# Registration Day—1976

by John Veglia

The date is September 4, 1976. The scene is the office of the Christian Brothers High School. The phone rings. The Registrar leaves his desk answers the phone.

"Christian Brothers School, Brother Albert speaking . . . Yes, this is a fine school . . . Yes, we have many distinguished graduates . . . Name some? Hmmmm."

"Well there's John Hamilton and Jim Bertoni, editors and owners of 'The Bee';

Garrett Lemmon of Lemmon Ford Company; Joe Genshlea, head hasher of Stanford U., Jim Karver, Flurry Healy, Rollie Gray, and Frank Stagnaro own the 'Happy Times Liquor Company,' although it's not producing much at present. Gerald Asher, airplane manufacturer, is another distinguished graduate; and then we have Ralph Han Lee, who owns 'Lalps Laun'ly' in Modesto; Eg Mori, the man who purchased Slough-house from the Signorotti family; and Robert Proaps, the TV repairman who brought back radio—all graduates of Christian Brothers."

"Many prominent figures in the sporting ranks got their athletic starts at C.B.S. 'Tiger' Fernandes, Jerry Cooke, John Lane, 'Sticky-Fingers' Colbert, Mark Margetts, and 'Rah-Rah' Risse play for the undefeated Detroit Lions.

Bill Ferreirae, the first man to run the 880 in two minutes flat—backwards—also plays on the same team with George Lotz, Al Zuniga, Marty Jennings, and Byron Schnetz in the Midget Basketball League. They got tired of playing seven-foot giants and started their own league. Tony Garrido is a stand-out at second base for the Brooklyn Dodgers. 'Marlon' Hardmeyer and Jim 'The-Wild-One' Jones recently captured the National Two-Man Motorcycle Cross-Country Championship. And poor Jim Morin—may God rest his soul—was killed at the height of his sports-car racing career.

Colonel Lynch, whose horses have consistently finished last in Kentucky Derby races for twenty years; and Jerry Valerio, only pro golfer never to break eighty, also graduated from Christian Brothers. Surely you must have heard of them."

"Yes, we have had graduates enter the field of politics. 'Big Mike' Desmond, Mayor of Carmichael; 'Bos' Riffel, who runs Reno with the assistance of Bill Benner and Police Chief Tim Leahy; and Thomas Baker, president of the newly-formed Republic of Alturas. And one of our most famous statesmen is Luis Castrillo, who successfully directed the recent revolution which established him as the 4000th president of Nicaragua."

"In the professional world our school is well-represented: Doctors 'Palsied' Parker, the famous brain surgeon; 'Gouger' Golen, the noted eye doctor; and 'Painless' Keating, the orthodontist; all send their patients to have prescriptions filled at the K & K Pharmacy, operated by Dennis Kehoe and Bob Kirrene. Bob Perry and Bill Limeberger, world-famous engineers, are building a drawbridge from Los Angeles to Hawaii where they will meet Paul Barsotti and Gerald Schmdgall, who are building the other half of the bridge, starting at Hong Kong. This project is financed by the financiers, Bob Dwyer, Anthony Muljat, Mike Golden, and Bob Neves—whose cash heretofore had been tied up in money. Paul 'Frenchy' Reaume, the well-known disgrace to money, has moved to the Left Bank in Paris, where his name matches the surroundings. Mike Brooks, an eminent philanthropist, returned for Homecoming Day and made the school a present of one gas station—destroyed by a specially-constructed atom bomb. The Sigl brothers, James and John, are doing well in the haberdashery business.

Their rummage sales are the talk of the North Twelfth Street set. Don Dittmer has his own radio station, KORN, in Willets. Joel Witherell was recently appointed Dean of Extra-Curricular Affairs at Strickleesub Normal—the same college which lists John Dillon, George Darling, Sid Carpenter, Jerry Nevis, and Frank Sousa (erudite professor of Latin) on its teaching staff."

