CBA Year in Review

by Rick Cabral '70

A new CBA Board of Directors has been selected for 1988-89. The slate includes **Lon Burford '73** President, **Ken Perry '76** President-Elect, **Terry Flynn '70** Treasurer, and **Shirley Vicari '59** Secretary.

Other new board members include **Jim Schenk '60** (the first Alumni Association President), **Doug Demetre '61**, **Bernie Church '62**, **Mike Ryan '66**, **John Slaughter '71**, **Mike White '73**, **Chris Gandy '74**, **Kurt Schirmer '74**, **Pat Carvahlo '76**, **Bill Iliff '76**, **Mike Cook '78**, **Dan Delgado '79**, and **Brother Bertram Coleman, F.S.C.**, former moderator to the Alumni Association.

With the end of the school year, I'd like to recap the achievements of the Alumni Association Board of Directors for 1987-88:

- For the first time the CBA spearheaded the Annual Appeal and Phonathon
- Coordinated another successful Alumni Dinner in the fall
- Sponsored the annual Baseball Bus Trip this past spring
- Coordinated the ninth annual Career Day for students
- Sponsored the first annual Senior Class Luncheon to welcome our new graduates into the Alumni Association
- Strengthened the class representative program
- Started plans for a new wine-tasting social event tentatively slated for next spring
- Co-sponsored the first in a series of commemorative art prints

Out of all these activities, however, the most important may lie

ahead. The **Parish/Area Chapters Program** is designed to more effectively organize our 7,000 plus Christian Brothers alumni through a "geographic" network, instead of by classes.

Many of us associate with our fellow graduates because we live in the same area, or attend the same churches. Therefore, it makes sense to assemble alumni according to their geographic area. As a result, the CBA Board is recruiting "chapter" leaders to actively assist in organizing Christian Brothers and Bishop Armstrong alumni in their parishes or areas.

The need for a more coordinated and active alumni body becomes more urgent every year, as the CBA attempts to provide Christian Brothers High School with greater financial assistance. More than just fund-raising, this new program will assist in recruiting new students, providing fresh manpower for upcoming events, and keeping the CBA better informed about alumni.

If you are interested in becoming a "chapter" leader please contact Ken Perry at 489-7628/395-6255, or the Alumni Association at 452-0482. Your help in starting this new program will be of great benefit to the CBA Board, and the high school administration.

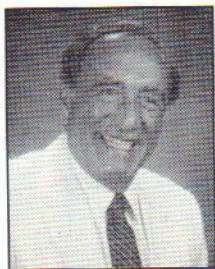

And speaking of the school administration, I'd like to offer my appreciation to Principal Brother Richard Camara, F.S.C. who is the inspirational and dynamic leader of Christian Brothers High School, and Kevin Matheny '72, Vice Principal, Dean of Students and Director of the

Development Office. Both men contribute tremendous energy and guidance to our alma mater, and make it a pleasure to serve the school.

National Endowment Accepts CB Teacher

Christian Brothers High School is pleased to announce that Mr. Thomas A. English, Jr., world history teacher, has been accepted by the National Endowment of the Humanities as a participant in a Summer Seminar for School Teachers entitled "Friendship, Love, and Wisdom: Plato and Aristotle". The program will be directed by Professor Janet E. Smith of the Program of Liberal Studies at the University of Notre Dame in South Bend, Indiana, June 27-July 29, 1988.

The Summer Seminars for School Teachers are offered by the National Endowment for the Humanities in order to provide outstanding teachers and school administrators a unique opportunity for advanced study of significant texts. Participants in the seminars come from public, private, and parochial schools from across the country. They are selected on the basis of their excellence as teachers, academic interests, and by their special professional and personal interests.

Alumni News

By Jack Stassi '40

Now that summer is fast approaching, and everyone is getting ready for their vacations, let's find out what the alums are doing . . . On behalf of the school and all the alums, I would like to give a big thank you to **Chet Waterbury '59**, and his great committee for the really wonderful job they did with this year's Club 200. It just gets better every year!

