Christian Brothers School

Vol. XXIII, Uo. 1 Friday, Sept. 19, 1958 Sacramento, California

WELCOME . . .

To The Students

Another school year has begun. In nine months time you can look back upon this year either with happy memories or sad ones, depending upon the attitude you take toward its fulfillment. It is my wish and the wish of all the members of the faculty that the year be a happy one dedicated to a vigorous Catholic life and to a time of serious study. After three months of comparative idleness, work is now the keynote — work, constant and effective. With the aid of prayer and of your own native talents, well used, may you in June look back on this year as one in which much good — personal improvement and academic improvement — has been accomplished.

BRO. PIUS, F.S.C., Principal.

FACULTY CHANGES

By LAWRENCE KEARNEY

This year we have gained seven new faculty members. Five members of last year's faculty are no longer with us.

Our three new brothers are Brother James, Brother Francis and Brother Richard. All are graduates of St. Mary's College. The three new lay teachers are Mr. Maguire, Mr. Leonard Mazonra, Mr. Ronald Limeberger and Mr. Hamilton.

Mr. Maguire, formerly with Espartero Elementary School District, teaches history and math and acts as staff advisor for the school paper, *The Gael*. Mr. Mazonra, our head coach, teaches physical education and modern health. He previously taught P.E. at Sacred Heart. Mr. Limeberger also teaches P.E. and modern health and is a coach. He formerly taught P.E. at Holy Spirit. Mr. Hamilton is assistant football coach. He attends Sacramento State College in the morning.

Members of last year's faculty who did not return are: Brother Gregory, who is attending school, Brother Justin, who now teaches at La Salle High in Pasadena, and Mr. Radovich, who is now in business. Mr. Rodness and Mr. Lehtola both of which taught P.E. last year, now teach in North Sacramento.

The following brothers are continuing their service at C.B.S. this year: Our principal, Brother Pius, Brother Hugh, vice-principal, Brother Albert, registrar, Brother Dennis, Brother Avila, Brother Virgil, Brother Gordon, Brother Maris, Brother Laurian, Brother Gary, and Brother Arnold.

Father O'Connor has returned after a trip to Ireland.

Mr. Albert Babayco and Mr. Albert Anicich, lay teachers, each of whom has been with the school for three years, also have returned.

Due to the first week of school and the confusion that reigns during this time, we have no pic-

OUR TEAM FOR '58

By MIKE KRAMER

Our team for 1958 has a front line that can equal and might even be better than Armstrong's. With Bradley and Alexander at ends, Cima and Richmond at tackles, Noya and Pignalia at guards and De Angelis at center, we have a line that averages about 176 lbs. This line is a devastating machine of destruction which is capable of opening huge holes in the opposition's line to let our fine backfield of Peters, Znider, McCarthy and Lemus score enough touchdowns to make the game lopsided. This was made evident in our game against Marysville, though the score, 8 to 6, was misleading.

We had more first downs and more total yardage than Marysville, who had but one first down the whole game.

With a team like this, and a good reserve team to back them up, our season's record should be 9 wins, 0 losses. Our Gaels will be positive of winning if we back them up, by going to all nine games. It will give the team confidence in their already proven

only those players weighing under 165 lbs. are eligible to play. This game is just as important as a J.V. game, so attend.

Along with the 12 players over 165 lbs. who won't be able to play are the following: Mike Kramer, out with a broken ankle; Jim Murphy, slipped disc. Two other players, Chris Lemus and Bill Munsterman sustained minor injuries but will probably play Thursday. See you at the game.

COMING EVENTS

Friday, Sept. 19—Dance, "Just A Dream", Dave Mossman and his band, 75c stag.

Sept. 26 — Football game, McClatchy at Hughes Stadium.

Monday, Sept. 22 — Mass of the Holy Ghost, at the Cathedral of the Blessed Sacrament.

Oct. 3 — Football game, Red Bluff — there.

GAELS NIP MARYSVILLE: 6 TO 8

By JIM FARLEY

The Christian Brothers Gaels, under their new coach, Len Mazorra, won their initial game of the season by triumphing over the Marysville Indians, 8 to 6.

In the first quarter Freshman End Don Bradley leaped high into the air to catch a 20 yard aerial by Ron Peters. The pass set up a sure touchdown. The Gaels scored on the next play, but the touchdown was called back because one of the players was offside.