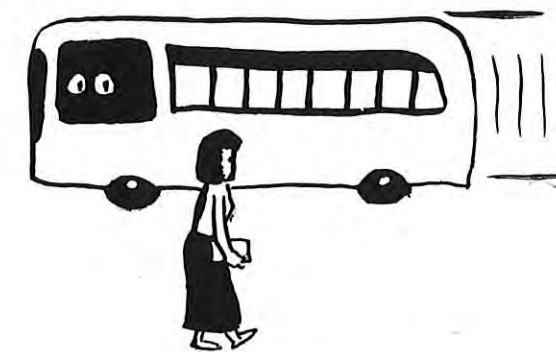

"Thanks to Frank Banks, inventor of the X2 bomb, the world won't have to worry about the Russian Menace. Russia no longer exists.

Bobby Schnetz carried on the family tradition as a bakery-man and is rolling in dough.

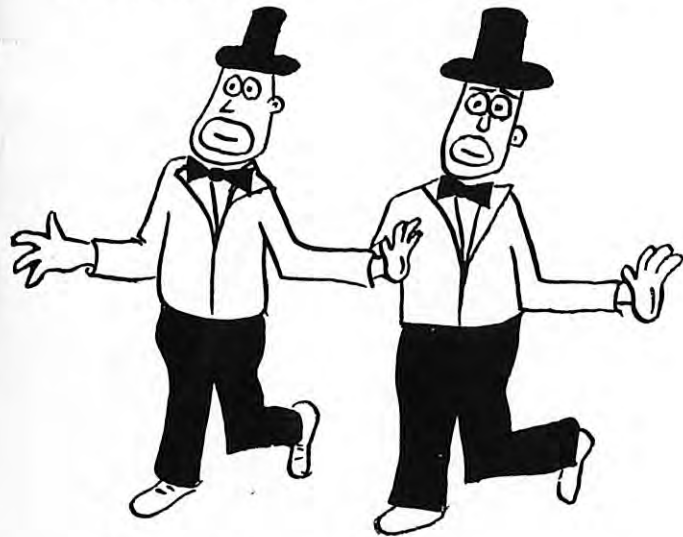

Mother Murphy's genuine Irish Muffins employs Don Pesavento, Mike Duffek, Julius Micheletti, and Jim Herzog as managers. Joe Silva is a bus driver on K Street. This allows him to continue his daily trips past St. Francis High School.

Ev Mower owns Torrid Motors, where they really sell hot cars. Working for him as salesmen are Richard Mette, Ray Drouin, and Jerry Hansen. Gary Guild plays accordion in Procopio's Pizza Parlor, where Clay Daves, Wayne Rader, Marv Scharosch, Tim Roche, and Jim McCormack wait on tables. Jim, Mervin, and Jerome Conlan are busily engaged in drawing French postcards for Monsieur Jere' Thompson's agency, 'Fly by Night Films, Inc.' (They draw the pictures of the Eiffel Tower.)

John Veglia realized his dream of becoming a writer. He writes labels for Wilson's Meat and Pickle-Packing Plant. Wilson inherited the plant from his father. Also following in the footsteps of dear old dad is David Schiele, the father of 27 children. Norman Earle and Connie Fippin's 'Sho' Biz' of '76' will open on Broadway next week. Broadway and 21st, that is."

"Thomas 'Loophole' Kearney, of the illustrious law firm of Pugh, Belke, and Kearney; after twenty years of litigation, finally won his case in the Supreme Court this week. In a suit against the Friendly Finance Company, Kearney was awarded custody of his car. This is the same firm of legal experts who obtained the release from Folsom Prison of Phil Olsen, Ken Sanchez, Bill Hayes, Duane 'Shifty' Junker, and Frank 'Fingers' McCaughey, who were former members of the notorious Red Bluff gambling syndicate.

