12th Annual Alumni Dinner Honors Jubilee Classes

Alumni of Christian Brothers High School will gather on Friday, December 4 for their 12th Annual Alumni Dinner at the school cafeteria and gym.

The golden jubilee class of 1932 will share honors with the class of 1957 which will celebrate its silver anniversary of graduation in 1982.

Ray Clemons, former athletic director, coach and teacher, will be the master of ceremonies. Greetings of welcome will be given by Brother Richard Camara, FSC, principal, and George Radovich, president. Brother Bertram, alumni moderator, will present the men who will receive honorary memberships in the Association.

Pete Bollinger headed the committee from the class of 1957 who handled most of the arrangements for dinner.

Parents' Service Plan For "A Knight At The Races"

February 20 is the date for the second annual "A Knight At The Races", sponsored by the Parents' Service Organization.

President Stan Stancell asked Jim Keating and Dick Carlson to head the committee to plan for this fun evening that brings the alumni, parents, faculty and friends of the school together for a social event that will raise funds for projects by which the Parents' group assists the school.

The eight race entertainment portion of the evening features real people as jockeys riding toy horses. Coaches, teachers, administrators, parents, alumni and media personalities will vie for win, place and show honors.

Pari-mutuel and daily double wagering is provided with gift packs of wine, salami and cheese going to the lucky ticket holders.

The Turf Club (cafeteria) provides refreshments and dinner offerings and affords close television transmission from the track (gymnasium).

Tickets this year are \$3 each and include a \$1 horse bet and \$1 Daily Double ticket. To obtain tickets for you and your friends, phone 452-0482.

ALUMNI NEWS

by Jack Stassi '40

Now that the CB Varsity and Jr. Varsity football teams are #1 in the Metro League and a couple of Brothers' Boys are #1 in baseball (I'm talking about PETER O'MALLEY, owner of the L.A. Dodgers and TOMMY LASORDA, their manager), lets see what some of our #1 Alums across the country are doing.

DR. DONALD BUTZ '51 is a Colonel in the USAF, stationed at Bolling AFB, Virginia. Don is a dentist and deputy to the Ass't. Surgeon General . . . and talk about an athlete: DAVID FISHER '78 just missed out on the swimming record in qualifying for training in San Antonio for the '84 Olympics in the Modern Penthalon which consists of long distance running, 300 meter swimming, horse jumping and pistol shooting — it makes me tired even thinking about it.

Got a note from one of my favorite godsons, TOM FRANZOIA '71, located in Sparks, NV as dining room manager at Trader Vic's in John Ascuega's Nugget . . . JIM LAHEY '47, Executive Director of Interment Assoc. just recently returned from their national convention in Dallas, where he was the guest of J.R. Ewing . . . BERT SWANSTON '61, seen at the ringside in Las Vegas at the Leonard/Hearns fight.

BILL GORMLEY '40 and TOM KOEWLER '40, sneaking off to Santa Cruz to repair Tom's porch, at least that's what they tell their wives . . . JOHN RAPPOS '73 has his own cabinet business . . . Congrats to STEVE MARTINELLI '73, just recently married.

MIKE SCOTT '66 teaching at the new high school in Marysville . . . NORMAN LUCAS II '68, conductor with the Sacramento Northern RR and owner of the Cannon Ball Beer Co. which produces Home Brew Beer Kits . . . if you need money, the man to see is investment broker GENE DAVIS '66, president of Columbus Financial Services and Columbus Investment Funding . . . FRANK RAIMONDI, JR. '78 just returned from a year's study in Norway and back with the books at UC San Diego in Business & Economics . . . DAVID VALLE '60, also in the investment business, where they have a lot of "bucks" — Dhahran, Saudi Arabia.

BOB VALDEZ '78 has just graduated from DeVrey Inst. of Technology and will be working nearer home at Hewlett-Packard in Roseville . . . ALAN MOY '77, after graduating from UC Davis, is now studying medicine at fine Jesuit institution, Creighton U . . . ROD PERINI '64 is now living with wife and family in Foster City. Rod is the Executive Director of the Criminal

Justice Council of San Mateo and in his note to me he could not help needing his old buddy, MARION CHARGIN '65 — something about Marion's hair or lack of it . . . DR. JOE FARRINGTON '39, Sacramento's favorite optometrist and avid golfer at Valley Hi Country Club is getting so good at the game he can now almost beat his wife . . . his classmate, JIM BOOCK '39 works with his wife as the only man volunteering as a "pink gentleman" in the Mercy Guild at Mercy General Hospital.

