Alumni Association News *CBA on the Move*

By
Rick Cabral, '70
President, CBA

Members of the Board of Directors of the Christian Brothers Alumni Association this year have accelerated to a fast and furious pace. But their efforts are beginning to pay dividends!

A year ago the group sponsored five social events. Now it has expanded to include a number of new, major fund raising activities.

One exciting new venture you'll soon be seeing is a collectible poster featuring the Christian Brothers High School edifice on 21st and Broadway. Spearheading this campaign is Doug Carson '65 on behalf of the CBA Board. Details are yet to be worked out, and more information will be forthcoming over the next months. The results are in from our first fund raiser — the Alumni

Appeal and Phonathon — and the good news has made all of the hard work very gratifying. With your support, we were able to meet our goal of \$60,000 in pledges and gifts. Congratulations to all who helped on this annual activity, especially the organizers from the Board: Lon Burford '73, Pete Carmazzi '72, Dennis Smith '73, Nick Parino '75, and Kevin Matheny '72.

Other new events and activities aimed at uniting and strengthening the Association are in the planning stages.

Our goal is to continually find ways to actively support Christian Brothers High, while making it enjoyable and meaningful for all of the alumni. We welcome your comments and suggestions, especially as we look forward to planning for the 1988-89 school year.

Christina Sanchez Fund Raiser

Last June, Christina Sanchez was in an automobile accident in which she lost her right leg. Her health insurance fell far short of meeting her many medical expenses. Her father, James Sanchez '64 is organizing a fund raiser to help her bear some of the expense. April 15th is the day of the fund raiser. Any individuals or businesses who wish to sponsor a table at this event (\$100.00) may send checks payable to the Verhoeven Memorial Widows and Orphans Fund, with a notation "Proceeds to Christina Sanchez", to Verhoeven Memorial Fund, P.O. Box 160923, Sacramento, CA 95816. This is a charitable trust organization, affiliated with the Sacramento County Sheriff's Department.

Alumni News

Fellow Alums, we have some real good and positive news for you concerning the **Connection**. As you know the paper in the past year has not reached you on a regular basis. Through the good offices of the incoming President of the Board of Regents, Ron Carisimi and the Regent in charge of Public Relations, Laura Yanes, we have a commitment from the Board of Regents to fund the **Connection**. We will get back to our old schedule of putting out four issues a year as in the past, and we of the editorial staff will make every effort to continue the fine tradition of past editions of the **Connection**. Now let's see what the alums are doing . . .

The Lasalle Club had its usual successful Hall of Fame dinner this year. They inducted some old CBers, like retired insurance executive and former baseball and basketball coach for CB, **Henry "Bud" Hanna**. Also inducted were a couple of old pals of mine, **Ernie Bertolotti '41** and **Sunny Valine '42**, along with great CB booster **Bert Bonomi**. This event would certainly not be

the success it is today without the help of the **Kirrines'**, **Joe, Sr.** and son **Jerry Kirrine '53**. Keep up the great work . . . A new little blessed event has arrived at the **Alfred Franzoia, Jr. '70** house. **Tom Ceccarelli '73**, living in the thriving metropolis of Hood, California and working in Sacramento, is selling real estate for TRI. **Al Anacich '49**, recently retired as a division manager for IBM, but is still keeping busy doing consultant work. Al really looks like a million, and I'm sure he could still go over to old Moring Field and knock out a few triples . . . Got a nice letter from **Benedictine Boniface Lazzeri '59**, who recently completed three years of theological studies at the Universidad Pontificia Camilles in Madrid. He is now an assistant professor of Spanish at St. Martins College in Lacey, Washington, and is now serving on St. Martins Board of Regents. **William "Bill" Frark '86**, recently finished his basic training with the USAF, and is now serving as a carpentry specialist stationed at Osan AFB in Korea. Bill is attached to the Red Horse Squadron . . . **Bob Lammerding '48**, writes that he has retired as an official with Greyhound, but was given strict instructions from his wife to get another job. So,

Bob is now with the Transportation Services Dept. at U.C. Berkeley. Need some carrots or cabbage, contact **Mike Mulhern '70**, who has just opened his own wholesale produce company, Superior Produce Company. Former CB baseball greats **Billy Rico '42** and **Gene Sullivan '34**, along with footballer **Frank Nugent '34** are the main BOHUNKS of one of Sacramento's fastest growing luncheon club, the Over the Hill Gang. **George Valerio** is really proud of his grandson, CB Senior **Kenny Meyers**, who last year was chosen as a basketball County All-Star, and was chosen to attend Cys tournament in Arizona. Recently read that this year Kenny is again starting, and responsible for 40% of CB's offense . . . We have five of the old gang that passed away, and will surely be missed — **Joe Rooney '25**, ex-athletic director and baseball coach at CB, and former Chief of Police of Sacramento. **Frank Margetich '41**, former money and mortgage broker; **Tim Kennedy '43**, former sales rep and insurance executive; **Ray Valine '61**, twin brother of **Pat Valine '61**. Ray formerly worked for Brownies Blueprint. And finally, **Douglas Bell '43**, who had recently retired as executive secretary of