Joseph Stowe and Charles Toronto turned from their dissolute ways and joined the Christian Brothers. After completing their novitiate, they co-authored the book, 'Playboys' Revenge.' Terry Mulligan rides in a powder blue Cadillac squad car while patrolling his beat around 21st and Broadway. Terry Mahlman now runs our resident students department. (Liked the food, I guess.)"

"Jerry Silvey was the only member of his graduating class who did not achieve fame in the world. He collapsed in 1956, immediately after the year-book deadline. Presently residing in Bide-A-Wee Rest Home, Jerry's tastefully-crayoned chains of hand-cut paper dolls are sold each year at the LaSalle Club Frolic.

Michael Stomp fulfilled his ambition of compacting a two foot slide rule into one the size of a razor blade."

". . . oh yes, Christian Brothers is a fine school . . . WHAT! You'll bring your GIRLS over in the morning to register."

The registrar gently drops the phone. He pulls it from the wall and throws it out the window, and walks out, softly muttering to himself.

**Kemmer Wilson**

"Punky" has played two years of varsity football, one year of B, and two of varsity track plus four years of interclass. He was secretary-treasurer of his freshman class and belonged to the BBVC, ski club, Block CB, and dramatics besides being chairman of many class dances. His aim is to be a Veterinarian after studying at U. C. at Davis.

**Alan Zuniga**

Recipient of the 1955 Homecoming Trophy and voted the most spirited football team member of the same year, he also made all-city for two years. He has played two years each of varsity football and basketball and three of baseball, besides being on the B teams of the same sports. Senior class sergeant-at-arms, he was also in the glee club and Block CB.

## *Our Memories*

*by Jack Keating*

Remember the feeling you had on that first day of school in September of 1952? Right from the start we could tell that this class would be one never to be forgotten. We did not hesitate about anything. We entered into the different activities, elected our officers, and started our social life with the Freshman Party. Do you remember Larry Fisher going to Mt. La Salle and the fire in the locker that Mr. Bloom managed to extinguish?

Back we came after a summer's rest with the feeling of knowing what was to happen. Do you recall Brother Leonard's organization of the Sophomore Hop, truly the best, and Brother Frederick and Matthias coming down with polio? Then there was Mr. Lagomarsino busy dodging planes and Brother George demonstrating the use of the paddle. This year Tony Lastufka left for the Mt. and Barney Gilson for the seminary.

As we entered the upper division, we thought we were wise and ready for anything. We took on chemistry with Brother Philip administering first aid. Remember the chlorine and bromine? The rest of the school does. We will never forget our first big dance, the Junior Prom. This year Charlie Kidder headed for the Mont.

Then we looked back as the top men in the school and saw that we were not as smart as we thought. Remember the morning we had "Breakfast With Bill?" We can never forget the Senior Ball and, least of all, graduation night when we received our diplomas. We were happy then but also sad because that was the last time we were all together. These four years we will always remember.

## Season's

Brothers 7,  
Sonora 0

In our opening game, Alan Zuniga came through with a second period touchdown. Joe Genshlea set up the TD with a recovery of a fumble on the Sonora 27 yard line. Seven plays later Al went over for the six points and then made the extra tally.

Brothers 26,  
McClatchy 20

This was our first victory in the city. Bob Gatiss completed six out of seven passes and two for TD's. He threw to Joe Genshlea for one touchdown and hit Bob Colbert for the other. Jerry Cooke made the remaining two. Zuniga made two points after touchdown.

Brothers 21,  
Riordan 16

Jerry Cooke came through with two more along with Bob Gatiss's pitch to Bob Colbert for one. With the score reading 16 to 14 with Riordan on top, Gatiss threw to Colbert for the winning touchdown. Alan made three extra points.

Brothers 33,  
Chico 14

Our first Northern Interstate Conference game and Cooke scored twice along with Lemmon, Zuniga, and Genshlea each scoring once. Zuniga intercepted a Chico pass and ran it back for a 32 yard TD, and also made three extras.

