## Breaking Tradition

In 1990, Christian Brothers opened its doors to young women as well as young men. In that same year, the class of 1994 stepped onto the campus for the very first time.

Each class that has followed has made this school stronger in the LaSallian way and has been part of the breaking of tradition. We have also seen our academic programs and sports programs flourish as well. This year at school we have seen some new concepts. This year we had split lunches, and no off-campus lunches for Seniors.

The Crest Staff has tried to keep to this theme in the 1994 yearbook. We all hope you enjoy this book of memories that reflect upon our years of BREAKING TRADITION!

*Christian Brothers High School Fight Song  
(sung to the Notre Dame Fight Song)*

Cheer, cheer for Christian Brothers' fame,  
Wake up the echoes cheering her name.  
Send those volley cheers on high.  
Shake down the thunder from the sky.  
Let all the odds be great or small,  
Old CBS will win over all,  
While her Falcon teams go marching onward  
to victory. C-B-S!!

How would you say CB has been breaking tradition this year?

Last year we had a good multicultural week. (V. Perez)

We lost good teachers, such as Mr. Simms & Mr. Caraway, and my mom. (P. Hill)

The dress code is better. (M. Buhari)

We're the FLIGHT 4 year crew class! (A. De Marco)

Eddie De Leon has the face of all seniors this year. The face of "I'm glad I got through these 4 hard years." Congratulations Class of 1994!

COLLEGE PREPARATORY

Dear Graduates and Students:

It is with tremendous pride that I address you in my new position of Administrator/CEO at Christian Brothers High School. My experience over the past several years has been in University Administration and I find my affiliation with this outstanding college preparatory school to be very rewarding. The overall positive climate at Christian Brothers, with a strong sense of community shared by faculty, staff, administrators and students, provides the necessary setting for the delivery of educational programs of the highest quality.

You, our students, while contributing to this positive environment also are its beneficiaries. As graduates of this institution, you will be prepared academically to choose from among many options as you continue your education in preparation for lifelong careers. In addition, you are being educated in an environment which teaches you values to live by and which enhances your development into mature, professional men and women, prepared to be leaders and to make major contributions to society.

As students of Christian Brothers, you become part of a tradition which dates back to 1876 when this Institution first opened. Excellence in education, the hallmark of this tradition, has enriched the lives of numerous students in the past, each of you presently, and will continue to positively impact the lives of those who follow. I know that, as you advance in your education and careers, Christian Brothers will remain an important part of you and that you will stay close to your alma mater as have so many who preceded you.

In closing, I want to extend my best wishes and those of the entire Christian Brothers community to our seniors, the class of 1994. I also want to congratulate the yearbook staff for an excellent Crest and to offer sincere thanks to this yearbook's many sponsors, patrons and friends.

God Bless You,

Donald H. Gillott  
Administrator/CEO

# CHRISTIAN BROTHERS

HIGH SCHOOL

1911-1912

Dear Students and Graduates,

This year has passed so quickly that it serves as a reminder of the ongoing movement of life itself. The time you have spent at Christian Brothers is most significant because it is a relatively small amount of time when compared to your passage through life. The integrity of your efforts to learn, to grow and to share have advanced you even closer to your goals of achievement and success. In the years to come, when you open this yearbook and reflect upon your educational experiences here at Christian Brothers, surely you will recognize and appreciate the special gift of a Christian education that you received. The realities of your life will confirm even more that this time was a profitable opportunity along your journey to growth and happiness. Perhaps you will see more clearly the common efforts that were made here through the religious, intellectual, social, cultural and recreational exchange that provided you with a Christian education and character formation second to none. Perhaps the full benefit of this inheritance will become operative in your life, allowing you to experience its influences in decisions that you are called to make. But most important, perhaps you will be more aware and convinced that you are a part of a larger design consecrated to the enrichment and fulfillment of a higher purpose.