A couple of retired big-wigs from the State Printing Plant and former classmates, **Alan Cunningham '43** and **Jack Ryan '43**. Jack is getting to be a pretty good golfer, so don't let him snow you about his handicap . . . **Jeff Tisdale '76**, former star quarterback and ex-CB football coach is going back to the University of Nevada, Reno where he made All-American to coach the quarterbacks and running backs. Another ex-footballer, former Regent **John Ceccarelli** is fast recuperating from his surgery. **Tom Downey '80**, is the Assistant Manager of the Ahwahnee Lodge in Yosemite — great place to live Tom! . . . **Jim Keating '55**, is President of Charitable Giving Specialist, which serves the needs of charitable and non-profit organizations with a high priority placed on annual giving and endowment funding programs. And a very big congrats to baseball coach and athletic director **Ron Limeberger '53**, on the success of his Falcon Baseball, Varsity. **Tony Maria '38**, still in the interior decorating business with Scofield's, and Tony looks better than ever! **Lee Taylor '80** is a fireman with the City of Palo Alto, and is living on the Springtown Golf Course in Livermore. (By the way, Lee's mom was a '61 graduate of Bishop Armstrong) . . . There are three alums that we should be especially proud of — **Mark Nimitz '77** is a newly ordained priest. Mark

was with the Oblates of the Virgin Mary before applying to the Sacramento Diocese. He has studied at California State University, Aquinas College Santa Paula, and Anglican College in Rome. He celebrated his first mass at Our Lady of Assumption in Carmichael. **Martin Brusato '76**, son of **Ronald Brusato '56** and grandson of **Lou Brusato '35** was ordained a Transitional Decon at the Cathedral of St. Mary's of the Assumption in San Francisco. Martin will be assigned to a parish in the Sacramento Diocese. **Msgr. Russ Terra '53**, is the Pastor of St. Joseph parish in Redding. Russ also writes a very interesting column in the *Catholic Herald* — great writer, and a great hunter! . . . **Philip Stein '78**, is the Assistant Golf Professional at Rancho Murieta. He informs me that his lovely wife recently presented him with a new little golf professional! **Judge Bill Lally '37**, recently retired from the Superior Court with a real retirement bash at the Hyatt Regency. The Master of Ceremonies for the evening's festivities was Bill's old friend **Judge John Sapanor '36**, who really livened-up the evening. Bill is not one to let any grass grow under his feet. He is back practicing law with his son. I'm sure glad he went back to the law instead of joining a rock band as a saxophone player . . . Also recently retired, my old classmate **John Foley '40**, after 36 years with the public school system. John also enjoys keeping busy, and has accepted an assignment as a professor at Chapman College. **Carlos Falero, Jr. '79** is a computer operator with the California Department of Justice. **Rico Dallosta '77**, is an accountant with the State of California Prison Industry Authority. **Richard Perry '48** retired City of Sacramento Firefighter is busy touring the U. S. and visiting his children. **Dennis Smith '73** is the General Manager of Downtown Plaza Associates. He was recently elected Presi-

dent of the Sacramento Chapter of the Building Owners and Managers Association . . . **John Stassi '80**, was recently installed as President of the Professional Insurance Agents of Sacramento. **Christopher Balanesi '68**, is the Regional Loss Control Manager for Maryland Casualty Insurance Company. Old basketballer **Ray Cordano '39**, has recently opened his own real estate company in the north area, while his old buddy **Archie "Hot Dog" Crossland '39**, recently retired from Bonney & Gordon, is doing his thing in Italy.

Would you believe Archie speaks very fluent Italian — too bad he speaks such bad English! **Ernest Barbeau '53**, is getting ready to retire from the Sacramento County Social Welfare Department, but has already opened his own office specializing in problem solving, and the counseling of individuals, couples and families. He's a real chip off the old block, as Ernie's brother, Clayton Barbeau is one of the country's foremost Catholic lecturers . . . **Big Doug Carson '65** is certainly going to look sporty in his recently won Mustang, compliments of the Club 200. **Steve Brodie '61**, President of Edward Brodie Insurance Brokers, recently moved his office to the Natomas area. **John Lujan '64** is a teacher at Anally High School, and lives with his two lovely daughters, Melanie and Sarah in Sonoma County. **Frances Slakey '81** is in his third year of graduate study at the University of Illinois, and is working on his Ph.D. is Physics and Waste Management. **John Rakela, Jr. '68**, is the Director of National Accounts for Viking Freight Lines, working out of the corporate headquarters in San Jose. John's father, John Rakela, Sr., a great backer of the Brothers, recently had his picture in the paper as one of the founding fathers of the "Over the Hill Gang", but I noted the *Jack* spelled his name wrong — shame, shame! I got a

communicate from the Air Force Academy informing me that **Anthony Angello '85**, who is a sophomore at the Academy, was named to the Superintendent's List for academic and military excellence — boy, we really have some smart ones out there!

Let's all be sure to have a great vacation, and be sure to let me know what's going on out there!

Attention Ambassador Club Members!