Brothers 26,  
Reno 7

Cooke was a show in himself this Homecoming Day, scoring four touchdowns and two more called back. Lou Salazar, who replaced Gary Lemmon because of a leg injury, did a fine job of getting the yards when they were needed. Al Zuniga kicked one point and Jim Mikacich made another.

Brothers 19,  
Shasta 27

With Cooke out with a weak knee, we suffered our first loss to the Shastans of Redding. We fumbled four times and Shasta recovered all of them, turning two into touchdowns. Ernie Cervantes, Bob Colbert and Gary Lemmon put all points on our side of the scoreboard with Cervantes adding the extra point.

Brothers 26,  
Red Bluff 0

Gary Lemmon turned in an impressive showing by gaining 179 yards. One of Cooke's two touchdowns was on a Gatiss pass and Bob threw to Colbert for another. Jim Mikacich went over once and Alan Zuniga made two bonus points.

## Record

By dropping this game, CBS also lost the mythical city championship. Fumbles were the cause of our loss as we gave the Dragons two opportunities for scoring. We made our first touchdown by way of Cooke in the second quarter. Gary Lemmon scored our final TD and Zuniga made one extra point.

Brothers 19,  
Marysville 0

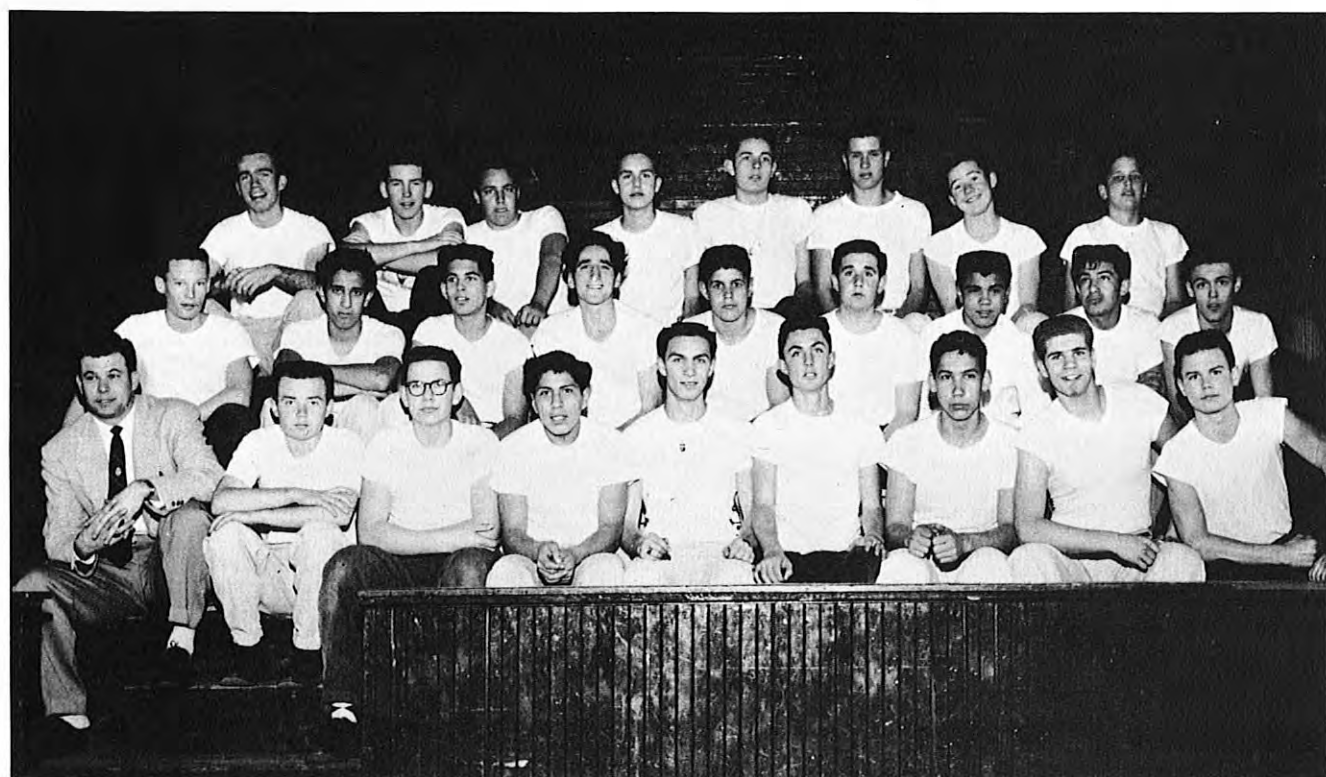

Our first touchdown was made by Cervantes and het up by a 56 yard run by Gary Lemmon. Lemmon scored the second six and Bob Gatiss passed to John Lane in the end zone for the final TD. Zuniga made one extra tally.

