# Gael Gossip Reviews '53

BY RICHARD NEWFIELD—Sports Editor

Another year of sports has now passed at CBS. New names have been inscribed in CB's Hall of Fame, others have been reinscribed. We now take a quick glance at sports and at those names which gave sports the high standard that it has at CBS for the year '52-53.

The Gael Football squad, coached by Ray Clemons, won 3 out of 8 games with Danny Sanchez making the most points for the team. Thomas, Ferry, Jesmer, and Hansen were selected for the All-City team. Pat Bobo received the Home-Coming Day trophy, being the outstanding player of the day. Gomez Delgado showed tremendous improvement as a quarterback; and, in the opinion of the editor, Chatfield was the team's most valuable player. Chatfield did commendably as quarterback. The Coaches Trophy was presented to Don Hawke.

The B team came out with 2 wins, 2 losses, and 1 tie. Bob Balassi, the team's high-point man, emerged as the most valuable player.

Junior class 223 won the Interclass Football Championship.

The Varsity Basketball team, coached by Regis Hurley, disembogued with 13 wins and 8 losses. Limeberger, Kirrene, Colbert, Latino, Higgins, Henderson, and Terra received blocks. Colbert received the Best Player award for a certain game; Kirrene, chosen the most valuable player, was high-point man with 226 points (fourth high in the city).

The B team finished the season with 2 wins to 18 losses. Deserving of being mentioned are Bob Balassi, single game high-point man with 27 points, and Larry Lynch, the high-point man of the season with 112 total points, who was chosen as the team's most valuable player, and elected co-captain with Dick Separovich.

Junior Class 223 took the Interclass Basketball Championship.

In the art of self-defense, Dave Jesmer defeated Bob Ferry in the main event of the boxing show at CBS. Other celebrated boxers were Lane, Hoshal, and Kelly. Pat Bobo received the trophy for the most notable boxer.

Damlani was the tennis team's best player, while Pat Ford was the golf's best player.

The track team did well considering this is only its second year at CB. Under the coaching of Regis Hurley, John Lewis and Ed Berry in the A, Don Terra in the B, and Carlo Giordano in the C division came forth as the most valuable cindermen.

The Freshman Baseball team ended the season with 4 wins to 5 losses. Beeson was selected most valuable with Hanley, Bob Berry, and Terry Mulligan right behind him.

The JV team closed the season with 5 wins to 3 defeats. Jerry Williams came out as the best playmaker and as the most valuable player. Ron Fernandes and Bob Estacio, pitcher, also played very well.

Ed Berry has been selected by the Editor as the most valuable Varsity Baseball player.

Congratulations to Jerry Kirrene on being chosen Athlete of the Year.

The Gael Sports Editor wishes to express congratulations to all the athletes who represented CBS during the past two semesters, and to them I say, "A job well done." And I give this GAEL salute, Good Luck!

Next year we look forward to a great football team, so let's support them from the very beginning.

Prediction: Larry Lynch will be on the All-City Baseball Team.
