

Pat O'Brien to Celebrate His Beginnings at CBS

by Kevin McGovern '74

Pat O'Brien, Guidance Director at Christian Brothers High School, will begin the silver anniversary of his first assignment in Sacramento at Bishop Armstrong High School with the completion of the current semester.

Pat was born and raised in the Mission District of San Francisco. Prior to high school he attended St. Mary's in Berkeley and along with his high school buddy, Brother Bede, he decided to become a Brother. He attended Mont La Salle High School and St. Mary's College, graduating in January, 1955 with a degree in English.

He began his teaching career at Cathedral High School in Los Angeles, working under Brother Bertam, Principal and Brother Edward, Vice-Principal, both members of the current CB staff. During these teaching years, Pat taught English, religion and journalism, moderated the award winning newspaper and coached the basketball and baseball teams. Assignments followed at Bishop Armstrong High School (1960-62) and Moraga (1962-68) as Vocation Director for the Brothers.

Following grad school at San Diego State in counseling, Pat left the Brothers only to accept a counseling job at CBS in 1970. Sometimes he asks himself what life might have been like if he had accepted a position at that time at Leeward Community College in Hawaii.

Before returning to CBS, Pat married Billie and they now have three children: Brigit (13), Colleen (10) and Patrick Sean (4).

Pat was honored in 1959 by the *Wall Street Journal's* Newspaper Fund when he was selected for a competitive scholarship to Marquette University in Wisconsin for journalism studies. He

The evening will highlight a variety of authentic Mexican entertainment and culture. The exciting program will include the very popular Atzlan Dance Company who will provide a delightfully choreographed segment depicting Indian Dance. Also on the program will be concert pianist Jesus Fernandez, guitarists and other variety performers.

This 2nd Annual Mexican Dinner Show will be held at Christian Brothers High School, Saturday, March 24, at 6:00 p.m. While the diners feast on an

exceptionally delicious Mexican dinner created by the Casita Blanca Restaurant, Mariachis will serenade. The ever popular margaritas will be sold throughout the evening at the no-host bar.

For information regarding reservations, contact Mr. and Mrs. Larry Santos-Coy, chairpersons, 451-0286.

McNamara's Angels Bring Alumni by Bus to Oakland on April 15

Once again the attraction of alumnus Johnny McNamara '50, manager of the California Angels, induced the Board of Directors of the Alumni Association to reserve two busses and 94 seats in the Oakland A's ball park on April 15, 1984.

Rick Gormley is chairman for the outing. A fee of \$22.50 will pay for a reserved seat in the lower section of the ball park, bus transportation and refreshments going and returning. Reservations may be made through the Alumni Office, 452-0482.

New Bulletin Board is Gift to School

The new display bulletin board in the administration building is the gift of the Class of 1983, the school's unit of the National Honor Society and the California Scholarship Federation.

The 4' x 6' board displays the names of the students who are members of the National Honor Society and the California Scholarship Federation and those of the first semester Honor Rolls.

ALUMNI NEWS

by Jack Stassi '40

Fellow Alumni, it's bragging time again: In the past year the old school has certainly done itself proud . . . for instance, the soccer and football varsity teams not only won the City Championships but went on to win the Regional titles. And academically speaking, the school received their six year accreditation from WASC, so congratulations are in order for **BROTHER RICHARD CAMARA, FSC**, the faculty and staff, soccer coach **DAVE KELLEY** and his assistants, and **COACH JEFF TISDEL '74**, and his coaching staff, which includes another Alum, **MIKE TRAINOR '64**. It not only takes a great deal of sacrifice and dedication to produce these fine programs, it also takes a lot of money, so let's make it a point this year to send whatever few extra dollars we have into the school so the Brothers can maintain their excellence in giving our boys the same quality of education we received.

Also congrats to **JAMES L. FRAYNE '53** for being named Executive Director of the California State Athletic Commission. Jim was formerly the Executive Director of the California Trial Lawyers Association . . . and speaking of Legal Eagles, we must congratulate **GUSTAVO BARCENA '69** who was recently elected President of the Mexican American Bar Assoc. of Los Angeles. Gustavo has offices in L.A. and Santa Ana.

