**11TH
ANNUAL
WINE
TASTING
EXTRAVAGANZA**
SEPTEMBER 11, 1998

We are proud to dedicate our
Eleventh Annual Wine Tasting to...

Brother Timothy Diener, FSC

Born in 1910, Brother Timothy entered the Brothers novitiate in 1928 at Martinez, California. His first teaching assignment was at Christian Brothers High School in Sacramento in Berkeley. He was assigned to Mont La Salle Vineyards in July of 1935.

In his more than fifty years of service to the Christian Brothers in their winery, he has filled a variety of positions. Perhaps he is most remembered by those advertisements featuring him as Cellar Master of Mont La Salle Vineyards.

For a number of years he was involved in public relations answering letters that requested information or fielding complaints. In this role, the careful school teacher made his ideas crystal clear to his correspondent.

There were years when he was much in demand as a speaker at various wine events. His invocations at these events were given not only with great flair, but with deep religious insight.

In 1977, on being chosen Man of the Year by the American Society of Enologists, Brother remarked, "Wine growing is a fascinating business. Everything changes. Grape varieties and wine technology change. We are making a better wine every year. There is a constant effort toward improvement."

He is a founding member of the International Correspondence of Corkscrew Addicts. His collection of corkscrews is currently on display at the Culinary Institute of America, located at Greystone in St. Helena, formerly owned by Christian Brothers winery.

While he has retired as Cellar Master in 1984, he continued working out of the Public Relations office until the Mont La Salle Vineyards sold its assets to Heublin, Inc. in 1989. ♦

Welcome to the Extravaganza!

The Alumni Association is once again proud to bring you the Wine Tasting Extravaganza. We're sure you'll enjoy this year's fine wineries, breweries and restaurants.

The Extravaganza committee welcomes the community to "Experience the Tradition, Taste the Success."

Each year we revisit the rich history of the Christian Brothers in the wine industry and the strong connections which still exist. Many alumni, former teachers, and friends of Christian Brothers currently in the industry have come to recognize the Extravaganza as a celebration of that history, and have pledged their support and expertise in coordinating the event.

It is with pride we celebrate the Eleventh Annual Christian Brothers Alumni Association's Wine Tasting Extravaganza.

The Extravaganza Committee welcomes this year several new breweries in addition to the always popular micro breweries that have continued to support Christian Brothers and, as always, some of the Sacramento Area's newest and finest restaurants and caterers will be on hand to serve up taste's of their gourmet creations.

Enjoy the Experience and the Tasting!
