Hello Irish Social Celebrants,

The La Salle Club welcomes you to 2017 Irish Social. The celebration of Irish culture started in 1950 when The La Salle Club hosted their first Corned Beef Feed with Irish entertainment on the Christian Brothers campus.

This year's event co-chaired by Joe McNamara '83, has evolved from an overflowing backyard celebration to returning to the much larger Christian Brothers venue capable of facilitating the fun, excitement and tradition that the McNamara family has long been a part of at the Christian Brothers school and with The La Salle Club. This event was made possible by the generous support provided by the Church family along with Rick '74 and Pat Gormley '07.

Our entertainment this afternoon will include Christian Brothers graduate Mark Wellendorf, '83 and the Rattlin' Boys with special appearances by Frank McNamara '51, the McKeever School of Irish Dance, Sacramento Fire Pipes and Drums along with Soprano Carrie Hennessey.

The La Salle Club of Christian Brothers was established in 1939 to raise money to benefit Christian Brothers Athletic Programs. The La Salle Club has raised over \$1mm for athletics on campus since its inception and annually supports a Membership Drive, Family and Friends Golf Tournament, the Sacramento Baseball and Coaches Hall-of-Fames. Please see a La Salle Club Board Member if you are interested in joining The La Salle Club.

We hope that you have a fantastic afternoon celebrating the great traditions of Christian Brothers, The La Salle Club, and Ireland. All funds raised today will support Christian Brothers and its Athletic Programs.

Sincerely,

Kirk Murphy '77
La Salle Club President
