Spring 1987

A Publication for Alumni and Friends of Christian Brothers High School

### Class of '87 Set for May 23 Departure

Christian Brothers High School will say good-bye to 146 members of the Class of 1987 at commencement exercises scheduled for Saturday, May 23 at 5:00 p.m. in the Sacramento Community Theater.

Brother Richard Camara, F.S.C., Principal, will confer diplomas on the graduates following his address to the assemblage. Admission is by ticket only.

On May 22 at 9:00 a.m. the graduating class will gather for the annual Baccalaureate Liturgy and Senior Awards Ceremony in the school gymnasium. This is the student body's final gathering with the seniors and, along with parents, friends, and faculty, their opportunity to recognize the seniors for their accomplishments.

Immediately following the Baccalaureate Liturgy, the seniors and their parents will meet for the farewell luncheon at the Holiday Inn Holidome at Madison Avenue and I-80. Remarks by the seniors concerning their experiences at CBS will highlight this event.

### '84 Grad Elected SMC Student President

Richard Martin, '84, has recently been elected President of the Associated Students of St. Mary's College for the 1987-88 school year.

Martin, a junior, is the son of Robert and Nancy Martin of Elk Grove and brother of Brian, '87.

"Rich has been an outstanding young man in his years at St. Mary's and is a marvelous example of a well educated and formed Christian gentleman," said Father Patrick LaBelle, O.P., Associate Dean for Campus Life at St. Mary's College.

### CB 200 DRIVES FOR 1500

An intensive drive to reach a goal of 1500 members by its meeting on May 3 at Christian Brothers is underway by this year's CB 200 Club.

Membership co-chairs Jim Mulhern and Chet Waterbury are spearheading the efforts to secure the 1500 memberships at \$200 per couple or \$100 per person. Every member receives an opportunity to win the first prize of a 1987 Mercedes 300E and the second prize of a 1987 Pontiac Fiero. Three prizes of \$1000 each will also be awarded.

Mulhern and Waterbury have put together teams of alumni who are contacting members of their respective classes as well as friends, alumni parents, businesses, and parents. As the event, which will be of the cocktail party format of the past, draws near, Mulhern and Waterbury expect the goal of 1500 members to be realized.

The proceeds from the event will go towards making up the difference between the actual

cost of educating each student and the tuition charged. This year's differential, or "gap," is \$964 per student.

This year's CB 200 Executive Committee includes John Johnston, President; Dean Park, Executive Vice President; Pam Grady, Secretary; Bob and Nancy Martin and Gomez Delgado, Event Coordinators; Robert Forster, Treasurer; Leonard Kreizenbeck, Jim Mulhern, and Chet Waterbury, Membership; Brother Bede Van Duren, F.S.C., Moderator; and Jean Lahey, Development Office Advisor.

A membership request card is included on page three of this issue. If you have not been contacted by the membership committee and have not received a request card, you are encouraged to clip the facsimile and return it to the Development Office with your donation.

For further information about tickets and the proceedings, contact Jean Lahey in the Development Office, 452-0482.

Mrs. Francine Dill, daughter of Mr. John Jackson, Sr., receives congratulations from John Johnston (left), CB 200 Club President, and Brother Richard Camara, Principal, after winning the grand prize at last year's meeting. Mrs. Dill acted as Mr. Jackson's proxy for the event.

# ALUMNI NEWS

by  
**Jack  
Stassi  
'40**

Before we get into the alumni news I would like to make a very important clarification on our last issue. There was a picture of yours truly jumping with joy at the Club 200 drawing. Many have called to congratulate me on my good fortune (winning the Cadillac). The truth is, I never won the Cadillac or the \$1,000. All I ended up with was gas in the stomach. Now let's see what the gang is doing. . . . Congrats are in order for **JACK KIPP '36**, on his being elected to his old job as Mayor of Folsom. . . . and to **PAUL REESE '35**, for being named by California Track & Running news as an All-American and California Athlete of the Year in his division (65 to 69). . . . Nice to have **JOHN McNAMARA '50**, of the Red Sox back in town for a short visit to honor his brother **JIMMY McNAMARA '47**, on his recent retirement. Jimmy will certainly be missed by his many friends around the Court House. . . . And his honor the unofficial Mayor of West Sacramento **DINO DELTRAMI '36** is planning some big things for his property along the river. . . . **GARY ZILAFF '69**, is taking a two month sabbatical from his law practice to see the Americas Cup in Australia with a couple of side trips to the Figi's and Bora Bora. . . . Got a note from **BOB FUEL '59**, owner and operator of the world famous Honey Dew General Store. He informs me that this has been the best year for steelhead fishing in the past 10 years. He also reports that his buddy, **JACK DORR '59**, worked on the Space Shuttle in Florida and after the accident has returned to Sunnyvale to work for Lockheed as a satellite engineer. . . . **RICHARD DESMOND '41**, is real proud of his son John who has joined the Jesuit Order and is a Novitiate at Santa Barbara. . . . **FRANK MARGETICH '41**, the ex tile king, is now in the money business with Margetich Mortgage Company. . . . **MICHAEL STINSON '59**, is an electrician supervisor with the Department of Corrections, and son **MICHAEL '82**, just graduated from St. Mary's and is a sales representative for a brass and copper company in the Bay Area. . . . **BOB BLACK '76**, is in the process of moving to Wisconsin. . . . **EDWARD O'CONNELL '44**, just retired from his job of 38 years as an electrical engineer with the U.S. Government. . . . Old friend, **WALT DeFARIA** has just formed a new joint venture, DeFaria/Lockhart Entertainment to continue in the field of television and motion picture production and will concentrate on projects that he has written in the past years. Hey Walt, remember how great I was in Brother Norbert's plays? If you need me, have tux and will travel. . . . **JOSEPH STRAHL '66**, after graduating from Univer-