JOE BABICH '43 is retiring from the Sacramento Superior Court; says he now wants to enjoy the flowers, so maybe he will come over and take care of my yard.

Need a new home? Contact a couple of live wires, **BRUCE MAITA '69**, who is with Pacific Crest Development Co. or **JIM BURICH '43**, who is now with Greenhaven Realty . . . **JIM BURICH '69**, his son, played a whale of a game for the Sheriff's Dept. in the Pig Bowl.

Guess we will give the "Good Guy of the Month" award to **FRANK OSTOJA '36**, who along with his wife, Eva, took his two grandchildren on the Love Boat for a trip to Alaska. The Grandkids, Steve and Susan Halsted, are the children of **JOSETTE OSTOJA HALSTED '60**. Just to show that the Lord rewards "Good Guys," Frank subsequently won a trip for himself and Eva for 10 days in Hawaii through the Sacto. Union by picking last October the two teams to play in the Super Bowl.

From the "Young at Heart" department, we have determined that our oldest living alumnus is **EARL HENDERSON '09**, and I'm happy to report that Earl is a regular attendee at the Annual Alumni Dinner. SE-

cond oldest is **DR. FRED WEST '10**, living in San Francisco, and the third is our active and loyal supporter, **FRANK CORSIGLIA '14** . . . Received a note from **BERNARD C. MOORE '27**, who has contacted all the remaining members of his class. Out of 31 graduates in 1927, Bernie has addresses for 15 of them. Twelve replied. Keep up the good work, Bernie.

FRANK LEMOS '38 has just got too much energy to stay completely retired; he now works part time at the Auto Auction . . . **REGENT NORM MONTGOMERY**, king of the housemovers, claims that our Brother Bertram is one of the all time great fund raisers. He was moving a house across Sacramento Blvd. near the school when Brother ran out and reminded him of his pledge.

Got a note from old friend, **BROTHER JOSEPH NEARY**, our former development director. He says he is in great shape and in the development business for Cathedral High School, Los Angeles . . . A couple of my neighbors are sure keeping the town fit, hail and hearty, **DRS. JAMES COYLE '42** and **RICHARD COYLE '47**.

JIM KNEZOVICH '76 has been elected Vice-President of the Student Body at Lincoln Law School and is also a Law Clerk for ex-Regent, Dan Sullivan . . . brother, **JEFF KNEZOVICH '76** has just been promoted to Vice-President, Loaning Officer with the Bank of America in Hollywood . . . and little brother, **MIKE KNEZOVICH '76** has just graduated from City College and now attending Sacramento State College . . . while ole' pop, **AL KNEZOVICH '44** is still slaving away at the State.

The Seals unit of the United States Navy will soon have **BRIAN SCHAD '82** as one of its members. He will finish boot camp March 16.

Congrats to **YUBI SEPAROVICH '33** on being named to the La Salle Club Baseball Hall of Fame . . . and I sure want to take my hat off to **RON HERMANN '54**, President of the La Salle Club, and his hard working group for their tireless efforts on behalf of the CBS sports program.

Congratulations to **HONORABLE ED GARCIA '46**, who received his second assignment from Ronald Reagan in 12 years when President Reagan appointed him to Federal bench last month. Ed received his appointment as Municipal Judge when Reagan was Governor of California.

And that's it for now. Be sure and give me a call or drop me a note and let me know what's going on out there.

Class Reunions

Representatives from the classes whose graduation years ended in either 4 or 9 met with Sal Vasquez, Chairman of the Class Reunion Committee of the Alumni Association and Alumni Moderator, Brother Bertram to discuss plans for reunion of their respective classes in 1984.

Vasquez outlined the various services available through the Alumni Office, sharing with the group the experiences of past reunions, the types of flyers used in the past, photo albums commemorating the even and other items that made these reunions successful.

Brother Bertram explained how the Alumni Office can be helpful with bulk mailing, bookkeeping and banking.

The Class of 1969 have begun work on their 15th year get-together with June 30 as the date at the Dante Club. The committee are planning to meet representatives of St. Francis and Bishop Manoques high school graduates of 1969 for Tri Hi Reunion. Those working on the committee are: Kevin Crossland, Mike Cima, Mike Havey and Bruce Maita.

