CBS Celebrities Announced In Annual GAEL Student Poll

BY DICK KIRK

Once a year the swallows return to Capistrano and the Irish march up New York's Fifth Avenue. So it is only fitting that the GAEL, sometimes accused of being an Irish papers for the birds, should do something momentous. Again the GAEL brings you indispensable yearly statistics on who's who at CBS.

Some of the votes were close, others walkaways, but the man who received the most nearly unanimous vote of his class was Jim Long of 119 for most popular. Long upon reception of an imaginary trophy, generously given away by the GAEL, commented, "Happy to be of service."

George Thomas edged Dave Higgins out for the peoples' choice in 219 by a single vote. George's reaction . . . "Anyone with two ballots could've done it."

Coming now to the enlightened beings of our dark halls we find

Joe Genshlea emerging from under his books as best student in 109.

Gary Lemmon combed his hair, and posed for a profile as most handsome of 113. Bob "easy on the eyes" Dwyer took the field in 110.

In the muscle man division we see Dan Sanchez of 223 and Don Terra of 123 receiving their classes' vote as most athletic.

Now for ladies man, these are the dashing young men who daily privilege us with their presence at Brothers.

Spring Sports Bring A Surge Of New Faces

Basketball has bowed out. With the close of winter have come the spring sports and from the protection of the gym, the Gael now steps out onto the field and into the fresh air. With the stinging cold gone and sunny warmth returning, the CBS campus has seen a surge of activity as a hundred or so kids compete for berths on

the track, tennis, baseball, and golf teams. Boxing and Wrestling are also underway.

Under respective coaches (Baseball: varsity—Bob Rodness; JV — Bob Steen; Freshman — Brother Brian; Track—Regis Hurley; Tennis and Golf—Brother Terence; Boxing and Wrestling—Ray Clemons) the teams are getting into shape for their games, meets and matches in the near future.