sity of Maryland, has traveled around the country quite a bit, but is taking roots in Oregon. Joe is Public Works Director of Jackson County, Oregon and claims he has a beautiful view of Mt. Shasta. Can't beat that. . . . Another Oregonian, **PAT HENRETTEY '57**, is a real estate agent in Ashland, Oregon, home of the famous Shakespearean Theatre. . . . **BILL KEENAN '57**, is a Physician/Professor of Pediatrics at St. Louis University. Bill is also the Director of Neonatal Intensive Care at Cardinal Glennon Children's Hospital and St. Mary's Health Center in St. Louis. . . . **PETER IVANOVICH '75**, is the chef at the New San Juan Hotel in San Juan, Puerto Rico, which is located near the airport in S.J. . . . **RICHARD GERMOLES '48**, is a retired teacher from the San Juan School District, and loves to travel, and is keeping busy teaching part time at Sacred Heart School. . . . **DAVID MELLO '65**, is Assistant Vice President/Operation Manager at Hibernia Bank in Redding. . . . **MATHEW ENJALRAN '80**, is in his second year with the Peace Corps teaching Physics in Zaire, Africa and brother **CHRISTOPHER '84**, has just completed a two year Nuclear Training Program with the U.S. Navy. Chris is stationed in Schenectady, N.Y. . . . **HECTOR FALERO '81**, is a Legislative Clerk, State of California Legislative Counsel Bureau. . . . **JIM BISSITT**, a former Brother/Teacher at CBS (75 to 79 and 81 to 83) informs me that **BILL HOLLAND '75** will be ordained as a deacon for the Diocese of Sacramento, and **MARK NIMETY '77** will be ordained in Rome in May '87. . . . **SCOTT McMAHAN '75**, is with Cal Central Press and so is brother **MARC '78**. Scott also owns the Rag Doll II beer and wine bar at Fulton and Marconi. . . . And just a little update on my fellow columnist **STAN GILLIAMS' '41** family. Son **TONY '69** is a mine electrician in Chalis, Idaho, proving the value of a degree in Biology (Stan's words, not mine). **STUART '76** is practicing law in Walnut Creek. Stan will be off to see his daughter Ann in Wyoming, but get this, he is going to fly to Denver and drive to Laramie. Sure hope he has paid his insurance. . . . And speaking of insurance, I am really proud to announce that **JOHN STASSI '80**, was named Young Agent of the Year for Sacramento and will go to Palm

Springs to compete for the California Young Agent of the Year Award. A real chip off the old block, and he can read and write too. . . . Congrats to **BILLY RICO '42** on his election to the presidency of the Over the Hill Gang. And speaking of the "gang," this is probably the most successful new group to hit the streets of Sacramento. They ought to be with such great leaders as **GENE SULLIVAN '34**, **GEORGE CULJIS '34**, **FRANK NUGENT '34**, and a great CB backer, Big **JOHN RAKELA**. At their last meeting held at the Golden Tee they honored one of CB's great basketball and baseball coaches, **BUD HANNA**. Bud recently retired from the insurance business in Chico and for many years was broadcaster of the Chico State basketball games. . . . **ANDREW SALONTAI '68** and wife Lisa have recently returned to Sacramento and both are working at Mercy Hospital, Sacramento. . . . Got to really congratulate **RON LIMEBERGER '53**, our Athletic Director, and his coaches on their many achievements. There are not too many high schools in the country that can boast of the following: First year football coach Dan Hawkins not only beat Cordova but got us into the Sectional Finals. Father Mike Carroll as usual got the soccer team in the Sectional Playoffs, Coach Jon Kaempfer won the Metro League Track Championship, Coach Joe Lukawski's golf team won the Metro Championship, Coach Mike Trainor and Jeff Warner's wrestling team were co-champions of the league. We also won the Metro League swimming title, and brother that ain't bad when you don't have your own swimming pool. Last but not least, in the sport that over the past few years where we have been rather weak, basketball, Coach Ron McKenna has his basketballers really improving and their time is coming. So once again, to the many fine athletes, and their great coaches, we, the Alumni salute you. I think we can all be proud of our athletic and academic heritage. That's it for now but keep the letters and phone calls coming.