MATTHEW DOMEK '72 received his MA in Biology from Calif. State U., Sacramento and currently working on his PhD in Microbiology at Montana State . . . ED DOMICH '41, the Merchant Prince of the Milk Industry, is finally retiring from Knudsen Dairies . . . JAY CARNEY '65, with Safeway Stores at Falsom Blvd. and La Riviera wants any of his fellow classmates when in the area to stop by and say hello.

ROBERT FRETWELL '41 has just moved his insurance office so that he could be closer to his hero and advisor (ME) . . . NICK ZANZE '52, owner of Zanco, a card board and paper products firm, is one of the Head Honchos of the USF Alumni Assoc. in the Southern Calif. area . . . STEVE MORGAN '36 just left Paraguay and will be making his residence with his lovely wife, Barbara, in Mandeville, Jamaica. Steve just signed a contract with the Jamaican government to be their Chief of Marketing for their Dept. of Agriculture. I guess that means that he will be showing the natives how to make that good Slav Bacala.

Old classmate, BOB HIMMELMAN '40, is a partner in Cader Construction which is developing condominiums at Olympic Village, Lake Tahoe . . . STEVE MULHERN '67 just signed a contract to do the impact study for the new Sutter Hospital addition . . . JOE BORICH '40 still with Sears and I'm sure still active in the Sacramento baseball circles.

Certainly wish to congratulate the Board of Regents on some really great appointments: JOHN JACKSON '68, Jackstrom Enterprises; STEVE BENETO '55, Beneto Oil Co. — you always see Steve's nice shining blue trucks on the freeways; JOHN CASSELLI '70 of K R O Y; JIM LONG '55, attorney.

I would also like to mention the following CBers who have passed away since our last writing: JOE COVELL '32, CLIFF RUSSELL '38, JOHN MARQUARDSEN '43 and FRAN HATCH '78. I might mention that a swell way to remember your deceased classmates is by making a donation in their memory to the CBS Scholarship Fund.

Be sure and drop me a note and let me know what you are doing.

CLASS REUNIONS, 1982

Response to invitations by the Alumni Association to take the initiative for Class Reunions has been most encouraging.

Men have volunteered to organize committees and some of these committees have had their first meetings. While no dates have been set thus far, the following alumni are arranging to get their classmates together in 1982: 1937 — Dave Simmons; 1942 — Mike Donovan; 1947 — Jim Lahey; 1952 — Sal Vasquez; 1957 — Peter Bollinger; 1962 — Dr. Peter Laurendeau; 1967 — Mark Stuart.

We have no local volunteer for the class of 1972, but William Nelson of San Leandro and Charles Morton of San Francisco would like to help with a reunion.

We are waiting for volunteers for 1932 and 1977.

More details will be published in the March issue of the CONNECTION.

Memorials Established for Deceased Alumni

In the month of October, two graduates of Christian Brothers High School died and their families requested friends to remember them through donations to a scholarship fund in their memories.

Fran Hatch '78 died suddenly after an intramural football game with his fraternity brothers at U.C. Berkeley. Fran was studying law. His father, Judge Leighton Hatch, was President of the Board of Regents 1978-79; Bruce Hatch is currently a freshman at CBHS.

After suffering from terminal cancer, **John J. Marquardsen, Jr. '43** passed away also in October. His sons, John '70, Jerry '74 and Jim '81 and nephew Jack Pugh '56 and Johnny's daughters wanted to perpetuate his name with a memorial scholarship fund to help needy students with tuition grants.

The CB memorial fund was also recommended by the family of **Gladys Vienna** upon her death in October. Four of her nephews are alumni: Ron '53 and Bill '56 Limeberger, Don '71 and Richard '72 Da Rosa.

Alumni Groupees Form "Brotherhoods"

By DAVE SIMMONS '37

Because the "Royal Disorder of the Never-Have-Beens, Aren't-Now and Never-Will-Be's" has the choo-chooing sound of a runaway locomotive, it seemed simpler to regroup and fall back on the BROTHERHOODS — emphasis on the last syllable — as their earmark for posterity.

It is, speaking loosely, a gentlemen's social club composed of former students from the Christian Brothers' 21st and Broadway campus, which meets 10 times a year for male-only lunches and twice in June and December, for dinner with ladies present.

The lunches are handled on a rotating basis, the host of the month deciding on the date and place, mailing the invitations and — ouch! — picking up the tab. Naturally, attendance is high because those who are stuck want to make sure each of the others is also and to the same degree.

After charter members Frank Ostoja, Don Stanich, Mike Puliz, John Sapunor and Dave Simmons, feeling that old friends are also the best ones, began the gatherings in 1975 other former academic stalwarts joined in abandoning their grandfatherhoods and recapturing their youth with the Brotherhoods.