the Board of Equalization. Doug was with the State for 40 years . . . **Art Senini '43**, is once again back to his first love, the wholesale liquor business in Reno, and is with Southern Win and Spirits Company. Art owned a travel agency in Reno for a short period . . . And speaking of successful Nevadans, **Al Puliz '43** is the biggest mover in the state. He has Puliz Van and Storage, with operations in Reno and Las Vegas. Brother **Mike Puliz '40** is feeling chipper again after a short stint in the hospital. And don't ask Mike about his operation, as he will tie you up for the day — he thinks he's the poor man's Dr. Ben Casey. **Stan Gilliam** had both sons home for his dad's funeral. **Tony Gilliam '69** is a mining electrical engineer living in Chalais, Idaho, and **Stewart Gilliam '76** is practicing law in the bay area. **Tom Frame '70** is a legal eagle, and is corporate counsel for Pacific Enterprises, Inc. . . . Old baseballer **George Radovich '49**, good field, no hit, has been a secondary school teacher at Sutter Jr. High School for almost 30 years. Geroqe doesn't believe in moving around. **Kenneth Brown '76** is a production assistant with Wonder Bread, living in Vallejo. **David Brown '81** is a

deputy sheriff for Contra Costa County, and is living in Vacaville. **Rand Anderson '69** recently moved to San Jose, and is the manager for marketing and planning for Tandem Computers . . . And another smart one is **James Zarzana PHD '68**, who is an assistant professor at Kings College in Wilkes Barris, PA. **Greg Parodi '65** is branch manager for Statewide City Mortgage. **Steve Eliason '87** is attending St. Mary's and hopes to follow a career in T.V. **Chris O'Sullilvan '79** is in sales with Stauffer Foods . . . **Stephen Buzzard '87** is attending USC, and is working as a sports reporter on the campus radio station. **Richard Atchly '74** is the director of marketing for the Cactus Corp. in Tuscon. This is a recreational group that tries to keep businessmen in shape. Rich tells me he hopes to run for the city council in the near future.

Well gang, this is it for now. Be sure and drop a note or give me a call to let me know what's happening out there!

Hello to one and all!
Well I'm back and I want to say, I have really missed writing this column. I know how many of you felt after the last issue, but we are now on the road to getting things back to normal! You will be seeing the "good ol'" paper back in print again. (Isn't it great that we are able to bring back something good!) On to some alumni news . . .

I received a Christmas card from **Lois Falcon Bode '61**. She and her husband are living in Southeast Oregon. They have a small art business, and he designed the Christmas card they sent. They have two children — a son aged 23, and a daughter, aged 22. Thanks for writing Lois, and no I didn't receive any other cards or letters at Christmas except yours. (Hint! Hint!)

Anne Marie Litell Piscotti '53 wrote to say that her sister, Sister Mary Catherine Litell, O.S.F., class of '58 visited the motherhouse in Redwood City from Rome, Italy. Last year was her Silver Jubilee! Their sister Cecilia Litell Nixon also graduated in '60.

All this information was forwarded to me by **Diane Day Slavich '58**. She and her husband have two children. Diane wrote that Jerry Litell '57, died a few years ago assisting a motorist in I-5.

Jo Ann Anglin '59 is working as a public information officer for the California Arts Council. She has two children.

Working for the State of California, Dept. of Insurance, **Rosetta Benedetti Donelli '60** (now that's Italian!) is married and has two children.

Marion Azevedo Porter '58 is a new grandmother. She is an information officer for the Department of Social Services. Marion has four children, all of which are 5th generation Sacramentans!

Marsha King Scott '59 wrote to say that their children surprised she and her husband with a 25th wedding anniversary party. She went on to say, they also went on a cruise to Vancouver. Congratulations to you both — it all sounds wonderful!

Well now hold on to your hats . . . and Jack watch out! I received a letter from a male, **Ron Burkhouse '61**. He said

he wrote to me because he and I graduated together. But as far as I am concerned, any other of you gentlemen out there can write to me also! At the time Ron wrote, he and his wife and three children were living in Germany. Ron was the office chief for the Air Force Audit Agency at Hahn AFB. He would be returning to the United States, but wasn't exactly sure what city. Write and let me know where you settled Ron.

This is all the alumni news I have for now. If you are not on the mailing list for the **Connection**, call the Alumni Office, (916) 452-0482. Then be sure to write me about what's happening with you!

I want to wish all of you a very Happy and Holy Easter.
