

RETURN TO GLORY...

THE MEN IN CHARGE

BROTHER HAIG CHARSHAF
Principal

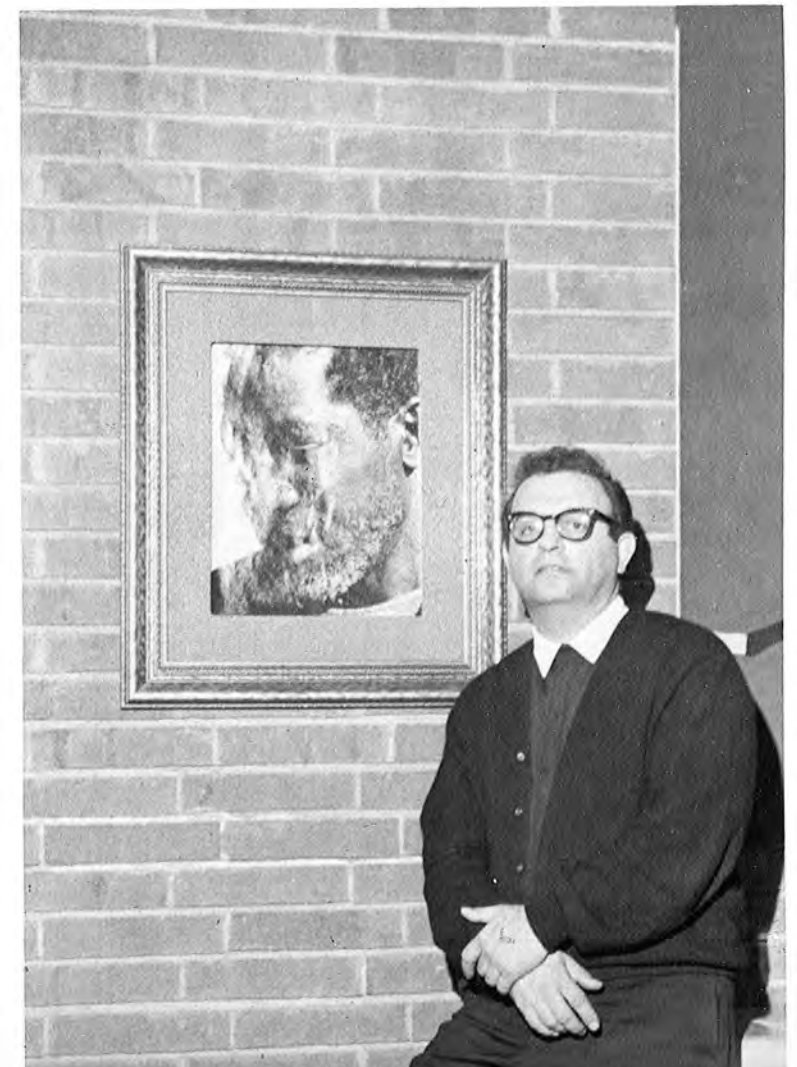

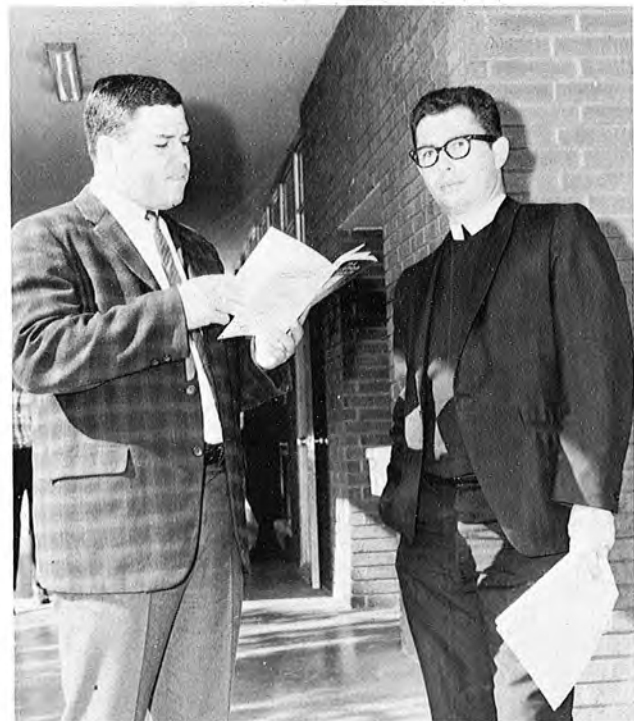

The glory of a school results from the unity achieved when individuals and groups work together to realize common goals. Such cooperation exists on three levels—student, faculty and administration. It is with the latter that the duty of academic vision, policy and decision rests before being more democratically processed for the good of the school community at large.

