COMPARISON OF THE TEAMS

On the basis of 1975 statistical data, the four teams are ranked in comparison with each other in five categories: (1) season won-lost percentage, (2) points per game, (3) opponents' points per game, (4) offensive yards per game, and (5) defensive yards per game.

In each category the top-ranked team receives 4 rating points, the second-ranked team 3 rating points, the third-ranked team 2 rating points and the fourth-ranked team 1 rating point.

Results follow:
