Campus To Echo With Shouts Of Alumni Celebrating Second Annual Homecoming Festival, November 2

Dr. Leo Farrell Heads Large Committee For Annual Alumni Events

Packed with entertainment, the Second Annual Homecoming Day, honoring the Alumni of the Christian Brothers High School, will be held on the campus, Sunday, November 2. The attraction of the day will be the football game between Saint Mary's of Berkeley and Christian Brothers. A football banquet for the players will follow the contest. Those attending the all day festival may enjoy a football dance in the evening from eight until twelve with Johnny Fugundes and his orchestra supplying those "make you want to dance" rhythms.

Last year's attendance of over 1000 alumni and their friends is expected to be far overshadowed by this year's crowd. The football game too, should be an exciting contest, with the Brother's team seeking revenge for last year's 6 to 0 defeat by Saint Mary's. Lastly the electrifying music of this

Boys Welcomed By Brother Cyril

To the Student Body:

Welcome back for another year with the Christian Brothers. May your task be one pleasant and happy and may you profit spiritually, mentally, and physically during your stay upon this campus.

It is your duty to have the courage of your convictions amidst the complexities presented to you during this present social unrest. Your country needs men of faith and confidence in God, men of character to face decisions with courage and conviction, men who will place the spiritual above the material.

Christian Brothers School is largely where these qualities of mind and soul are formed and acquired. Here you are given an opportunity to train the mind, develop the character and increase your faith. If you are loyal sons of the Christian Brothers School as well as good citizens of the United States, you will develop yourself to the best of your ability during this coming school year.

BROTHER CYRIL.
