Third Annual CB 200 Club Have Record Meeting

The members of the 1984 CB 200 Club met on Sunday, May 6 for their third annual get together to have member Don Futterer be the third person to turn the key in the Cadillac door prize and start up the engine.

The first year Jim Burich won the car on number 24 and last year Don Foley was the 181st member to finally turn on the ignition and receive the applause when the motor started running.

Don Futterer, a CB alumnus of the Class of 1929, was also a 1983 CB 200 Club member.

While the excitement of knowing who would be the owner of the door prize was over quickly, the members and guests continued to enjoy the delicious hors d'ouvres prepared by Nancy Martin and her committee and share the pleasant company of loyal friends of Christian Brothers.

Brother Richard Receives Reappointment As Principal

Brother Norman Cook, FSC, Provincial, announced the appointment of Brother Richard Camara, FSC for another three year term as Principal of Christian Brothers High School as of July 1, 1984

Brother Richard

Brother Norman noted the many achievements of the school during Brother Richard's first term as chief administrator. The self-evaluation of all departments of the school by administration, faculty and staff with input from students and adult support groups resulted in a full term accreditation of six years by the Western Association of Schools and Colleges. As a by-product of the self-evaluation, the Curriculum Committee has been working on a "Profile of a Christian Brothers' Graduate" as an instrument for each department to use for ongoing evaluations of curriculum offerings and methodologies. Brother Richard has been a very active member of the Curriculum Committee on this project.

The Departments have also worked on better articulation among themselves with regular presentations at faculty meetings of the goals and procedures used in various academic disciplines.

Brother Richard has also worked closely with the Board of Regents in their various capacities of advisory assistance to the administration. In particular, he has responded positively to the Task Force in improving the security on campus and undertaking long range studies as to how Christian Brothers High School can best serve the Catholic secondary educational needs of Sacramento.

The physical plant has received alterations, not only for greater security of personnel and property, but for greater efficiency of staff. Improvements have been made in the administration wing,

151 Seniors Receive Diplomas

The seniors were honored at the Baccalaureate Mass at Christian Brothers High School on June 1 and received their diplomas at the Sacramento Community Center Theatre on June 2. Brother Richard, Principal, presented 151 diplomas to the 108th graduation class.

At the Awards Ceremony following the Mass, major awards were earned by Theodore Coe, General Excellence; Edward Avis, De La Salle Religion Award; John Havey, Brother Ambrose Service Award. Other seniors received awards for outstanding achievement in academic subject areas and more than twenty-five were named for college scholarships and grants.

A Luncheon at Woodlake Inn for seniors, their parents and faculty followed the Awards Ceremony.

Parents of Alumni Surveyed

Having a desire in maintaining relations with the school and with other parents with whom they have worked, several parents of seniors expressed interest in founding a group of parents of alumni that would provide an opportunity for these parents to keep in touch with the social and athletic events, support the fund-raising projects that assist the school in its operations and development and maintain contacts that have been productive for themselves as their sons were attending Christian Brothers High School.

Larry Hansen, PSO president, requested the services of Mr. & Mrs. Steve Jablonsky, Mr. & Mrs. Frank Mugartegui and Mr. & Mrs. Gomez Delgado to survey the parents of graduates of the last ten years through a questionnaire to determine the interest for belonging to such a group. An evaluation of the returns from these questionnaires is now in progress.

Youth of the Month Chosen by Optimist Club

During the school year, the Sutterville Optimist Club recognizes a student from Christian Brothers as being the Youth of the Month. This honor is given to those students who dedicate themselves to service both to the school and the community.

The winners this year were: Vince Delgado, Rich Martin, Ken Omlin,

Spring Athletes Honored at Awards Dinner

With several athletes still competing in sectional and NorCal sports, the official seasons ended for baseball, track, swimming, tennis and golf with the annual dinner provided by the La Salle Club with the services of the parents of the PSO on May 10.

Coaches named their most valuable, most inspirational and most improved players and each received appropriate trophies.

The Frosh Baseball team with Coach Mike Costello earned first place in the league while Coach Steve Crutcher's Soph baseball nine came in second. Coach Ron Limeberger noted that the varsity was 4th in Metro League.

Coach Keith Munday had high praise for his swimming team which earned several first places in races but without any divers, did not earn the points to win matches. The golf squad had its usually successful season to the delight of their new coach this year, Mr. Denis Hagerty.

Regents' Efforts Bring To Reality New Guidance Center

Irv Rios and Norman Montgomery of the Board of Regents have spearheaded a determined effort to satisfy a need for a Guidance/Counseling Center for the school. Mr. Pat O'Brien and his staff have presented the Regents a case statement for having facilities to meet students away from the administration office and to have a room for a Career Center aside from one that is used for classes during the day. Brother Richard also presented the need for more office space with the expansion of computer operations for accounting and registration.

Mr. Montgomery was instrumental in obtaining a building that was available at Re-Ed West Center for children on Fair Oaks Blvd. With this school closing, and the property sold to new owners, he was able to have the building donated by the new owner, Mr. Larry Afzal of Afzal and Devereaux Ventures. The building is estimated to be worth \$125,000.

With the professional architectural assistance of Regent Ron Carissimi, a figure of \$50,000 was established as the cost of moving and installing the building on the campus at Sacramento Blvd. Mr. Rios appealed to the Arata Brothers Trust for funds and received \$29,666.00 for specific expenses estimated in the project. With donated services of Montgomery Movers and other services, the Regents advised Brother Richard to move ahead on acquiring the building.

It is expected that the new Guidance Center will be located near Ambrose Hall on the North end of the campus and will be ready for use when school resumes in September.

The Arata Brothers Trust have been donors to other projects at CB, through the intermediary of former Regent, Betty Downey. Funds were provided for renovations in the cafeteria, improvements in security and major repairs and upkeep of buildings and grounds. The Trust was set up in the wills of Andrew, Frank and Charles Arata, local grocers. Christian Brothers at 21st and Broadway with their boarding department were steady customers of the Arata Brothers at their Oak Park store.

I know that you are not going to believe this, but after all the years of writing this column I finally goofed — so I retract. The correct story is: **JIM FRAYNE '53** is still the Executive Secretary of the Trial Lawyers Association. This is it for now and I hope you have a most enjoyable summer but be sure to keep in touch.

Bishop Quinn & Msgr. Church Visit Campus

Founder's Day, May 15, was the occasion for Bishop Francis Quinn to celebrate the Liturgy in honor of St. John Baptist de la Salle with Monsignor James Church, a graduate of the Class of 1950. Msgr. Church was also the homilist.

During the Mass, the students presented Bishop Quinn with a check of \$800, representing the Lenten donations from the homerooms. The bishop expressed his gratitude and his assurance that the money would be used to help those not in need of food, clothing and lodging.

Friends of the family have established a fund for these expenses and the students at CB have contributed with a Pizza Feed at the Straw Hat Pizza on Florin Rd., a special performance of "The Odd Couple" and a \$200 donation from the Junior class.
