Dear Peter: You are being seriously considered by the La Salle Hall of Fame Committee for a spot in the Hall of Fame. I would welcome your expression as to whether you would accept... Prompt reply would be appreciated as we will be selecting eight members who will be inducted at our annual Old Timers Night during the first week in February.

Very sincerely,

Vince

Dear Vince
Your kindness knows no bounds. Yes I would accept. My only qualification is that I received all of my formal education at the hands of the Brothers. Again, my thanks, and may God be good to you & yours. Sincerely, Pete