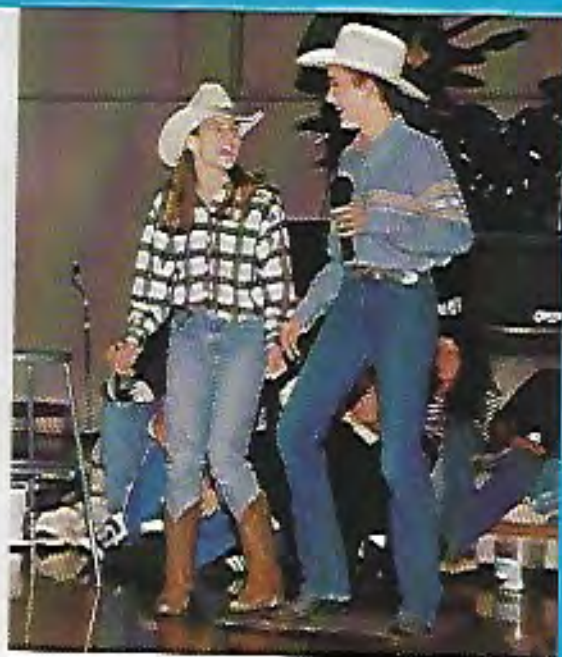

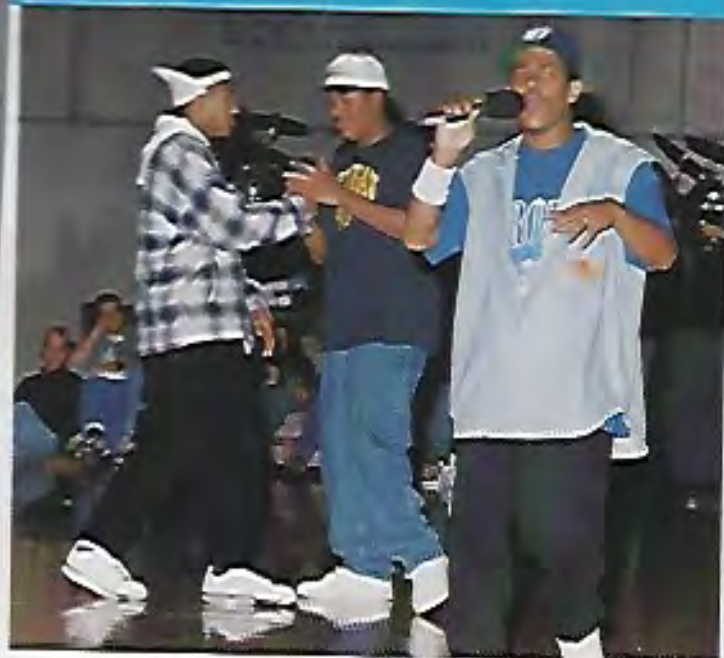

Hopefully, you will understand and be even more convinced how love and respect from your parents, teachers, and fellow-students assisted in the release of your potential and pointed you toward the realization of your specialness. All of us have walked together. We gave and received and grew in the wonderful discovery that our association identified us as friends.

Be proud of yourself as we are proud of you. Times will dictate changes, but one thing will not change. We are joined by a bond that will never be broken because of our Lasallian Heritage.

The long awaited year finally arrives. We smile and sigh. Anticipation has grown since we were freshmen. Now teachers and friends were just and help close as we tried to delay our leaves. Within the iron gates, friendships were tested, any stranger, yet some dignified to more acquaintances.

Senior year we heralded as different. We were finally THE students on campus. With crossed fingers and dreams of special intentions, we desperately hoped for the mailman to bring us packages from the colleges of our choice. Our thoughts were full of visions of a time when we would not have to look from the. More for dress code infringements or of a day when detention was simply a foreign word.

Friendships continued to grow as we looked toward graduation. Appreciation changed the minds of some others eagerly awaited the commencement day. As the day grew near we reviewed the years that had gone before. Looking back we can see we were the same that **BROKE** YEAH!

For a person you loved deeply, would you be willing to move to a distant country knowing there would be little chance of seeing your friends or family again? Why?

Though I would love that person deeply, I wouldn't move because I know from experience that your family and friends will always be there but a "loved one" may not. Besides, if we really loved each other, we could write, or travel. You can always find more than one true love. I love my family and wouldn't leave them for some guy. (Unless he was REALLY gorgeous!)

If you knew there would be a nuclear war in one week, what would you do?

I'd steal the car, pick up my boyfriend and run away until we get illuminated.

*Cristal Duncan*

Would you like your spouse to be both smarter and more attractive than you?

Since I'm neither stupid nor ugly, I guess I don't need to worry about it.

*Matt Manz*

For an all-expense-paid, one week vacation anywhere in the world, would you be willing to kill a beautiful butterfly by pulling off its wings?

There are so many beautiful butterflies in the world, that I don't think anyone would miss it as you don't get many chances for a free trip.

*Jeff Brown*

Were you able to wake up tomorrow in the body of someone else, would you do so?

I am very physically active and I have always wondered what I could achieve in a girl's body. I almost know exactly how girls feel when they tell me about their problems. If only I could be in her body then I would know exactly how she feels. That would be total understanding.

*Derick Aguilardo*

What is your most treasured memory of childhood?

My most treasured memory of childhood was the innocence of the whole experience. Everything was new to me. I was in this huge world exploring the unknown boundaries of my human existence. I was aware of some of the beauties of nature, but unaware of the dangers. I was a virgin to the atrocities that our fellow humans have gone through. I know this now.

*Ben Yeager*

How much do you like your body? Is there anything that you would like to change?

I'm fairly satisfied with my body, although it could use some bulking up (in some places more than others)! If I were to sit around all day, I would just wear a pair of shorts and a hat, because sometime you just need to let your hair hang out!

*Clay Har*

How much do you like your body? Is there anything that you would like to change?

I like my body enough to be happy with it. I have learned to accept myself the way I am. I've thought it might be nice to have some "larger" features, but when I think about the disadvantages, I'm happy the way I am.

*Laura Prim*

For a person you loved deeply, would you be willing to move to a distant country knowing there would be little chance of ever seeing your family or friends again?

I have never been in love with anyone. I know it's surprising, but that's the truth. I have never had a boyfriend, because I guess I never really found the right guy. If the man I happen to fall in love with really loves me, then he wouldn't ask me to make that kind of choice.