Manuel Perry

Regent Manuel Perry, Jr., who is the Regent in charge of the Ambassador Club Membership, would like to

remind 1987 ambassadors along with the prospective new ambassadors to send in your membership fees. Manuel reminds us that the Night at the Races, La Tuna and Club 200 are behind us, and it takes an accumulative donation of \$1,000 to qualify for the gala dinner in October. Manuel guarantees the dinner this year will be the best ever! So be sure to get the balance of your \$1,000 in as soon as possible, because more than ever, the Brothers need your support.

Armstrong Girls??? Wing

by Vienna Cornacchioli Golsong '61

Are you wondering why the question marks after the word girls? I am

proud to announce I will now be writing about all the fellows who graduated from Bishop Armstrong.

I need your help! Please send me some ideas on what the new name for my column should be. I would like to see Bishop and Armstrong in the name, but I really need your input. Along with your suggestions, please include some news about yourself!

On to some male alumni news. Yes, that's what I said—I do not have one lady to report about. Now that is really bad! I just started writing about guys in the last issue, and they are all this issue is about. Come on girls, start calling and writing!

I received a phone call from **Joe Cortez '59**, who is a Vietnam Veteran. He is now retired from the service, and is living here in Sacramento.

Donald Semon '61 wrote to me (actually it was Don who gave me the idea to include the boys in my column), and said that he and his brother **Joe Semon '65**, and sister **Caroline Semon '63** opened a luncheon house called the Pig Galley on Alhambra Blvd. They cater, and it's all home cooking. It sounds very good!

If you are in the area of Ben Lomand, near Santa Cruz, look up **James Sikora '62**. He is the District Director of Business Service for the Santa Clara Office of Education.

Insurance seems to be a big

business these days, right Jack? (These last few fellows I'm telling you about come from my good compadre Jack Stassi.) **Lyle Holmberg '60**, is Vice President and Underwriting Manager for American Hardman Insurance in San Jose. Someone who claims he can still throw a great curve ball is **Tom Zanze '59**, owner of Zanze Insurance Agency. And last, but not least, is my good ol' friend **David Murphy '61**, President of Pickett, Rothholz and Murphy, currently President of the Sacramento Rotary Club. He is also the President of the Independent Insurance Agents and Brokers of Sacramento. Do you have any other titles Dave?

I am very sad to say another classmate of mine has passed on . . . **Leonard Taormina '61**. It was not that long ago that I was talking to Len about our reunion. He will be sadly missed.

It looks as though I am writing only about my classmates, however it just seemed to work out that the majority of information this time was from the Class of '61. That can be remedied by your sitting down and writing to me!

Well ladies and gentlemen, this is my column for this issue. Until Fall of '88, I will be anxiously awaiting suggestions for the new name of my column, and alumni news.

Have a safe, relaxing (with kids home from school, right ladies?), and happy summer.

A Nostalgic Look Back . . .

During the week the various classes at the College under the charge of the Christian Brothers have been undergoing an examination preparatory to the holiday vacation. Yesterday afternoon the term closed, examinations were made of the classes in the higher branches, both by the teachers and capable examiners not connected with the school, and the pupils acquitted themselves with great credit—with remarkable credit considering that none of them have been under instruction in the College under five months, and many of them only a month or so. The pupils were self-possessed and by every movement and answer, gave evidence of the excellent training to which they had been subjected, and of their confidence in and love and respect for President Cianan

and his able corps of assistants.

The progress of the College has been very gratifying to its friends and promoters, and it already gives ample evidence that it will be a worthy and able helper in the great cause of education, with the probability that it may soon be acknowledged as a leader in this section. It already numbers about 300 pupils—actually 295 on the roll—though it has been scarce five months in existence. The combined rolls of the College and St. Joseph's Seminary for girls, under control of the Sisters, show a list of 700 pupils—about one fifth of the school children of this city.

A noteworthy feature of the students of the College is their general intelligent and respectful appearance, as well as their manifest desire to excell in their studies. The

classes in algebra, plain trigonometry and bookkeeping have shown such unmistakable proofs of advancement, that the College authorities are confident that by the close of the year in June next, all or the greater portion will be entitled to diplomas or certificates entitling them to diplomas.

Those public spirited citizens who furnished the means for erecting and equipping the College may rest assured that they never made a better investment of a like amount of money. Their brightest anticipation in connection with the institution will undoubtedly be fully realized.

The name of the person remembered or honored is inscribed in the Memorial Book, which remains on the alter in the Brothers' Chapel as a continuing memento in the prayers of the Brothers. A mass is offered each Wednesday for the donors and those they wish remembered.
