The Christian Brothers High School

Alumni Association

Presents Its Fourth Annual

Wine Tasting Extravaganza

All Proceeds to Benefit

Christian Brothers High School

Friday September 6, 1991

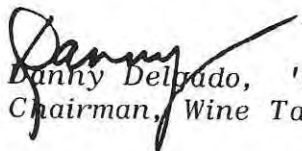

Dear Alumni and Friends,

On behalf of the Alumni Association I would like to welcome you to our Fourth Annual Wine Tasting Extravaganza. For your enjoyment we have assembled 19 wineries, 10 local restaurants and six microbreweries who will present samples of wine, beer and foods sure to delight any connoisseur. On top of this, we are also presenting ten import beers from different parts of the world.

As we begin our 116th year at Christian Brothers it is important that we remind you of your role in the continuing tradition of excellence that is synonymous with Christian Brother High School. Without the constant support you offer, we could not do many of the things we do--athletics, honors classes and a varied and versatile curriculum are but a few of the examples of possibilities that are created by your support of the Christian Brothers' Alumni Association and other support groups.

So, again, on behalf of the CBA and Christian Brothers High School I would like to extend our thanks for your participation tonight. I would also like to extend a special thanks to the restaurants, wineries, breweries and our other sponsors who made this evening possible.

Sincerely,

Danny Delgado, '79
Chairman, Wine Tasting Extravaganza

Wineries

Notes on Wine Tasting

The wines presented for your tasting this evening are from America's most distinguished wineries. When sampling each of the wines offered, we recommend using the following method which is used by experienced wine tasters:

1. Examine the wine for color and clarity.
2. Perceive the fragrances of the wine: the **aroma** (fragrance derived from the grape), and the **bouquet** (fragrance derived from the vinification and aging).
3. Taste the wine - rolling it in the mouth - to savor the flavor, body and texture.
4. Swallow the wine and note its aftertaste (the lingering fragrance and sensations remaining in the mouth after the wine is swallowed).

We believe this method will enhance your enjoyment of the wines. Still, use any procedure you prefer and don't be governed solely by the opinions of others. Remember, in wine tasting there is only one basic rule:

"Drink the wine you enjoy!"

"Single Glass" Tasting Procedure

Each guest will retain one glass throughout the tasting. Remainders of wine may be disposed of in containers provided throughout the courtyard. Rinse your glass with water between wines, as desired.