*Genie Bu*

You have the power to go any distance into the future and, after one year, return with any knowledge you have gained from your experience. Would you make the journey?

I don't believe in fate. I believe that each person chooses his or her own life through choices. The unknown is a white canvas waiting to be painted, and I hope to paint it with my potential. I would not want to be restricted by the bounds of knowledge. Every year, every moment has opportunities, known or unknown. There is a certain excitement to that. I think of it as what Horace says: "I'd rather have the future to be smothered than the future to be smothered." I am the future.

To describe the Freshmen Class of 1997 in a word, one only needs to say "big." Not only have they invaded the campus with the largest enrollment ever, they have taken charge of their identity in a big way. From the beginning, participation was at a maximum during Frosh elections and Frosh Family Sunday. With this kind of initial impact, Christian Brothers can expect big things to come from this class during the next three years.

A black and white photograph of a brick wall. A rectangular sign is mounted on the wall, featuring the word "FACULTY" in a bold, stylized, sans-serif font. The sign is light-colored, possibly white or light gray, and is set against the dark, textured background of the bricks. The bricks are arranged in a standard running bond pattern, with visible mortar lines. The lighting is even, highlighting the texture of the bricks and the sharp edges of the sign.

He is our "Stikel" of art work

# LITURGIES

The campus ministry class, headed by Brother Ricardo, begins the procession of the first liturgy of the school year. They spend a lot of time and energy for each of the liturgies prayer services that are held during school.

Father Foley and Bishop Quinn are present at the first liturgy of the new school year. Afterwards, Bishop Quinn was quoted, "I was very impressed with the attentiveness of the students. Despite the heat they listened and were very polite."

Patrice Bolton-Johnson, left, showed the school her beautiful talent of singing at one of the prayer services. The students and teachers who went on the Venaver Retreat are here at a prayer service telling of their experiences in Tijuana.

The school choir, led by Ms. Wilson, sings at a liturgy that was held at the beginning of the school year.

## SENIOR LITURGY

The representatives of C.B., left, carry in the banner during the Senior Liturgy. It was held in the Cathedral of the Blessed Sacrament and all the seniors from the Catholic High Schools in the Sacramento area attended it. Carlos Santos-Coy, right, holds the Bible for Bishop Quinn during the Liturgy.

# Retreats

*This group at the silent retreat takes a day off at the beach.*

The retreat program at C.B.S. is a priority program. Students given the opportunity to spend time away from school for prayer, their friends to talk about issues that are important to them. The senior retreat program is the most extensive. The retreats that are offered include a Reflective Retreat the Retreat at Applegate, the Ven-a-Vee Retreat, and a service to the poor retreat.

There are also Sophomore and Freshman retreats. They are not in-depth as the Senior retreats but they are very fun for the low division. The only students who were not offered a retreat this year was the Junior class, but rumor has it that this is going to change next year.

*Karles looks shocked as Jack takes away South American in RISK.*

*Some C.B. students with their new friends in T.J.*

*Class Davis uses a different style for picking up girls on retreat.*

Happy is the man who walks on a straight path  
 At the crossroads of the covenant  
 He will be at one with his brothers  
 Happy is the man who tries to live like God  
 In dark days  
 He will know the joy of light  
 Happy are the people who follow the word  
 Along the ways of this world  
 They will make hope dawn.-Psalm 119

Present at the party was Santa Claus who helped to make the children of Oak Ridge to have a merry Christmas. The C.B. students also go over to Oak Ridge to almost be big brother/big sister figure while helping the children with their homework and talking to them.*

The Saint Hope Academy is here to help youths with Education, Cultural and Spiritual development. The children are exposed to eight programs called the: Rites of Passage, Parent Team, Mentoring, Tutoring, Friends Eating and Sharing together, Wise Elderly Bunch, Neighborhood Improvement Team and the Summer Program. Each gives the 36 boys and 36 girls a chance to grow and learn in everyday life. Several Christian Brothers students go there to help the youths along with other tutors.

#### MISSION STATEMENT

St. Hope Academy is a youth organization committed to providing young people with opportunities for educational, cultural, spiritual and social edification. We aim to build self-confidence and promote character development within the context of a cohesive and nurturing family environment. It is our goal to indoctrinate the members of St. Hope with the belief that no problem is insurmountable and that the willingness to try and the desire to improve will lead to fulfillment and success.

"Have I Told You Lately That I Love You"  
Father/Daughter, Mother/Son Dinner Dance

On January 22, 1994, the Christian Brothers High School gymnasium was filled with sounds of music, happy conversations, and love. Sons brought their mothers and daughters brought their fathers to spend some quality time with each other. They had a wonderful dinner served to them

by one of the greatest servers in town, the faculty. When the short night concluded, students ended the night by telling their parents, "I Love You."

These seniors wasted no time at the Walk a thon.

