The leaders of Christian Brothers High School promote an upbeat and friendly atmosphere throughout the school's community. Building on the tradition of those before them, these students demonstrate both responsibility and a strong will to help the student body prosper. To this select few we owe our thanks for working behind the scenes to make our high school experience enjoyable.

Building On The Tradition

As our high school years slowly come to a close, we the class of 2002, will continue to build on the tradition of Christian Brothers. It is here where we met our ardent friends, the ones we went to in a time of need. The relationships we have built in the last four years have been the most important part of our high school days. We have helped each other through the roughest times, from studying for a difficult exam to understanding the complexity of a relationship.

Let's reflect on our memories of Christian Brothers. Freshmen year started with the Lockin where we met our new, lasting friends. This is also the year where we took the hands of our first homecoming date. We then experienced the challenges of Holy Bowl, and we balanced a budding social life with other times needed for sports, study, music, and art.

As we became sophomores, we got a better understanding of the CB tradition through liturgies and retreats. Then we were led into junior year, infamously known as the toughest year. As upperclassmen, we adjusted our priorities for the academic challenges while we prepared for college. Yet between the work and stress, we were still able to have fun while engaged in other school activities.

Then, finally, our senior year arrived, and the memories we will never forget, from the dances and rallies to the championships in sports and the unforgettable night when we rushed the field as the clock of the Holy Bowl game ticked to zero. These are the everlasting memories we will hold in our hearts.

At last our four years together have come to an end. It is time to meet new challenges on our own, and the hardest of them all, to say goodbye. Now as the time comes for our departure, we will spread our falcon wings and take off into the "real world," leaving the place we have known as home. Some friends we had made the last four years, will follow us into the future; others will journey in another direction. Although we will lose touch with the people we shared laughs and tears with, the memories will live forever within us. We will grow old and look back on the times we spent with the friends we loved. Let us remember where it all began, Christian Brothers High School, the home and pride of the falcons. We will take that pride and it will be our key to the future. May the class of 2002 remember one thing, no matter how near or how far we are from one another, "Shine on You Crazy Diamond"

OFFICE OF THE PRESIDENT

CHRISTIAN BROTHERS

HIGH SCHOOL
SACRAMENTO, CALIFORNIA

Dear Students,

In this 2001 - 2002 school year, we entered a new phase in the life of Christian Brothers' ministry here in Sacramento. This year we celebrated our 125th Anniversary as a secondary school, which has produced many of Sacramento's business, civic, and community service leaders. This celebration was a great tribute to the Brothers, Sisters and lay colleagues who have so diligently embraced the Lasallian tradition of educating young men and young women.

By the time you read this, we will have opened our new Science, Math and Technology Wing. This 32,000 square foot, state-of-the-art facility is only the beginning of a much larger and inclusive Campus Master Plan that will see a second gymnasium, a performing arts facility, an expanded cafeteria, air conditioning, and endowment expansion. Our needs are real and present. Our resolve is firm.

Our alumni have been very generous in supporting the SMAT Wing program. In the years to come, as you students go through college and begin your own careers, please remember the sacrifices that many, many people made on your behalf to insure that you had the benefit of a Lasallian education.

God bless,

Mark L. Warren

A Day in A Teacher's Life

Mr. Havey stops for the camera during his prep period.

Mr. Durant points out things to his psychology class.

Mrs. Mundo is glad to be teaching Spanish.

Ms. Safford explains last night's homework.

Mr. Capogreco helps Cameron Whelan-Miille with the work.

Mr. Kossick and James Noss enjoy some good times outside of class.

Coach Gill and Mr. Hoey joke around.

Friendly teachers greet the freshman .

Mr. Eckel, Ms. Abbott, Mrs. Brousseau take a break from things.

New Teachers

We welcome all new teachers to Christian Brothers. We wish them many more years at Christian Brothers.

Brother Roch

Being in a border school, I was in the student council. I played hockey (outside during the winter) as goalie and fullback. I was in the computer club. I traveled with my friend. I loved to go skiing.

Ms. Blecha

I was raised in Sacramento. I went to St. Mary's Elementary School and St. Francis High School. I spent two years at Sac City and the rest of my degree and credential at Sac State.

Mr. Nappi

Grew up in Sacramento. Spread my wings five years after high school. Went to Chico to live and learn, taught at an Indian school on western rim of Great Basin Desert for nine years. Now back home for a spell.

Ms. Wiseman

I grew up in Davis, I lived in Germany my sophomore year of high school. My family moved to Sacramento my junior year of high school. I lived in Santa Barbara and started college there, but finished up back here in Sacramento, at Sac State. I have bachelors in Humanities with a religious studies focus. I have taken several graduate level religious studies courses and plan on getting my Masters. I love going to the movies but I haven't had much time lately.

Ms. Bell

I was born in Redondo Beach, Ca, but I grew up mostly in Sacramento. I went to St. Mel's Elementary, St. Francis High School & St. Mary's College. I graduated with a bachelors in communication & a minor in government. Currently I am taking two prerequisite classes for grad school at American River College. I hope to begin a grad program next fall to obtain an MSW (Masters of Social Work.)

Ms. Chadbourne

I earned my degree at the University of Memphis. I like to read and talk with friends.

Mr. Palafox

"Once Upon a Mattress" is the musical fairy tale of "The Princess and the Pea." Although the ensemble cast boasts no stars, nine major roles singing solos and duets and two dozen more singers/actors performing numerous happy and humorous songs capture the eye and ear. "Once Upon a Mattress" is an upbeat musical comedy designed to entertain and delight audiences. Queen Aggravain (Kristen Parks) is a domineering mother determined to keep her son single. The queen's son, Prince Dauntless (Arturo-Fernandez), holds Princess Winnifred (Emily Kollars) as the object of his affection. The Queen and her cohort, the Wizard (Cory Thompson-Briggs), try to foil the romance. Lady Larken (Megan Burford) and her beau, Sir Harry (Jeff Frieders), assist the young couple. The King (Joe Ruggiero)-who communicates only by pantomime, the Minstrel (Emily Olson), and the Jester (Chris Cotta) interact to advance the plot and help Dauntless and Winnifred in their love.
