Mr. Vincent Stanich
Sacramento Union
Sacramento, Calif.

Dear Vince,

Just a note to say thanks for the kind words on our signing of Don Semon, who has a fine arm, is a willing worker and can be helped.

I believe the Sacramento area, always good, is still on the up-swing, talent-wise, due to a great extent to your well organized Winter League and good baseball men in the area who put a lot of time in helping the boys.

Best regards,

Bill