At Christian Brothers High, the “men in charge” have exercised their positions with wisdom, competency and loyalty to the highest interests of faculty and students alike. The resulting excellence in educational progress stands as solid tribute to the dedicated service they bring to their respective offices.

STUDENT CONGRESS

The democratic process at Christian Brothers reached new heights during the administrations of Jack Sikich and Dave Page. During the first semester, legislation was passed which included the establishment of two new student body offices, Historian and Student Services Coordinator, the creation of the milk line, and the adoption of a mission school. Second semester officers, President Dave Page, Vice President Eric Decetis, Secretary Ron Aurich, Treasurer Bill Blucher and Sgt-at-Arms Gus Barcena did the ordinary extraordinarily well. The Second semester administration continued in the steps of its predecessor with CB's first entrance in the Camellia Parade and the production of a truly enjoyable Co-Rec Day.

Graduation is the CBS student's
Moment of glory, his finest hour.
And because this cherished achievement
Is all too fleeting,
Even more significant
Is the history of vision, effort
And perseverance which produced it.

CBS FOREVER!

During their first week at Christian Brothers, the Freshmen were acquainted with a few old CB customs, such as respect for the school seal, the annual unloading of their life savings at the school bookstore, a spirit of friendly cooperation and, finally, the long-awaited Friday Welcome Dance.

Marian Pott, high-flying ace of El Camino, sets up to receive a hard pass (but not too hard) from "crack" (-ed) quarterback Frill Shower.

THE BIG PUSH

Led by Mr. Sperbeck's HR 212 with a way-up-there 200% in raffle returns on the 1969 Mustang, the rest of CB's classes went over the 100% mark in this year's La Salle Club Athletic Drive.

Enthusiasm at the Drive Rally ran high as Mr. Fontes, free-lance spirit stirrer, (above left), whips up the "desire" of student body (above right). John Sikich, student body president, presides.

Brother Colin MacDonald, Drive co-ordinator (right), exhibits array of individual and class prizes—two Hondas, portable TV, phonograph and transistor radios.

Al Franzoia rakes off his sister's errant coins at Penny Pitch, while Mr. Sperbeck and son size up gambling odds.

Mr. Balanesi, La Salle Club president, takes a winning ticket from young miss at end of Frolic evening.

THE PAYOFF

This shiny 1969 Mustang came on strong as top raffle prize at La Salle Frolic to end most successful Athletic Drive in school history.

Organized by Student Coordinator of Apostolic Activities, Senior Rand Anderson, and moderated by Brother Hilary La Tour, the monthly visit to the County Hospital had a highly successful year. Popularly known as the "Banana Boat," the visits were made with the participation of girls from both St. Francis and Manogue. Student singers were accompanied by Brother Edward Stopper and Mr. Lewellyn, librarian.

Before the Christmas holidays Homerooms 206, 208, 209 played Santa Claus to the children of three primary grades at neighboring Oakridge Grammar School. THE PEOPLE'S CHOICE

"Office will show the man." (Greek)

Keeping pace with the political scene nationally, CBS held its Mid-Term Elections in early February and produced the following slate of student body leaders: Dave Page, President; Eric Decetis, Vice-President; Ron Aurich, Secretary; Bill Blucher, Treasurer; and Gus Barcena, Sergeant at Arms.

SAFE & SOUND

Music was the medium for a message of highway safety as the talented Spurlows sang and played for the CBS Student Body in Chrysler's touring show, "Music for Modern Americans." During the performance Mr. Ron Limeberger was awarded a certificate commending him for his efforts in promoting "Safety on the Highways."

"They had a will, they found a way."

This is the tribute extended to the Freshman Class for their spirited participation in all CBS functions this past year: athletic events, Homecoming parade, dances and—when things were dull—outings, picnics and a Frosh dance, a CBS first.

"Let every girl attend to her spinning." (Cervantes)

Thanks to the unifying drive of Moderator Brother Thomas Dodd and his zealous group of homeroom teachers, the Frosh set a record of achievement that all might envy.

Congratulations, Class of '72! Bring back that same spirit next year as Sophomores and there will be no sweat in proving that CBS is truly No. 1!
