Bob Shorrock of the Board of Directors of the Alumni Association will chair this year's Career Day activities, scheduled for Wednesday, February 8, 1984.

Shorrock and his Alumni committee will work with Mr. John Higgins, who is in charge of Career counseling in the school's Guidance Department, under Mr. Pat O'Brien, Guidance Director.

The publication of the Alumni Directory will be of great help this year in locating alumni in various careers selected by students in a survey of interests that was distributed among them in November.

Ron Carissimi discusses architecture with group of students on Career Day, 1983.

Class of 1943 Contributes To Scholarship Fund

Culminating a successful 40th year class reunion at the Cort Yard on October 15, the Class of 1943 donated \$300 to the Brother Bertram Scholarship Fund in honor of their class moderator for their four years at 21st and Broadway.

Brother Bertram celebrated his 50th anniversary as a Christian Brother last year and a scholarship was established by his former students and friends to commemorate the event.

This scholarship is one of sixteen perpetually endowed scholarships, the interest from which is used annually to assist students whose families cannot afford the full tuition fee.

Fourth Annual Night at the Races — "Irish Sweepstakes"

Jockeys bring their "horses" up the stretch at Western Night At The Races last year.

The Parents Service Organization is sponsoring its 4th Annual Night At The Races on February 18, 1984. An "Irish Sweepstakes" theme for this event was the brainstorm of a newly formed Steering Committee consisting of Brother Joseph Desimone, Moderator; Jean Lahey, Coordinator; Dorothy Imbery, Secretary; Gomez and Mary Alice Delgado and Adrien and Barbara Ledoux, Event Co-Chairpersons; Ron Wood and Irv Rios, Race Commission Coordinators; Jim Keating and Mike Clark, Consultants.

The event will be held in the gymnasium (Race Track) and the cafeteria (Turf Club) at Christian Brothers High School.

The Racing Commission, chaired by Ron Wood, will be off and running on December 1, at which time they will begin seeking sponsors. Last year's major donors were Heavenly Valley and The First Commercial Bank.

La Salle Club Plans Sports Celebrity Night

Ron Hermann, president of the La Salle Club, announced that January 24 has been selected for the night to meet several local sport celebrities among professional athletes.

Plans are underway to invite alumnus Eason Ransom and some of his Forty-Niner teammates to be present, along with other local professional athletes in other sports.

Annual Giving Appeal Gains Momentum

After six weeks since alumni received letters from John Jackson, Jr., President of the Board of Regents, appealing for their support of the Development Program through an annual donation, 88 responses have been received for a total of \$11,095.

With additional support from parents and non-alumni Regents and members of the Regency Club, the number of donors, as of November 15 when the CONNECTION went to press, was 111, giving \$17,411.

Meanwhile, during the month of November, the Annual Giving Committee, under the co-chairmanship of Charles Sylva and Leonard Panattoni have made further contact with other potential donors and organized, with the help of the Alumni Association, a phone committee of alumni to make further contacts to explain the financial needs of the school and how the Development Program is assisting with these needs so students will not be denied a Catholic high school education at Christian Brothers because of lack of funds to meet tuition costs.

While Christian Brothers High School is not a participating agent of the United Way for the California State Employees' Campaign, it is listed under the non-affiliated agencies which may receive designated funds. If any of our alumni or parents are giving to the United Way through payroll deductions, they may request that their donations be designated for Christian Brothers High School.

mann can be contacted at 451-1221 or 454-2432.

Plans are also being made by the La Salle Club for the thirty-third Baseball Hall of Fame Dinner, February 3 and the third annual Law Enforcement Appreciation Night March 3. Committees are working on names to be added to the Hall of Fame and on this year's recipient among alumni in Law Enforcement for the Bernard Bennett Award.

ALUMNI NEWS

by Jack Stassi '40

This is the season to be jolly, so let's have a little fun and frivolity and find out what the alums are doing. Let's start with one of our huge successes, the Annual Alumni Dinner. This year was really a huge success and I might mention that you fellows who have not attended this function are really missing a hit, and I must give special thanks to a bunch of great guys who really made the dinner go (they cooked it!): **VIC CIMA '61**, **FRANK CIMA '69**, **DOUG CARSON '65**, **LARRY CARSON '68**, **FRANK CARSON '75**, **JOHN CARSON '80**, **VIC BIANCHINI '67** and **JOHN BIANCHINI '53**. Present for this wonderful occasion was **FRANK "BILL" CARSON** (the dad and guy responsible for the Carson boys) and **VIC BIANCHINI, SR.**, who were given "Honorary" Alumni memberships along with my good friend **MIKE ELORDUY** and **RALPH BALANESI**.

JIM CARROLL '45, in addition to handing out great legal advice, has been noted for his race track handicapping. He owns a horse that doesn't win a lot but sure eats a lot . . . **SHERWOOD "SHAKEY" JOHNSON '43**, back in the public eye as he is doing the commercials for his old company, Shakey's Pizza Parlors.

PAT LANE '80, now a student of architecture at Cal Poly, San Luis Obispo, is the son of **JOHN '56** and **TONI '57 LANE** . . . **DON BELKE '43**, an old

neighborhood chum of mine, is the Sales and Underwriting Manager for Employee Benefit Insurance Company . . . **FRANK MUGARTEGUI '51** is one of the real big wheels at City Hall, Director of General Services, and is also a big wheel at CBS as he is always available, willing and able to help the Brothers.

