## Ambassadors

Ambassadors play an important role in preserving the quality of education students receive at Christian Brothers High School. Inspired by the same sense of commitment expressed to the Brothers by their founder, Saint John Baptist de LaSalle, the Ambassadors provide a way for alumni, parents and friends of Christian Brothers to share in the responsibility of furthering the goals and objectives of the school. Membership is based on a contribution of \$1,000 or more during each calendar year, January through December 31. Contributions to activities or programs such as the annual Spirit Auction and the Alumni or Parent Appeal campaigns are included in determining eligibility. Ambassadors are thanked and recognized for their support of the school at an annual gala dinner which has become the highlight of our fundraising year at Christian Brothers.

## Donors by Class

The Christian Brothers Alumni Association conducts an annual appeal campaign which raises revenue for the school's scholarship fund, providing economically disadvantaged students an opportunity for a Catholic college preparatory education. The annual campaign, which involves telefunding as well as direct solicitation by Association members to their former classmates, is normally conducted in the fall. Donors who have also contributed to the school in other areas are highlighted in boldface.

Programs that benefit from this effort include the athletic, retreat, counseling, campus ministry and student activity programs.