Norte Del Rio 7

Victory came in the second quarter as Gary Lemmon went over for two touchdowns. Gatiss pitched to Genshlea for 27 yards and to Lane for 19 and 17. Salazar scored six and Cervantes went over from the 18 yard line. Zuniga made three extra points.

In the fall, senior class 209 defeated souhomore 110 to win the Interclass Football Championship. Throughout a season of eight wins and no losses Ron Belke and Bill Ferreirae scored often. Other members of the team were: Jim Conlan, Tom Kearney, Dennis Kehoe, George Lotz, Bob Perry, Jack Pugh, Bob and Byron Schnetz, Jerry Silvey, and John Veglia.

For the third consecutive year in a row 209 won the interclass basketball championship. Their defeat over the lower division champions climaxed an undefeated season. Team captain was Byron Schnetz who had over a dozen players on his squad.

Throughout the remainder of the year there were championships won in volleyball, and baseball, and in April there was the annual boxing show. Deadline for this yearbook was too early to cover them.

*Moments  
to  
Remember*

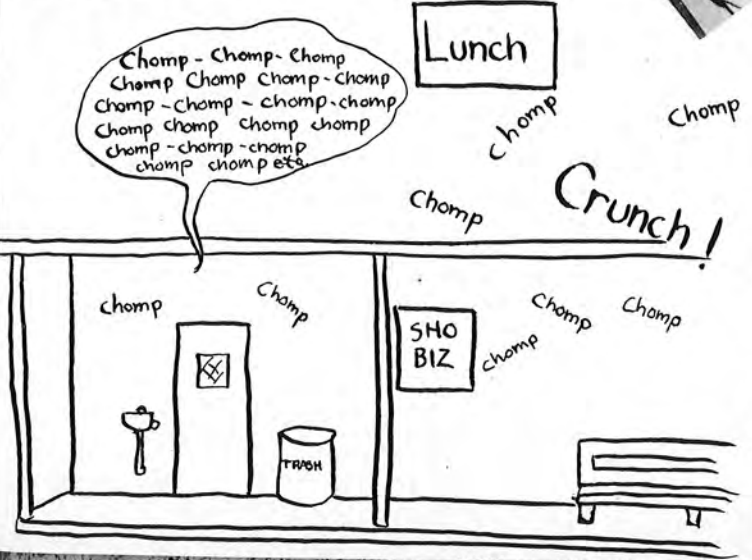

*By Mary Ann Murphy  
and Madeline Mazucchi*

The night we made Sonora  
Frown,  
The night we tore McClatchy  
down.  
We will have those moments  
to remember.

