FROM THE DESK OF BROTHER BERTRAM

Dear Bob,

Today I had pleasure to send you a check for the Wine Train Luncheon.

However, for more than a week I have been confined to the infirmary here at Mount La Salle due to health problems.

At my age of 87, I don't expect to recover from those health problems, especially cancer in the lungs so I will be permanently assigned to the infirmary.

So cancel my plans to join you for the Wine Train Lunch + the other 50th year reunion events.

Please let Bill Chamber know + let the Class of '52 know how much I appreciate their prayers and their cards since this illness began a year ago.

As ever, your friend

Brother Bertram