# ARMSTRONG GIRLS WING

Hello Ladies,

Well, I can't believe that Spring is upon us and Easter is just around the corner. I want to wish all of you a very happy and blessed holiday. May the Good Lord bestow good health and happiness to you and your loved ones.

You are doing a little better in corresponding since the last issue. I received two letters and a phone call. Needless to say I can't write much of a column with only that!

Also, I understand your friend and mine, my dear fellow countryman, (Jack Stassi) received numerous responses from the Alumni census. I didn't. Grab the one on the back of this copy and jot down a few lines about yourself and send it

on. I can't begin to explain how great it feels to read your letters!

Now, on to Alumni news: **JULIE JOYER KIRKWOOD '64** sent me a note explaining a statement she attached in regards to her sister.

I was very happy to hear about your sister, Julie, although I would like to know more about you.

Julie's sister, Sharon, who graduated from St. Francis in 1965, is now Sister Sharon Joyer. She received from the Martin Luther King, Jr. Holiday Commission the "Living the Dream" award. This was for the category of peace and received the honor on Martin Luther King's Birthday. Her sister remarked how proud she was of her and I would say I would be also.

Sister Sharon has been a sister of Notre Dame for 21 years. She has been living in West Virginia and working as a teacher at Big Laurel School.

Anyone who vacations in Kailua, Hawaii should look up **MAUREN KRAMER McKEAGUE, '61**. She and her husband, mother-in-law and six children have been living there for about fifteen years.

Maureen and her husband are in the cleaning business. They attribute all successes of their family and business to the Lord. Thank you Maureen for sharing in such a warm way.

If you are on freeway 80 and are going by Wonder Bread and smell that wonderful aroma of freshly baked bread stop off for a tour. While you are there look up **SHARON CLARKE, '61**, who has been working there for the past 23 years as a Payroll Control Clerk.

Sharon's sister, **CAROL CLARK DEPP, '59**, lives in Williamsport, Pennsylvania with her husband and four children. She is a registered nurse but enjoys her role as domestic engineer.

**STELLA SAMANIEGO MAYNARD, '61**, works for D.M.V. She has two children and lives in the south area.

If you have any complaints about TV programs contact **VICKI FOX '61**. She is Traffic Manager for KCRA TV and has worked there for eighteen years.

Well, ladies, I will close for now but I want to ask once again to keep the cards, letters, phone calls, telegrams, pigeons, whatever coming! Please respond to:

# CHUCK SYLVA: A MAN OF CONVICTION

What does a 39-year old man do when he walks away from his position as a managing partner in one of the most successful real estate brokerage firms in Sacramento?

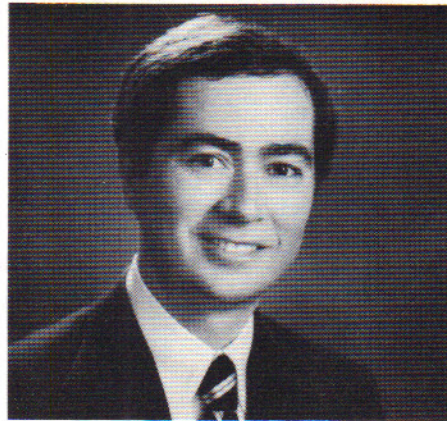

For at least one Christian Brothers High School graduate, going to work in service to the poor and needy is the answer.

Chuck Sylva, '65, formerly of Sylva-Kirk and Co., sold his 27.5 percent interest in the company to partner Mike Kirk and joined the Immaculate Conception Community Services advisory board January 1.

ICC Services currently administers emergency food lockers and soup kitchens in the Oak Park and Del Paso Heights areas, a food locker in the Meadowview area, a senior citizens housing project situated in the old I.C. Convent, and I.C. Elementary School. A fourth food locker is planned for opening in April at St. John Vianni in Rancho Cordova.

"I enjoyed what I was doing in the real estate business," said Sylva. "I was working with a great group of guys and things were going well. I just believe that you should share the things that you have and it was time for me to do that."

A quiet, reserved man who is deeply respected by the business community for his integrity, Sylva is not given to bravado nor is he looking for acclamation and personal recognition.

