SENIORS SPONSOR SHOW AND DANCE

On Friday, Dec. 10, the Senior class will hold a Varsity Show and Dance as the first of the events sponsored by the class this year. The Varsity Show, that has occupied the efforts of some of the most talented students in the school, will feature several comedy skits, a one-act play, a novelty dance act, and several vocal numbers. Wayne Shirley's orchestra, engaged for the dance, will also play for the show. This new eleven piece orchestra is considered one of the best in town.

The show begins at eight o'clock and will last about an hour. Dancing will follow. Bids for couples are now on sale for the very reasonable sum of seventy-five cents. Singles will be fifty cents. Bids may be had from any Senior or the Committee, composed of Andy Domich, Bill Keating, Rich Trainor, Frank Lemos, Joe Puliz, Marion Puliz, Ned Sheehan and Joe Ostoja.

TUBERCULIN TEST TAKEN

Down to the City Hall this week trooped twice a legion of a hundred-odd students to take the tuberculin test offered by the Board of Health. Monday, Nov. 29, was the day of the test and Wednesday, Dec. 1, the day to discover the tell-tale marks, if and where they

FROSH LEAD ON HONOR ROLL

After trying for two months Frosh A has finally nudged Soph B from the lead on the school Honor Roll. Seven worthies represent the leading Frosh Class.

Robert Cunningham and Stanley Gilliam of Frosh A received all "A's" on their monthly report.

The complete Honor Roll follows:

Senior A: W. Keating, I. Maracci, R. O'Connell, T. Ravellete

Senior C: R. Meyers.

Junior A: J. Boock, T. Moriarty, D. Viducich.

Junior C: E. Condon.

Soph A: M. Caldera, W. Richards.

Soph B: E. Harlow.

Frosh A: R. Bambery, T. Braun, R. Cunningham, S. Gilliam, T. Mulligan, J. Rungé, N. Samuelson.

4th Grade: R. Craig, R. Harbeke, G. Major, M. Rowley, Jim Whitehouse.

might be. Those who have taken the test have shown a splendid spirit of good-will.

CAUIDID KID

Two people that have something in common are JOSEPH NERONDE and W.C. FIELDS. (If you look close, I nose you will see it.)

JOSEPH PULIZ' man Godfrey is none other than ALPHONSE P. GONZALES.

I wonder how FRANCIS (Sonny) COTTA broke his glasses. If I wore you Francis I would make her pay.

When FRANCIS (Bugle Ann) LEHOS gets more than three in his aunt's car you will always hear this:

"I don't know what my aunt would say!"

Local radical BILL KEATING still insists on introducing his "reforms".

Flash! GEORGE MANNING and a certain girl going to the show. On being asked where he got the money, George said: "We were both able to afford forty cents."

LEO BENNETT waiting for a st. car or could it have been those two girls, Leo?

GEORGE RETA says people think he looks like Robert Taylor from a distance. Let's keep our distance.

FRESHMAN THEATER PARTY

Wednesday was an oventful day for one of the Freshman classes, whose home room is 1A. After returning to class from the Tuberculin Test they were met with the long-promised theater party won by selling the largest numbr of raffle tickots in the recent raffle. Shortly they were off to the Alhambra Theater where Mr. Glackin, the genial manager, greeted them very kindly. All enjoyed the show immensely.

JUST A LINE ON LAST YEAR'S GRADS

LIGHTIES BEAT CALIFORNIA

Yesterday afternoon Brother Norbert's D team overpowered a fighting quintet from California Junior High School 15 to 7. There were too many McKenzies and Wests on the Brothers squad for the California boys to cope with. However, Valine of California took high point honors scoring his team's seven points. Little Donald "Flash" McKenzie played a good game for the Blue and White.

Last week the Dees defeated Stanford Junior High Dees 17 to 15, with Howard McKenzie tanking 8 points for Brothers.

The E's had worse luck dropping a close encounter to the Stanford C's in a return game 19 to 13.

FOOTBALL PLAYERS TO RECEIVE BLOCKS

At the rally preceding the Sacramento High Basketball game on Dec. 14, twenty-two varsity football players will receive their football C.B. Blocks.

Those who have earned blocks are Captain Marion Phiz, Jack McGuire, Jack Dorr, Joe Vacca, Norman Caldera, Vic Fancher, Bill Wittkop, Ralph Gillette, Pete Archerda, Leo Cima, Leo Bennett, Charles Sanford, Jack Chappell, Bill Gormley, Duke Duccini, Ted Ravellette, Ellis Archerda, Eddie Cupps, Art Walters, Manuel Soares, Graham Lahey, Rich Trainer, Jack O'Neil and Jack Rosse.

BROTHERS OPEN SEASON AGAINST VACAVILLE TONIGHT

Tonight the Blue and White casaba tossers officially open their season with Vacaville.

There will be three games. The C tussle will commence about seven o'clock and will be followed by B and A encounters.