## STRING ENSEMBLE

This year the music program of CB has experienced a new beginning. Ms. Bobbi Wilson, who came to us from Southern California, was that new beginning. After ten years of teaching and performing in the Los Angeles area she had taken the helm of the CB music program as director of all bands and choirs. This year she had six classes. The three bands ranged from beginning players, to the concert band to the fabulous, extracurricular Jazz Band. The two choirs consisted of the large concert choir and the elite Chamber Singers who must audition for their positions. Last, but not least, was the string ensemble who experimented with less traditional music for stringed instruments.

## Concert Choir

Ms. Wilson is doing a great job as director, and has big plans for the music program over the next few years. Her five year plan includes getting larger numbers in the bands and choirs, and acquiring a marching band and, ultimately, a new music building.

# HALO-HALO CLUB

With our second year behind us, the Halo-Halo Club has once again proved to be one of the most active clubs at CE. During the multicultural week last year, members danced the Isinling, a traditional Filipino dance, and a modern Tongan dance. At the same time, we served food to have others taste our culture as well. During the Isinling, members danced the Singkil, another Filipino Folk Dance, and a very graceful Vietnamese candle dance. We have attended conventions at Stanford and Florida High to help us become more aware of ourselves and our identity.

During our meetings, we have had guest speakers come and talk to us about ourselves and culture, we celebrated Chinese New Year, & we made plans for upcoming events. All this could not have been without our members. Each and every one of the active members have been dedicated in seeing their club succeed and flourish.

This club was provided for all interested students who would like to learn about the Asian/Pacific Islander culture. So come join us for readings. Don't worry if you think you won't fit in; you will. Members of Halo-Halo Club are from different cultures: Filipino, Chinese, Korean, and Mexican. You will make our club more "Halo-Halo" (Filipino word for mixed).

The MAYA Club (Mexican American Youth Association) is a college oriented club dedicated to leading Mexican American students towards college and other prosperous futures.

The MAYA Club would like to work with other clubs such as the Ebony Club, Halo Halo Club, Gaelic League, so that these clubs can find some common ground and for the fact that we can share activities.

The MAYA Club is responsible for all those connected activities such as Cinco De Mayo. We would like to invite students of all ethnic backgrounds to join the club and share in future events. Next year we hope to be bigger than this year. So watch out because the MAYA Club is coming up!

This year a few students took the time to make this world a better place for a few unfortunate souls. This group, which was led by president Monika Hernandez, took action against human rights violations in other countries and even our own. What is Mock Trial you say? Well it is a simulated trial-level legal proceeding. The purpose of this club was to develop an understanding of the legal system within the members. Along with attorneys, witnesses, jurors, & timers, this club experienced hands-on about all aspects of the law. Member Matt Becker said "I had fun in Mock Trial."

Moot court is a debate at appellate court level debated by students. Participants of the club know each side of an actual case that has been changed. Then before entering the courtroom are told which side to argue. This is not as easy as it sounds. Students must devote time and to meet in Mr. Kirrene's room but who knows, they might become one of the US's most w lawyers.

# Metro Champs

## First Time Since 1984

First, I would like to thank all the parents and friends who made the 1993 Falcon Football Season a huge success. The 1993 football season saw a number of milestones reached for the Falcons. The first milestone reached for the Falcons was a Metro League title for the first time since 1984. The second milestone reached saw Mark Orr become the school's first 1000 yard rusher since 1985. The Falcon's completed the regular season with an overall record of 5-1. The offense was lead by Senior Mark Orr. Through 10 games Mark had 185 carries for 1343 yards, 12 touchdowns, and an average of 7.2 yards per carry. Mark's achievements are mainly due to his outstanding blocking by his fullback Jean Jimenez and his Offensive line. The Offensive Line is anchored by Senior Left Tackle David Desmond, Joining David on the line are Junior Left Guard Jason Holmy, Junior Center Will Beck, Junior Right Guard Peter Breech, Junior Right Tackle Mike Cholak, and Senior Tight End Phillip Rile. The leader of the offense is Senior Quarterback Danny Elorduy. Through 10 games Danny has completed 74 passes out of 161 attempts for 918 yards and 5 touchdowns. Danny has done an excellent job this season with his pin point passing and his outstanding running ability. Danny's main targets on offense are Anthony Juarez 19 catches 266 yards, Mark Orr 15 catches 192 yards, Phillip Rile 9

catches 129 yards, Stephen Blecha 9 catches 129 yards, and Mark Baham 8 catches 77 yards.

On the other side of the football the Falcon's are solid with a good mix of Seniors and Juniors. The defense is lead by Senior Middle Linebacker Ramon Ruiz. Through 10 games Ramon has recorded a team high 115 tackles. Rounding out the outstanding line backing core is Senior Jean Jimenez 63 tackles, Danny Elorduy 64 tackles, and Junior Jeff Elorduy 62 tackles. The Defensive line has a good mix of both size and speed. The list includes Senior Sean Scully, Senior Phillip Rile, Senior Jason Salais, Junior Brendan Hogan, Senior Vicente Jacobo, Senior Brian Donnally, and Senior Miguel Gomez. The secondary has continually gotten better each week, and has recorded a total of 9 interceptions on the year. The secondary is lead by Senior Mark Orr. Also in the secondary is Senior Ray Cordano, Junior Dan Macfliger, Junior Steven Carissimi, and Senior Nick Valenzuela.