Charles Sylva, '65

"What I am doing is not for everyone," Sylva said. "Everyone responds to situations as best they can. I feel a need to help."

Sylva's timing and commitment was influenced by a number of factors.

"I've been pretty fortunate in my life," said Sylva. "I'm a product of a good family. My parents are very concerned people and they taught me a lot about an appreciation for life."

In addition to his mom, who works in the

cafeteria at I.C., and his dad, who has served on the school board for the Diocese of Sacramento for 17 years, Sylva has also felt the impression made by people such as Sister Kathleen Horgan, S.M., Principal of Our Lady of Fatima Elementary School in North Sacramento, Father Dan Madigan, Pastor at I.C., and John Healy, Principal at I.C.

"If you look at all of these people," Sylva said, "you see there is a common thread that can't help but affect you. You see the compassion, the giving, the commitment to service to the poor, the different ministries, the simple lifestyle. You want to respond."

Sylva's response has been to join with Madigan and Healy in providing support for I.C.C. Services through administration, public relations, and fundraising for the various programs. Of those areas, it is the school, where 50 percent of the students come from single parent families and 50 percent are unable to pay tuition, that gives Sylva deep satisfaction.

"The school is most meaningful because it teaches kids to get along with each other. Unconditional love is needed in our lives."

For the next year, Chuck Sylva will give himself unconditionally to I.C.C. Services. It was not a casual or easy decision at which to arrive.

"The tough part was overcoming the fear to leave work and go into the unknown," said Sylva. "There's a certain fear of what's going to happen next. I might come back or I might not. You have skills you can fall back on but to break securities and walk away is a scary thing. I just decided I should go ahead and forget the consequences."

For this man of conviction, such consequences will probably be generous to himself and to those lives he touches.

# Alumni Appeal "Called" Success

A successful phone-a-thon, held February 23-26, culminated the Annual Alumni Appeal for 1986-87 and resulted in nearly \$30,000 in pledged gifts from Christian Brothers High School alumni.

The phone-a-thon was a follow-up to the appeal letter that Brother Richard Camara, F.S.C., Principal, sent to all alumni in late December, kicking off "Campaign for Excellence." This slogan was selected to highlight the school's 111-year tradition of providing quality Catholic education for young men of various racial, religious, and

economic backgrounds.

Held at the KVIE Channel 6 studios, the phone-a-thon produced 462 donors who committed themselves to gifts totaling \$29,405, an average of \$63.65 per gift. Thus far, \$15,125 has been returned on these pledges, increasing this year's Annual Fund total to \$56,754.

Thirty-one CBS students participated in the phone-a-thon with Chuck Brodie, '87, the top producer with pledges totaling \$2,635. He was followed closely by Steve Eliason, '87, with \$2,125 and Jay Renneisen,

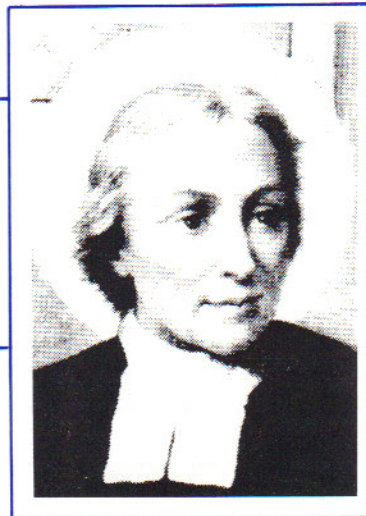

'87, at \$1,900.

"I would like to thank all of those alumni who responded to this year's appeal," said Brother Richard. "Their assistance is very important in our efforts to maintain the superb quality of a CBS education."

Those alumni who have not sent in their pledge yet, whether it was a specified or unspecified gift, are encouraged to do so as soon as possible. The fund drive ends June 30.

## We Aren't Always Right...

Delivering a clean, representative publication is never an easy task. Our goal is always to develop a well-written, attractive magazine that appeals to our reader's interest in the progress of Christian Brothers High School. Many hours are spent in writing the stories and headlines, putting the layout together, and finally, proofreading the product before the presses run. While we always seek to ensure the accuracy of the information we publish as well as to eliminate any typographical errors that occur, our efforts are sometimes unsuccessful. To those individuals who are part of the CBS Family and who become a casualty of our human error, we apologize and we want to set the record straight. Please write or call our office and let us know if this happens and we'll get it right in the next issue.

In the Winter, 1987 issue it was reported that Richard Carlson was a member of the class of 1944. This appeared in the "Alumni News" column on page 2. Dick was a member of the Class of 1947.

John E. Stephens, Class of 1934, was omitted from our list of 1985-86 Alumni Annual Fund contributors.