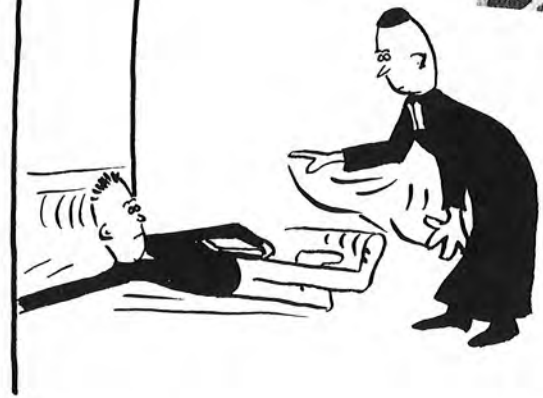

When Gatiss passed that  
old pigskin,  
'Twas just the thing that  
made us win.  
We will have these moments  
to remember.

Then Genshlea ran around  
his end,  
Fernandes stood and stared.  
Then down the gridiron  
Cooke came.  
It won the Riordan game  
Then Chico fell and Reno  
too,  
With Mikacich, Limeberger,  
Margetts, Cervantes,  
Zuniga,  
Helping to pull us through.  
We will have those moments  
to remember.

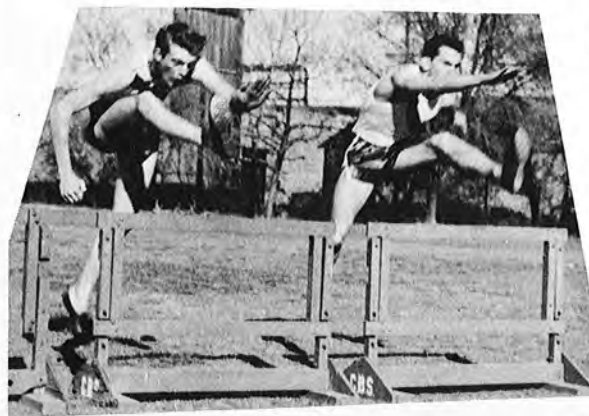

8:45 AM

When Neves got hurt in every game. It won him lots of fame. He will have those moments to remember.

We won Red Bluff with Hanley's stuff, But Shasta grows them real tough. We will have those moments to remember.

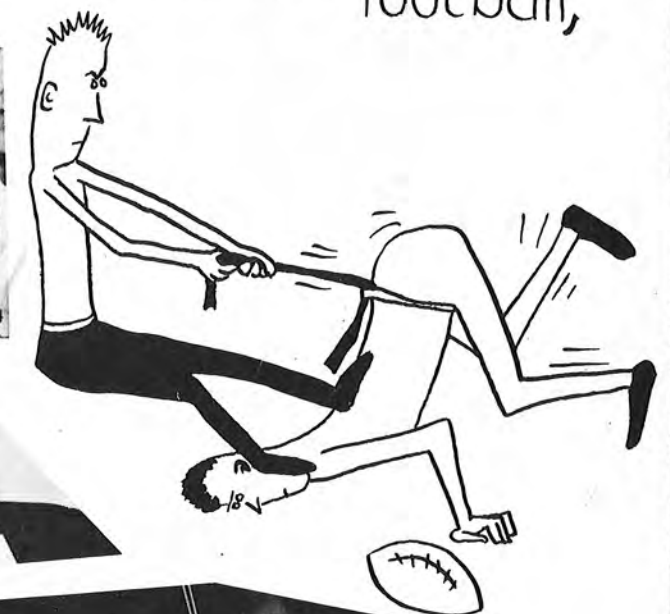

Inter-class: football,

The casualties came in the Marysville game. Poor Colbert won't be the same. In the latest game with N.D.R., Our stars were Mooney and Salazar.

The yards we'd gained by Lemmon and Lane, Made each touchdown look easy to gain. We will have those moments to remember

And still our boys out on  
the bench,  
Who hasn't run a single  
inch.  
He will have these moments  
to remember.

You'd better win from old  
Sac High,  
Or else you'll see Coach  
Clemons cry.  
He will want that moment  
to remember.

Then Autumn turns to Winter,  
And the gridiron disappears.  
The games we've played with  
all their cheers,  
Will echo through the years.  
And other night and other  
days.  
We'll remember how these  
great Gaels played.  
We will have these moments  
to remember.