Once again I would like to thank all those who contributed to the success of the 1993 football season here at Christian Brothers.

Sincerely,  
Coach Smith

The Falcons season for the '93-'94 season started out great with C.B. jumping out to a solid 5-2 start. A near upset of Jesuit was close if it weren't for a three minute breakdown in the third quarter. After taking 3rd place at the Wilcox Tourney in Santa Clara things started to go bad. An eight game losing streak hurt the Falcons faith but we've collected our thoughts and now we will take on the Metro League. All opponents be aware cause the Falcons are for real. We would like to thank all fans, family, and cheerleaders for your support.

# Above & Beyond!

A Fantastic Year!

C.B. soccer for 1993 was indeed fantastic. The Falcons beat all odds and took the Metro League title. The team kept their heads high, following last year's misfortune. Every game was exciting and thrilling to watch for the spectators, players, and coaches.

The Falcons won their last six out of seven games to assure them the title. The mighty Falcons played with a lot of courage, desire, and determination. Everyone except the soccer team thought C.B. wouldn't be competitive enough to hang in the Metro. Predicted to finish 3rd in the Metro League, the Falcons rose to the occasion and gave a lesson to everybody who did not believe. Their self-confidence helped the 1993 soccer season be a huge success.

Under the direction of Lois Curtis, the Christian Brothers drill Team is back on their feet. With 8 remarkable performances, they received numerous standing ovations. All their hard practices paid off with the response in the stands of their ever-increasing fans.

They attended three camps: Two over the summer and one during the early school year. Performing one of their many eye-catching routines, they made it to the Nationals. Congratulations.

The 1993 team proved to be a great success, gradually improving through the course of the year and finishing strong at the sections meet at Sierra College. The team sent 9 of its finest runners, led by Patrick Hennessey and Juniors Chris LaSala and Rebecca Dillon. All runners finished with their best times and a tremendous overall effort. Junior Rebecca Dillon proved to be the success story of the season. In only her first year of Cross-Country, she qualified for the state meet in Fresno by coming in 5th overall at Sections. Not only did the team excel on the field, but they showed great determination and unity that made this season special. Support was everywhere around you and through all of it, you somehow found a way to keep going. Even though we didn't bring a trophy home to CB, we feel no trophy could bring justice to the courage, spirit, and unity that made up the 1993 Cross-Country team.

*The Christian Brothers Varsity Volleyball team has had another outstanding season with a record of 6 and 6. Under the direction of coaches David Dacong and Brian Brink, the team made their way to the playoffs. Although they didn't win, the players learned to unite as a team to achieve their goals. The team will be back next year with even more enthusiasm and talent.*

Josh Ramson, Sean Donnalley, John Lee, Saul Ruiz, David Schmidt, Stanton Saengradap, Michal Young, Keith Dell, Scott Bravo, Joe Rojas, Ruben Stanko, Rory Lukins, David Yates, Adrian Cole, David Hoskins, Clint Beezley, Omar Ruiz, Kevin Groff, Charlie Crosby, Richard Gibboly, Chris Blakey, Santino Mendons, Paul Parinas, Brian Joy, Jason Montemayor, David Rasol, Jon Gagnon, Curtis Peterson, Marcellus Jones, Brandon Miller

Even though this year's J.V. team suffered through a long season, they had spirit to hang on for ten tough weeks. On the offensive side of the ball the Falcons were led by Sean Donnalley and Rory Lukins. The defense was led by hard hitting linebackers Adrian Cole and David Yates. Even though these individuals have been singled out this season was nothing less than a team effort and we look forward to see these young men on varsity next year.

