

CBS ALUMNI
PHYSICIANS AND DENTISTS
PRIOR TO 2000

CBS ALUMNI PHYSICIANS AND DENTISTS PRIOR TO 2000

The purpose of this report is to identify those graduates of Christian Brothers, Bishop Armstrong and Bishop Manogue High Schools who have achieved a career in the medical profession; specifically, physicians and dentists.

The extent of the information gathered was limited to only those students who graduated prior to the year 2000 and who had information on file with the Christian Brothers Alumni Office.

In April of 2010, a total of 61 physicians and dentists were identified and were sent a letter and questionnaire requesting personal information about them and their current status. Also requested was any memorabilia they may have from their days in high school that they would be willing to share or give to the school.

As a result, seven physicians and three dentists returned the information. Eight letters were returned as undeliverable.

A second letter was sent in November of 2010 to those who had not responded to the first letter. Eleven additional physicians and five dentists responded.

The following names are three alumni who have memorabilia and are willing to share or give them to the school:

Dr. Mary DeMers ('76 – Bishop Manogue) has a "Rocking Robin" costume that was used for the class Mascot.

Dr. Bill Schadler ('68 – CBS) has some vintage Christian Brothers wine bottles in wooden cases, signed by Brother Timothy Diener, Master Winemaker.

Dr. Frank Silvey ('54 – CBS) has photos of family members (father, grandfather and uncles) dating to the late 1800's.

The attachments to this final report give (1) a listing of the names that letters were sent to (2) a brief biological sketch of those physicians and dentists who responded to the letters (3) a listing of the names that were sent letters but were returned as undeliverable (4) a listing of the names that were sent letters but did not respond.

Completed questionnaires were provided to Chairman, Jerry Kirrene, Class of '53 and Kristen McCarthy, Director of Communications, Christian Brothers High School.

Hopefully, future alumnus will continue with this report so that the rich history, tradition and success of our students can be known and acknowledged.

Submitted by: Ken Harris, Class of '54, CBS