Most of them are members of the class of 1936 and 1937, but with classes both before and after represented. Their purposes are neither serious nor charitable, with conviviality and companionship the twin magnets that bring and hold them together.

Their dean, who in high school days was just "Coach", is the genial and jovial Jimmy Flynn, himself a member of the class of 1930. He maintains a measure of honesty when football yardage, basketball scoring and batting averages become too inflated in the retelling.

Perfect and direct tie to the Christian Brothers who taught them is Brother Bertram, while another connection with the past was reestablished in June, when Brother Joseph, their own teacher in years past, emerged from his retirement in sylvan Moraga to join the Brotherhoods in celebrating the 45-year anniversary of the class of 1936.

So if you think like (and perhaps enjoy a drink like) the Brotherhoods, perhaps you'd enjoy becoming another link in their never-to-be-broken chain. All you have to do is ask.

"A Night At The Movies" Promotes Fine Arts Center

A touching tribute to the late Douglas Nelson '82, a group of his friends got together in September to present "A Night at the Movies", a collection of films produced by Doug, his classmates and that same flock of friends.

The proceeds went to a more permanent tribute, the Douglas L. Nelson Memorial Fine Arts Center Fund at Christian Brothers High School, where Doug, who died last December 4, just one day after his 17th birthday, would have been a senior this year.

Donors are listed among the Memorials on page 4.

STUDENTS AND ALUMNI PLAN CAREER DAY, 1982

After a series of discussion sessions with several groups of students, Jerry Kirrene, Mike Elorduy and Jim Westlake of the Alumni Association began preparations with Pat O'Brien, Guidance Director, for Career Day, March 9, 1982.

Jim Schenk and Jerry Kirrene are co-chairmen for this third year of counseling service for the students by the alumni.

Following a survey of career interests among the students, individual alumni will be contacted for a commitment of a preliminary meeting of preparation and a school day of talking with the students about their concerns for future careers.

Donors Increase Perpetually Endowed Scholarships

Family members continue to contribute to memorial scholarships which began an endowment fund at \$10,000.

The Charles Deterding Memorial Scholarship now has \$27,500, the largest of the funds. The Roger Slakey Memorial Scholarship was increased to \$23,630 and the William Dwyer, Sr. Memorial Scholarship is funded for \$12,250.

Only the interest is used annually for contributions to the school's scholarship and grant-in-aid programs. Over a period of two years, these three Scholarship funds have provided over \$8,000 towards tuition aid to needy students.

REWARDING SEASON IN ALL FALL SPORTS

As the CONNECTION goes to press the Varsity football team goes into the Capitol City Playoffs as Metro League champions, having a 6-0 league record. Coach Craig Rundle and assistant coaches Bob Wood and Jeff Tisdell will present the honors to the players at the Annual Fall Sports Dinner on December 3.

The Soph and Frosh football teams are also undefeated, the Sophs completing its second year of not losing to an opponent under Coach Steve Crutcher, assisted by alumni Tim Pierson, Paul Giordano, Ruben Castro and Tim Nelson.

Coach Gene Domek brought his first year men to their first high school undefeated

Former CBS Teacher Ordained to Priesthood

Colin MacDonald a teacher at Christian Brothers 1961-1970 and 1975-1977, was ordained a priest for the diocese of Sacramento on November 7.

Father MacDonald was formerly a Christian Brother when on the faculty at Bishop Armstrong/Christian Brothers high schools. In 1977 he received permission to remain on a leave of absence as he pursued his desire to serve God in another capacity than that of a religious brother. He was released from his vows when he was ordained a deacon last year. He has been performing his deacon responsibilities in St. Patrick's parish, Placerville, where he said his first Mass on November 8.

Band Concert and Art Fair Demonstrate Student Talent

Ambrose Hall In New Location

Thanks to Regent Norman Montgomery of Montgomery House Movers Inc., Ambrose Hall, site of the Development/Alumni office, was physically moved from its former location near the baseball diamond to the front of the school, adjacent to the administration wing.

The original Ambrose Hall, named after the late Brother Ambrose, FSC, was a permanent building, initially a home for the custodian, later, the Art Center. It was destroyed by fire in 1977 and replaced with the present mobile unit.

In 1979, the building was converted into its present use as an office and meeting room for La Salle Club, Regents, Parents Service Organization.

Its present location will not only facilitate the office operations but serve the other groups more conveniently.

Joe Guilherme, maintenance coordinator, and his assistant, Joe Machado, put finishing touches on Ambrose Hall with their versatile skills.