# Metro Champs

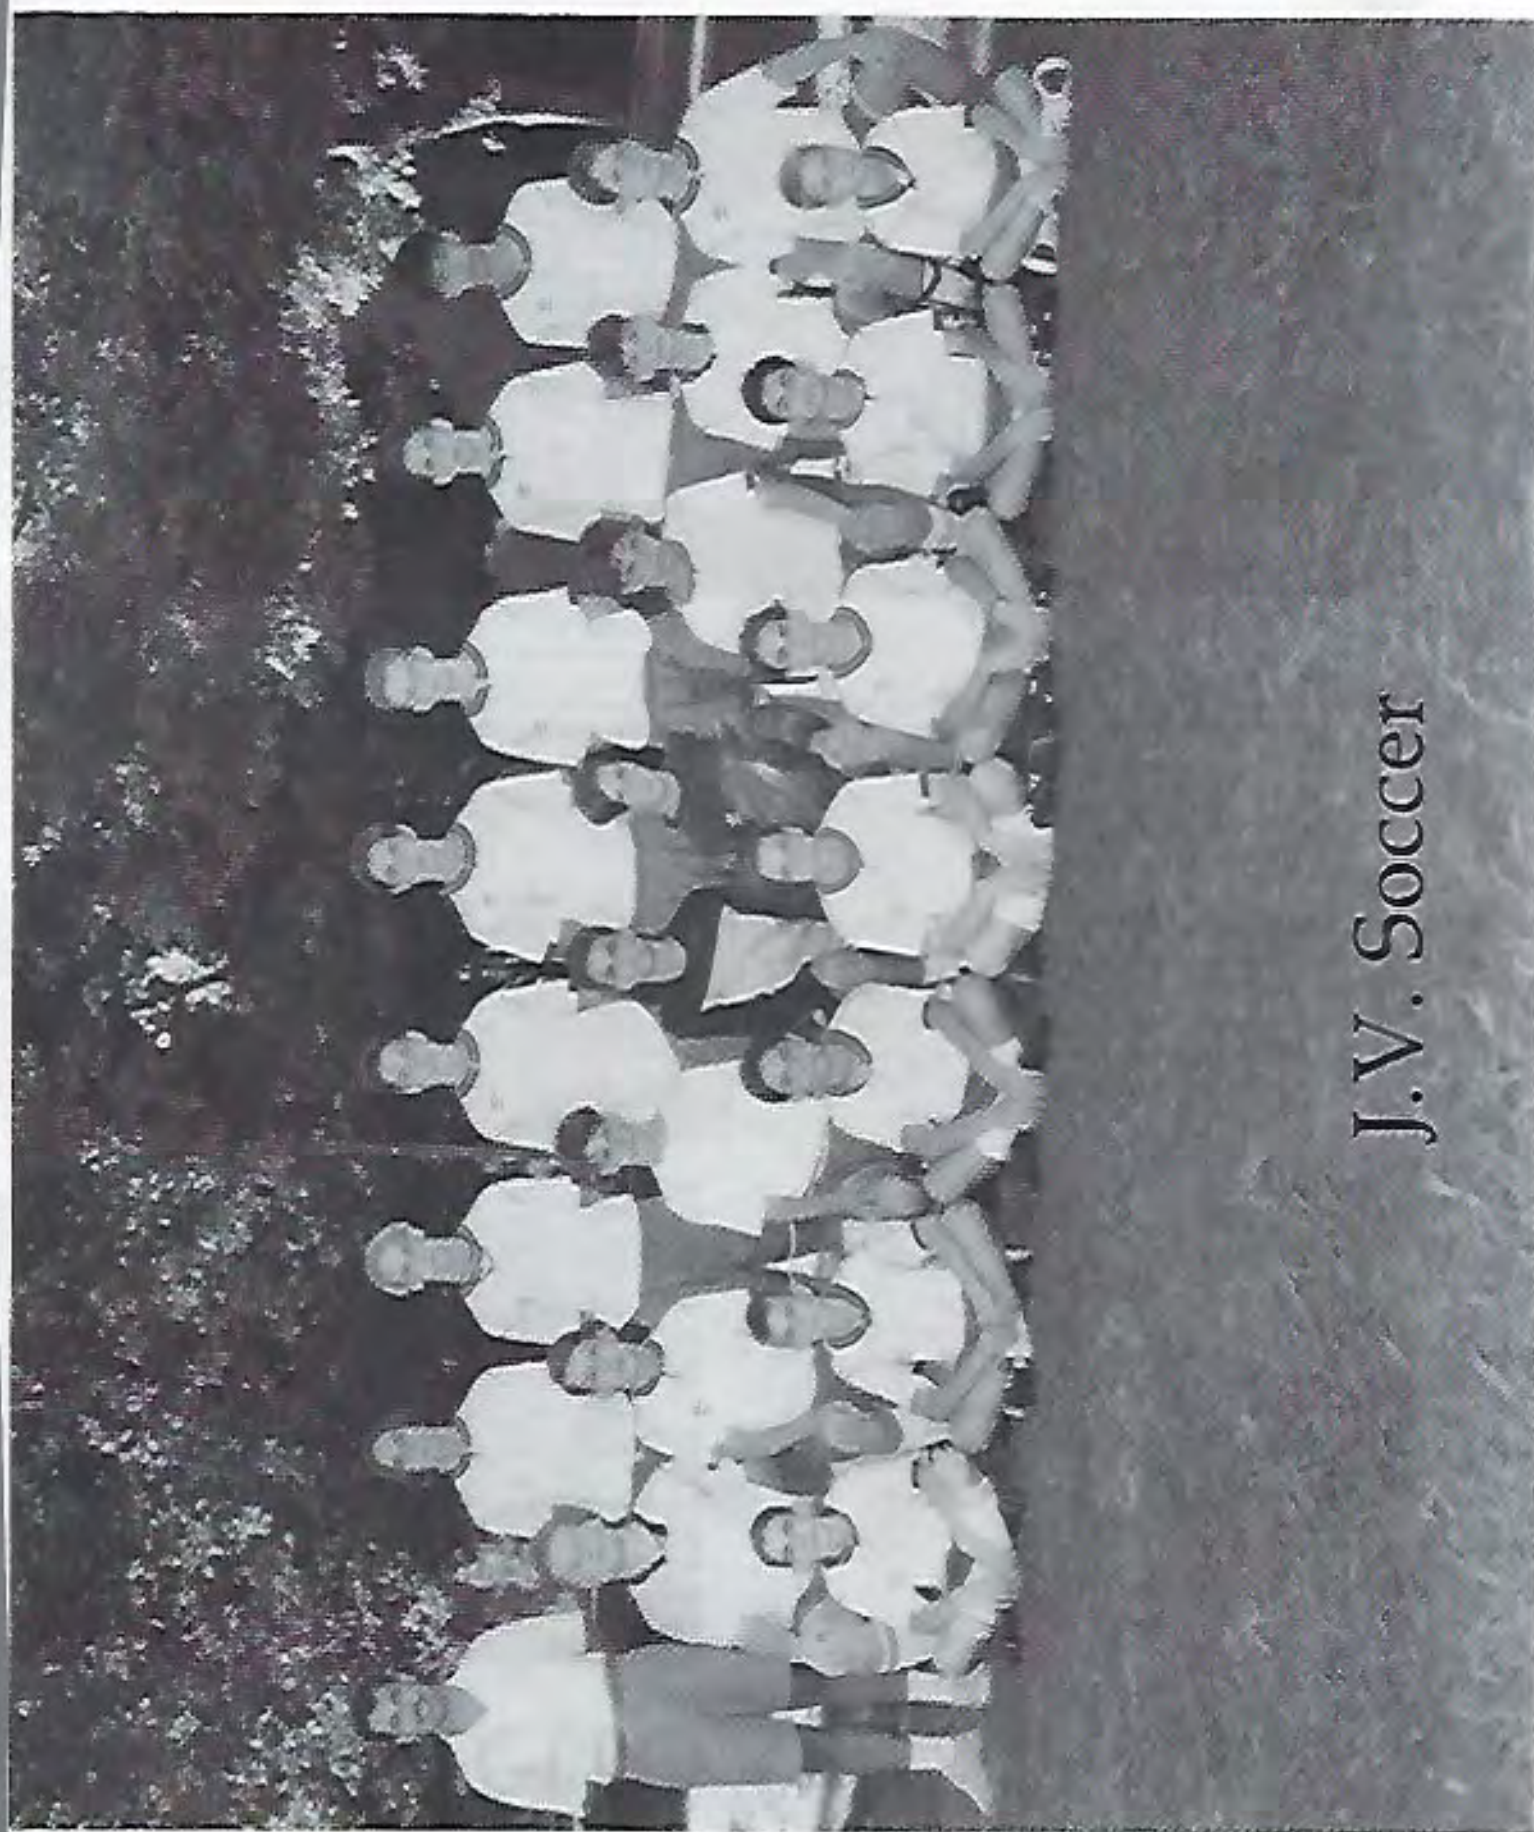

This was a very successful season for the freshman team. The frosh got off to a slow start by losing all their pre-season games, but they soon turned it around by winning all their league games making them Metro Champs. The team was led by John Otto, Mike Schuring, and Mark Quantamatto. But the team couldn't have made it without men like Tim Schrader, Justin Homly, and Jason Azevedo. Good job Champs!

J.V. Soccer

# You've Come A Long Way, Baby!

This year's J.V. soccer team had an exceptional number of new freshmen players and yet they pulled together and had a good year despite the losses. Coach Losada was especially enthusiastic. He had a great year. "We tied many games and won a few . . . I think we had come a long way by the end of the year. Many came from different backgrounds of soccer training. In the end we were playing more like a team."

Coach's most valuable player was Mike Mayes; his most improved, Tony Verden; and most inspirational player was Ed Rojas; all new to the team. Jon Mullen, Levy Hanson and Alejandro Vivas were moved to the Varsity team to play in the play-offs. The J.V. were well represented this year. Coach is excited about next year's team and seeing some of his players move up to the varsity team.

Ryan Mc Mannus, the team's pseudo-intellect to the left. Above Coach Losada gives the team another pep talk and below, they are waiting for their chance to score.

