Brothers Boys Enjoy Dance At Saint Joseph's

Initiating a new series of interchange social activities with Saint Joseph's Academy, a dance was held on October 22 at Saint Joseph's Auditorium under the auspices of the Saint Joseph's Guild.

Featuring many of the hit bands of today giving their own famous arrangements of popular tunes, as presented by records donated by the girls, the dance was a great success. Novelty dances, a grand march and a broom dance added variety to the evening.

Brother College High School will hold a return dance sometime before the Christmas holidays to which Saint Joseph's girls will be extended a cordial invitation.