Coach Bud Hanna lists his probable lineup as follows: A squad: forwards, Ellis Archerda, Pete Archerda, or Bob Cuff; center, Bob Smith or Jack McGuire; guards, Paul Knözovich, Leo Cima or Ray Cordano. B squad: forwards, Bob Fouts, Ed Basurto, or Johnny Marcellino; center, Al Franzoia; guards, Ned Sheehan, Frank Garcia, or Walt O'Keefe.

These games tonight will serve as a very good preparation for the Grant Union High encounters on Saturday night at Grant.

Show your school spirit and support your teams this evening and tomorrow night.

FOOTBALL BANQUET IN TWO WEEKS

Following the annual custom of banqueting the varsity football team in December, Brother Patrick, Principal, and Brother Joseph, Athletic Director, announced recently that this year's banquet will be held on December 16.

Twenty members of the B squad will also receive their blocks at the same rally.

SMOLICH'S SPORT SHORTS

JUNIOR CLASS ACTIVITIES

Basketball has been getting in- to full swing lately. Many hoop enthusiasts have turned out and the prospect for the coming season is very rosy. Last year's varsity graduated, with the exception of Pete Archerda, around whom the team will probably be built. Other hot-looking aspirants are Leo Cima, Paul Knezovich, and Bob Smith.

One of the most popular school sports has been the less-publicized--handball. Among the handball greats this year are Ed Condon and Fred Lindner, who always team up as partners. Anytime you want to see some real action watch these two stars dust off their rivals with simple ease.

Football is over this year for the high school, but not for the grammar grades. They go at it rough and tough every afternoon, with the great aid of Joe "Flash" Neronde, whose refereeing is magnificent. Joe often takes his turn at the old game. He is a potentially great fullback. Take notice, Les Groux!

Doctor A. Almada, team physician, has been giving the basketball players a thorough physical examination these past few days. Miss C. Hitchcock and Miss M. Taylor, school nurses, assisted the doctor.

Interesting to many of us is the fact that two stars of last year's grid team faced each other in a college game a few weeks ago. Vic Martinelli, Gael Frosh right guard played against left guard Dave Simmons of the Bronco Babes. The Galets seem to be carrying out a tradition this year, as they lost to Santa Clara 13 to 7.

Although 3A and 3C have class presidents it was deemed as a wise move that the two classes merge into one. With the combined force the Junior class can more easily put over seasonal activities which are planned.

The two classes have agreed, in a recent meeting, to buy class sweaters. The sweaters have already been priced and negotiations are under way for their purchase.

A class Pre-Lenten dance is also planned. From the enthusiasm shown it appears that the Juniors are really warming up and starting the ball rolling.

Jack Rosse and Jim Boock will act as President and Vice-President respectively throughout the term. J.B.

SOPHS MEET SENIORS IN CRUCIAL

Interclass competition in basketball has continued keenly during the past two weeks. Class 2B is still holding tenaciously to its lead. However, today they meet the highly touted and undefeated Senior Academic aggregation. According to the dope, the Sophs are scheduled to beat their taller opponents after a great tussle.

MORE THOUGHTS ON TUBERCULIN TEST

The thought of having tuberculosis has seldom occurred to the average healthy boy. Likewise the thought of ever contributing something to the Tuberculosis Association.

Many boys have said: "Aw, I can't have tuberculosis. Look at those muscles!" But to their dismay, after taking the test, some find that they have a positive reaction, and immediately the braggadocio is deflated.

We should be thankful that we have such an Association to give us the opportunity to determine whether we have this disease or not. Much credit and thanks should be given to this wonderful organization.

As a slight return support the Tuberculosis Association in their work and in the sale of Christmas seals--their major source of income.

EARLY NEW YEAR'S RESOLUTIONS

The new year is just around the corner and before its arrival we have a number of things to clear up at C.B.S.

The school spirit is going to have a relapse soon if there is not more enthusiasm and more action in school activities such as dramatics, the press club, interclass competition, etc. Let us make some of those fellows do a little work who readily applaud and shout when an idea is brought up, but sit back and let a few other fellows do all the work. It sadly appears that every class has a few of these exemplars of laziness.

There also seems, for some unknown reason, to be a great lapse of interest in studies this year --of course, some study, but there are many who do but the minimum. This is against the justice we owe our parents, teachers, and ourselves.

Clear up these hindrances and swell the school spirit for a happy Christmas and a successful 1933.

A SEMI-MONTHLY MUSING

Nowhere will you discover in American daily newspapers any Jewish issue misrepresented--not for long. The reason that Jews always receive absolutely fair treatment in the press is that newspapers know by experience that Jews mean business; they will fight to the bitter end with everything they have. There are only four million Jews in the country. There are twenty million and more Catholics; yet the influence of the twenty million on public affairs is insignificant.

American Catholics, acting as a unit cleansed the movies. American Catholics, acting shoulder to shoulder, can cleanse the press of false propaganda. J.B.