**Nobody Makes Yearbooks  
Like  
JOSTENS**  
(and our '93/'94 staff)

The 18 year-old senior Charlotte Nielsen, came to our school this year as an exchange student from Denmark. Charlotte comes from a family of four including a twin sister. Skiing and traveling are among her favorite things to do.

Charlotte is maintaining a 3.14 G.P.A. and adjusting to her new school. She learned English as a child in school in Denmark. She also lived in Canada for her first three years of life. Her plans are to go back to Denmark and attend college.

In our interview with Charlotte, we asked her about the differences she came across during her stay here.

**ARE THERE ANY DIFFERENCES BETWEEN THE LIFESTYLE IN THE U.S. AND IN DENMARK?**

You can get your driver's license when you are 16 here. In Denmark you have to be 18. And teenagers in Denmark are much more open to new people than you guys are.

**HOW DIFFERENT IS YOUR SCHOOL FROM OURS?**

You call your teachers by their last name. We don't do that in Denmark. We don't always have seven classes a day. We can have from four to six classes a day which is most common. And we can start our classes at 9, 10, or 11 o'clock, not always 8.

**ARE THERE ANY STEREOTYPES OF CALIFORNIANS BACK HOME?**

Sure there are: rich, live in big houses, tanned, laying on the beach. California is *the* place.

