Dear Family and Friends of Christian Brothers High School,

Welcome to an Enchanted Emerald Evening: Christian Brothers High School Auction 2018!

On this fabled and fun St. Patrick's Day, we have a wonderful opportunity to build community, support academic programs, and build our financial aid program for worthy and talented students.

This year, we are introducing mobile-device bidding for silent auction items and sign-up parties in the "Irish Pub" – we have to keep our technology skills on par with our kids! During the live auction, in the "Castle," we will be "old school," so raise your paddles high for our tuition assistance fund. Let's deliver a pot of gold for these deserving students!

I profoundly appreciate the efforts of Director of Parent Engagement Joanne McShane and parent Auction Chair Lisa Travis who lead a team of talented and creative elves, fairies, giants and gnomes who volunteer their time and talent so generously to make this night one for the memory book.

And thank you to everyone here tonight – you are our four-leaf clovers – parents, friends, alumni, sponsors, and donors. We are both grateful and lucky to have your support and generosity!

St. John Baptist de La Salle, Pray for us. Live Jesus in our hearts, forever!

Lorcan Patrick Barnes

President

"May the Irish hills caress you.

May her lakes and rivers bless you.

May the luck of the Irish enfold you.

Auctioneer

JAKE PARNELL - Following in the footsteps of his Grandfather and Father, Jake Parnell is a third generation auctioneer. A graduate of the World Champion School of Auctioneering, Jake's passion for the auction business is what drives him. Whether selling livestock, charity or fundraising events, Jake thrives off of interacting with people committed to a cause or an industry.

Jake believes in understanding the cause for which he is working, so that he can fully connect and relate with his audience. "Making a difference in life is important to me. I feel the best about myself and my profession, as I am leaving a charity event, knowing that I have just helped make a difference to someone somewhere."

Jake is a graduate of Cal Poly, San Luis Obispo. When not working he enjoys golfing, wakeboarding and snowboarding. He also maintains a small herd of Registered Angus Cattle and is very involved in the California Angus Association and the Yolo County Fair Foundation, two groups that raise funds to help support youth involved in agriculture.

32. FUND A PROJECT

Meet Sergio Castillo, Class of '17.

You'll hear more about Sergio in his own words tonight. He was an 8th grader at Sutter Middle School when he was first introduced to CB. At CB's open house, he was captivated by everything CB had to offer him, and overwhelmed by the sense of community he found from the first moment he walked on campus.

He decided then and there that CB was the place for him.

However, in his single parent household, finances were tight. His mother genuinely worried that CB was an impossible dream. The moment he opened his acceptance letter – coupled with an offer of tuition assistance – was a joyous moment for the whole family.

Sergio didn't waste one moment of the time he spent at CB. He was active in Student Council, Campus Ministry, Lasallian Youth, Student Ambassadors and Athletics. He played varsity volleyball, leading the team to their first ever section championship. He attended a Kairos retreat, and then returned after graduation to lead a summer Kairos for rising seniors.

He celebrated every moment and every opportunity the CB community offered him.

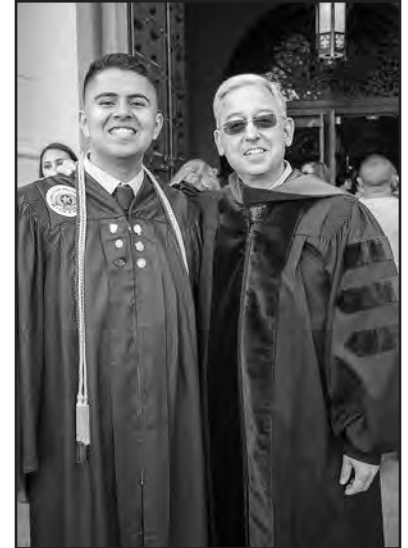

Now attending UC Davis, and playing on the men's volleyball team, Sergio credits his time at CB with the person he has become.

“I would not be who I am today if I hadn't gone to CB. And I wouldn't have gone to CB without tuition assistance. When you give to tuition assistance, you are literally transforming lives.”

This Christmas, even though he's just a freshman in college, Sergio made his first donation to Christian Brothers High School.

“My plan has always been to donate back every penny I received in support, and more. When I got the email from CB, I decided why wait. It was only \$10, but it was what I could do to start giving back.”

**Please raise your paddle high tonight.
Join Sergio and give generously to help transform lives.**
