been like had you not gone to Christian Brothers? For Bobby Podesta, class of '93, C.B. helped him get through school, and it made a difference. If you can, help make a difference in today's C.B. students. They are the professionals, leaders, and artists of tomorrow.

THANKS!