So far my stay here has been great. I like the school, get good grades and I get to go skiing a lot.

To your secret friend- Thank you . . . Like a flower, you have grown. A frail  
wooden, then a sturdy, growing spirit. Like a flower, you have blossomed, a  
bouquet of endless warmth. Your world is budding, inspire it with your total

If you think that making a yearbook is easy, it isn't. Since production started on this year's CREST, we have counted on many people's input. It takes a top-notch staff and total dedication by people working behind the scenes to create such a great memory book. We, the editors of the '93-'94 CREST, would like to thank a few of the many who have helped get to what you see here:

- Mr. Paffrath for being our wonderful sales representative.
- Jostens for their hard work, dedication, & understanding.

- Coronet for developing our film, and for sending someone to take pictures we were supposed to.
- Mr. Puglisi & Sr. Diana for proofreading our pages.
- Mr. Delgado, Ms. Bennett, Ms. Rives, Ms. Peterson, Ms. Slakey, Ms. Delgado, Mr. Ramos, & Bro. Ricardo for all your help.
- Faculty for letting us interrupt your classes.
- Kevin Farrell, Reuben Nazareno, & Matthew Cabrera for taking pictures.
- Advertisers, patrons, and parents for their support.

- Ms. Drucker for taking on the responsibility of being our adviser for the first time in her life.
- And to our staff: Jon Balcao, Kristen Boyd, Teran Colen, Chris Macko, Ryan Martinelli, Carin Mikaelson, Valerie Knutson, Elizabeth Padilla, Chrystee Olsen, Sean Scully, Manuel Silvia, Tom Taormina, Marco Uriarte, & James Woolley for all their work, for their help, and for staying on task. This is About My Son, Peter, Of Whom I Am So Proud

Peter Joseph Morell  
March 27, 1977-April 4, 1994

What we share is love with no limit and trust beyond belief. It's always there for one another and never turns away. It gets stronger everyday and never stops growing. This is our friendship which will live forever. "Greater love hath no man than this, that a man lay down his life for his friends." (John 15:13) We love you, Pete!

George T. Ro

Rob Hertel, George Rocha, Ken Tyson, and Michael McQuillan. — We gathered around the rosary at St. Mel's Church, and wrapped our arms around each other. In our circle we promised never to forget our memories and love for Pete who we will always keep in our hearts.

Through all the good that should happen between friends that shared  
Times that were rough and tough which we cared  
All for one, we dared; always trusting the other would be there  
We must care for reasons unknown,  
We are understood and believe  
He will be looking after us atop his throne.

In The Love That Surrounds You  
You Find Strength

God's Loan

"It lends you for a little time a child of Man." He said  
"For you to love the while he lives, and mourn for when he's dead  
It may be six or seven years or twenty-two or three,  
But will you tell I call him back, take care of him for Me?  
If I bring his children to toddlers you, and should his stay be brief  
You'll have his shoes and memories as tokens for your grief.  
I cannot promise he will stay, since all from earth return,  
But there are lessons taught about, these I want this child to learn  
I've looked this wide world over in my search for teachers true  
And from the throngs that crowd life's lanes, I have selected you  
Now will you give him all your love, nor think the labor vain  
Nor hate Me when I come to call to take him back again?"

pondered that I heard them say, "Dear Lord, Thy will be done  
For all the joy They child shall bring, the joys of grief we'll rue  
We'll shelter him with tenderness, we'll love him while he's here  
And for the happiness we've known, forever grateful stay  
But should the angels call for him much sooner than we'd like please  
We'll brave the latter grief that comes and try to understand."

### WE'LL NEVER SAY GOODBYE

-Art Garfunkel

We share the days of laughter  
We share the nights of sorrow  
And in the morning after  
We face a bright tomorrow  
Side by side we'll always stand  
Spirits flying high,  
Long as I can hold your hand  
We'll never say goodbye

We walk the halls of learning  
And serve a proud tradition  
The flame of truth is burning  
To clarify our vision  
Look at how the future gleams  
Held against the sky  
Long as I can share your dreams  
We'll never say goodbye

There's little to be sure of  
But we will last forever  
For now we know the pure love  
We feel when we're together  
Then in some day we should part  
We will not say die  
Long as you are in my heart  
We'll never say goodbye

Graduation. Music to my senior's ears. Well, on May 31, 1994, the Class of 1994 became the 115th graduating class of CBS. The day started off with a mass recital by our Bishop, Bishop William Wickard. That was also the time when awards were given out to many seniors. Then it was followed by a luncheon along with a very moving and special slide show that had all seniors moved. Followed by the commencement ceremony where they received their diplomas. Later in the evening, they held a Grad Nite where seniors would all hang out one last time. Yes, the class of 1994 was truly the class that broke tradition. They were the first co-ed class to complete 4 years at CBS. It seems very fitting that they had a female Valedictorian, Katie Collins. Another "break" with tradition, whose efforts will be seen in the '94-'95 school year, was the election of a female ASB President, Kendall Crabtree. And so to the Class of 1994. Best wishes and good luck!
