

THE ALUMNI SERVICE AWARD FOR 2002

The Alumni Board is pleased to honor Sal "Chado" Vasquez, Class of 1952, with the 2002 Alumni Service Award. Chado has been a longtime and consistent contributor of time and talent to Christian Brothers High School.

He has devoted his time to various committees and boards and has coordinated and participated in numerous Christian Brothers events. Chado served on the Board of Regents from 1979 to 1981. He also served on the Alumni Association Board of Directors for five years. Chado has been a contributor at the Ambassador level since 1996, and he has served on various committees such as Night at the Races, Spirit Auction, Class Reunions, and the La Salle Club. He is currently president of the La Salle Club and has held this position since 1998. He has also participated in Career Day.

Chado is especially proud of the current accomplishments of the La Salle Club. Since the resurrection of the La Salle Club in 1995 by former Christian Brothers High School football coach Ray Clemons, the club has renovated the baseball diamond, which includes two new dugouts. The Club has donated two new basketball scoreboards, a state-of-the-art scoring table, up-to-date weight-lifting equipment and a new portable scoreboard for softball, baseball, soccer and football. These improvements were made from the proceeds of Coaches Night, La Salle Hall of Fame Baseball Night, and membership fees.

We extend our congratulations and thanks for his unselfish commitment to Christian Brothers High School. ♦
