Crowding the entire gymnasium, hallways, and Brothers residence with an enthusiastic crowd, the Annual Turkey Whist Raffle and Cary Party was definitely termed **SUCCESSFUL**.

Chief among those who aided to make the affair worthwhile were Frank Danko and Stanley Dupzyk who each sold 29 books of tickets and will receive two passes to the St. Mary's-Santa Clara football game. Twenty-five other boys won tickets to the game for selling 10 books of tickets. These were awarded at a general assembly by the principal, Brother Cyril.

The seventh and eighth grades led the entire school in sales, 20% Charles Armstrong led followed by Don Logan, Alfred and Kieran Beck, J. Gibbs, W. Murray, F. Zillaf, D. Corcoran, D. Besso, and T. McCarthy.

MINSTREL SHOW

Exciting rumors circulated the school last week, rumors of the most stupendous production in the history of Sacramento, about the Christian Brothers Minstrel Show! The Student Council, at its last meeting, selected a committee of three, Avie Silva, Jim Coyle, and Allen Cunningham to sign up the members of the Student Body desiring to participate in the "show of shows." The reception was tremendous, and nearly one hundred spirited students offered their talents. Those trying out for lead men and soloists will give their acts before Brother Cyril this week. Many will have to be eliminated. The director will choose by ambition instead of ability.

The many new ideas presented by Brother Cyril will add much amusement and entertainment to the audience.

Youth Forum Sponsored By St. Joseph's-Brothers

Brothers Quarters Ravaged By Fire

Rapidly spreading flames, which ignited from a kitchen stove while the 80 boarders of the school were eating dinner, caused an estimated \$15,000 damage to the school last Thursday night, no one was injured.

Flames caught onto a flue leading to the roof and spread throughout the attic, just above the Brothers quarters, forcing the firemen to fight the flames from the roofs.

Cracks appeared in the walls and ceilings of the cement buildings as water seeped through. Eight rooms and the chapel were damaged extensively.

Eight fire companies answered two alarms as the fire threatened to get out of control. A crowd of several hundred students and spectators blocked traffic which had to be diverted along Broadway to Franklin Boulevard.

John Giannoni Has Successful Season

John Giannoni has finished his first year as head football coach and has finished with an enviable record. Losing but two games and those two due to lack of reserves. Coming from Saint Mary's College with a great football record made

to make this number four for homecoming day just what the doctor ordered?

Mixing the smoker, football game, dance, and banquet into one bowl, the alumni and students of Christian Brothers School found the October week-end and November beginning one of the finest romancing memoirs for quite some decade.

At the banquet, Brother Justin, formerly of Christian Brothers spoke, followed by Brother Lambert, present athletic moderator, Coach Al Collins and John Giannoni addressed the group. Brother