Plans are also underway for the Class of 1974 with Ed Niehaus and Charles Willis having reserved El Rancho Hotel in West Sacramento on July 7 for the reunion.

Other classes represented at this meeting were: 1949 (John Lysaght, Bill Mulderrig, Bill Weubbe, Fred Tucker, Ray Molina and Manuel Cazares), 1959 (Rosemary Valine Wood, Linda Ramos Giese and Bill Golsong), 1964 (Vincent Angell, and Mitch Rakela).

While not able to be at the meeting, Will Fox and Walt Kennedy will initiate a committee for the Class of 1944; Ray Cordano and Archie Crossland for the Class of 1939; and Mike Lahey for the Class of 1979. We have yet to hear from a volunteer for the Class of 1934.

Board of Regents Receive Task Force Report

At their quarterly meeting in February, the Board of Regents was presented with the report from the Task Force by Ed Lammerding, Chairman. The report represented a year's study by many civic leaders in politics, city planning, law enforcement and education and will help in assessing the future planning for the school and its environs. After reviewing the report, the Regents will make recommendations to the school administration.

The Board also received a report from Ron Carissimi on the efforts of the various groups in co-ordinating their fund raising events through the Development Office.

Charles Sylva and Len Panattoni reported on the assistance from various members of the alumni in the phonathon to increase the participation among the alumni in the Annual Giving Appeal.

The next meeting of the Regents will be in May when new members and officers will be welcomed at a reception.

ANNUAL GIVING APPEAL

Phonathon

During the months of November and December, 1983, Charles Sylva and Len Panattoni, Co-chairmen from the Board of Regents of the Annual Giving Appeal for the Development Program, organized a phonathon to contact alumni for their support.

Over a period of four weeks, the phone committee gave four nights, from 6 to 9 p.m., contacting 217 alumni. Of these, only six indicated they were unable to participate in the 1983-84 fund drive. As of January 31, ninety-seven grads have donated \$8,260 out of \$10,710 in actual pledges. Many of those who were contacted did not specify or pledge any definite contribution.

Of the 265 donors who have contributed to the Development Program so far this year, 215 are alumni. Total donations amount to \$33,232, with pledges of \$35,819.

Alumni who have assisted Sylva '65 and Panattoni '61 are: Jay Steiner '63, Leo Schuering, Jr. '60, Jim Mikacich '58 and Dr. Emil Tanghetti '68 (Board of Regents); Jim Westlake '51, Roger Valine '67, Walter Short '52, Sal Vasquez '52, Bob Shorrock '65 (Board of Directors, Alumni Association); and Joe Harling '57, Ken Harris '54, Kevin Crossland '69, Bill Blucher '69, Bill Creegan '41, Jim Dunphy '41, Mike Hardin '70, Anthony Muljat '42 and Steve Whichard '65.

Matching Gifts Appeal

Following the phonathon for the Annual Giving Appeal, letters were sent to 67 alumni who are employed by business firms who have matching gift programs that include private secondary schools. Most of these companies will match dollar for dollar the gift of the employee; others will double the amount donated. The Development Program this year received five matching gifts through alumni contributions.

United Way

Christian Brothers High School has been listed under the non-affiliated agencies that may receive designated funds through the United Way for the California State Employees' Campaign. Parents, alumni and friends of the school may indicate that their donation to the United Way be assigned to the Development Program of Christian Brothers High School.

The Development Program

The goals of the Development Program are depicted by a bridge logo, representing the twofold tuition-assistance oriented purpose of the annual appeal for funds: (a) a bridge to the 21st century so that the Christian Brothers can continue to serve the families for whom they have been traditionally available at a tuition fee that most of these families can afford, and (b) a bridge to cross the gap between the tuition fee and what it costs to educate the student each year.

During the first semester, the Board of Regents, through the Development Program, was able to provide tuition assistance to 28 students on scholarship programs.

Scholarships for 1983-84 cost the Development Program \$32,161. Most of these funds are realized from interest earned from the perpetually endowed scholarship funds which now total \$222,497.

The Regents also have a commitment to tuition assistance for students of families who cannot afford the full tuition fee. Such a commitment can be realized only through a continued effort to bring funds into the Development Program.

DO YOUR PART IN RESPONDING TO OUR ANNUAL GIVING APPEAL.
THANK YOU.