H. KELLY OGLE '50, former senior trial attorney with the District Attorney of San Mateo County, has joined the firm of George P. Esloo and Associates in Redwood City. Kelly is living with his wife in Menlo Park . . . **HADEN "BUNNY" CRITES '35** is now living the good life of a retired gentleman in Auburn. Many of us old timers have fond memories of dancing to the tunes of Bunny's orchestra in the 40's and 50's, which was one of the most popular bands in the city.

CHARLES "CHUCK" CHRISTEN '41, owner, president and major domo of Bonanza Tile, has a new side job as the appointment secretary for his old buddy, **BOBBY REHM '44** . . . For you fellows with rhythm, stop by and say hello to **RICHARD "DICK" ROSSI '62**, the owner of River City Guitar Center in Town and Country Village.

A couple of retired gentlemen seen at the Alumni bash and looking like a million, the **DOMICH BROTHERS**, **EDDY '41** and **JOHN '33** . . . Congratulations not only to the Honorary Alumni we mentioned above, who have made their contributions to the school in various ways, but also to one who help put the class of '58 reunion together and received his honorary diploma at the Alumni Dinner, **PATRICK MCCORMACK '58**.

I guess the trial lawyers of California must read my column as, after I plugged **JUDGE JOHN SAPUNOR '36**, they made him Trial Judge of the Year. Keep up the good work, John . . . **MITCH**

Faculty and students joined the family of Nancie Carda in a prayer service and Mass of the Resurrection prepared by Brother Daniel Morgan, FSC. Nancie served Christian Brothers High School as attendance secretary, registrar and receptionist in the four years she worked in the school office. Although stricken by cancer more than a year ago, she stayed on the job up to a month before she died.

Alumni who have passed away since the last edition of the CONNECTION include: David R. Rooney '38, Jerry Litell '57, William P. Lee '50 and Achille Albouze '43. Bishop Quinn Celebrates Mass for Seniors of Diocese

On October 19, Bishop Francis Quinn was the chief celebrant and homilist at a Mass in the Blessed Sacrament Cathedral for senior students of all the high schools of the diocese. Chaplains from the several schools concelebrated with the Bishop for this first opportunity for His Excellency to meet the fourth year boys and girls in the Catholic high schools of the diocese as a group.

Pictorial School Calendar Distributed in Fall

For the second consecutive year, the Board of Regents initiated the printing of a pictorial calendar, portraying each month an aspect of activities associated with Christian Brothers School. Pictures include events involving the academic work of students, their social and athletic participation; events of various support groups that contribute to the financial needs of the school.

The calendars also note the dates of all the activities taking place during the school year, both for students and the adult groups that support the school.

Calendars were sent to the homes of all the parents, to all donors to the Annual Giving Appeal and made available by the Alumni Association to alumni who attended the 14th Annual Alumni Dinner. Letters were mailed to alumni of recent years notifying them that the calendars were available for them for a donation of \$5.00.

There are calendars still available for those who may wish to send a donation of \$5.00 to cover the cost of printing and mailing.

John Caselli was chairman of the calendar committee for the Regents. Brother Joseph Desimone, FSC, was the photographer for the pictures.

High School Information Nights Precede Placement Exams

The five Sacramento area Catholic High Schools invited parents of 7th and 8th grade students to two nights of learning more about the educational opportunities for their sons and daughters at Jesuit and Christian Brothers high schools for boys and Loretta, St. Francis and Bishop Manogue high schools for girls.

The first night of information was held at Christian Brothers High School on November 9. After a general greeting from Sister Rosemary Zaffuto, ASCJ, Superintendent of Catholic Schools for the Diocese, parents had the opportunity of choosing one of five locations for presentations by the high schools. The presentations were repeated three times in the evening.

The same format was used for a second Information Night at Jesuit High School, November 16.

On Saturday, February 4, 1984, students wishing to enroll in any of the five Catholic high schools must take a Placement Exam at the school they plan to attend in the Fall.

Music Students Perform; Band Boosters Provide Funds

The Christian Brothers Studio Jazz Ensemble held their first "Annual Christmas Concert" on Sunday, December 4 in the school cafeteria. The concert consisted of a variety of music, ranging from the bouncing "bop" music of the 30's and 40's to the contemporary sounds of the last ten years.

On January 29, the Band Boosters will offer a Roast Beef and Pasta Dinner, prepared by Bud Graham. The second annual fund raising event for the fine arts program will include entertainment, an art fair, door and raffle prizes. Reservations may be made with Pat Graham, 455-9153.

Night At The Races

(continued from page 1)

At the Races, there will be opportunities to wager on each race for merchandise prizes. There will be raffle items between races as "horses" are calmed down and jockies hyped up.

Net revenue from this event will be presented to Brother Richard, Principal. Last year, \$13,000 was realized and used for the computer science program and other academic enrichment programs in the school.

Student Exchange With Germany

Due to generous stipends from the West German government and the German-American Cultural Exchange, thirteen Christian Brothers students and their teacher, Mr. Jeff Corrigan, will be traveling, studying and living in West Germany from January 19 to February 14. All of the students are presently enrolled in the German class, and, as part of their acceptance on the exchange program, have agreed to use their German to the best of their ability during their stay. This will be enhanced by the fact that they will be staying with German families and will be attending school at the Fuhrlinger Gymnasium in Cologne with a son or daughter in the family.

In addition to observing classes of their choice, students will also be given intensive instruction in German while at school. Although much time will be spent with families, there will also be a number of local excursions and activities as well as planned overnight trips to East and West Berlin and to the Northern Alps to go skiing.

The second half of the exchange will occur in April, when Dr. Friedhelm Guntert will come to Sacramento with a group of students who will attend Christian Brothers and visit the local area.