Later in the second quarter Fullback Fred Znider caught a pass by Peters for another touchdown, but once again the Gaels were offside.

The C.B.S. front wall by now thoroughly disgusted with themselves for being offside so many times took their anger out on the Marysville backfield. Rushing through the line they 'red dogged' the ball carrier, tackling him in the end zone.

The first half ended with C.B.S. ahead by virtue of their touchback, 2 to 0.

Taking advantage of a blocked punt Marysville scored their only touchdown of the game in the second half.

Marysville led until the last quarter when Ron Peters dashed over the goal line with one minute left in the game. The game ended a few plays later C.B.S. edged out the Indians 8 to 6.

School Spirit!!

This is a serious question and deserves a certain amount of serious consideration before an attempt is made to answer it. If you have ever been stopped on the street and told flatly that C.B.S. has no school spirit or sat in the sparse stands at a football game and watched the opponent's stands slowly fill to tremendous size, then you began to wonder just what is the matter.

What's wrong? Your answer is as good as mine. Let's not worry about what has happened in the past, but about what is happening right now, while we are the Freshmen and Sophomore classes of Christian Brothers. It is our school and we have the power to change the trend of this slow decay process which is undermining that loyalty known as school spirit.

Let's put this power to use immediately. Our class officers, under the guidance of Brother Richard, are forming an organization which until it has been named will be known as the RALLY COMMITTEE. Its purpose is to represent you, the students, to the fullest of its abilities.

This is the very reason why we have class officers. They are the select few whom you have considered the most capable to represent the student body. Therefore you have put them into office. However, you are the majority and it is up to you to encourage and back up the officers of your particular home room, whether it be by attending the games, dances, rallies, or by merely showing a bit of school pride and keeping the yards free of litter.

Now, let's do something about it! NOW!!

THE ATHLETIC DRIVE

The Athletic Drive is being put on by the LaSalle Club for the purpose of raising money to help pay for, and support Christian Brothers and Bishop Armstrong Athletic Department. The money that is coming in from the Athletic Drive and the money the LaSalle Club is donating is not only for football but for basketball and baseball equipment and also for renting Christian Brothers and Armstrong home football field, Edmunds Field and for paying the officials at the games. So, for helping Christian Brothers and Bishop Armstrong Athletic Department, the boys of C.B.S. and Armstrong, and also at other Catholic schools, are selling these tickets for the Athletic Drive, and a ticket to attend the LaSalle Club Frolic. The Frolic is held at C.B.S. October 19th, 1958. Dinner will be served on the grounds and there will be refreshments and entertainment. If you're one of the lucky people, you might win a prize if you bought a ticket, and of course won a prize like a radio or a hi-fi. But you must buy the tickets to be eligible for the dinner or winning the prizes.

The standings of the home-rooms at Christian Brothers on the Athletic Drive are as follows:

223 with 194
T.C. 3 with 112%
219 with 101%
123 with 83%
109 with 82%
106 with 81%
209 with 75%
T.C. 1 with 61%
113 with 54%
223 with 51%
T.C. 2 with 40%
119 with 34%

These standings were of October 9th.

The Boarders

The Resident Students Department at Christian Brothers consists at the present time of 74 boarder and two advisors, Br. Arnold and Bro. Laurian. This is Brother Laurian's first year as Assistant Advisor, while Brother Arnold has been Advisor for the past two years. Rising for the boarders is at 6:55 every morning during the week except Friday, when we rise about an hour earlier for Mass. The boarders are not allowed to watch TV every night as most of the day-boys do, but we get to watch a movie once a week which makes up for the loss of TV. The boarders also go on trips to Frisco, St. Mary's, Mt. LaSalle and Tahoe.

CHRISTIAN BROTHERS DOWNS RENO

By LOUIS CARIGG

The C.B.S. Gaels defeated the Reno Cubs 7-0 last Friday night at Edmunds Field. The following are the game's highlights:

Fred Znider received the opening kickoff for the Gaels and returned it to the 40 yard line of Reno. Making use of their powerful ground game, C.B.S. moved the ball down to the 20 yard line of Reno. The next two plays went for no gain. On the third down Tom Peters recovered a fumble and sprinted around his right end for a touchdown. On the P.A.T., Vic Cima faked a kick and ran the ball over for the extra point.

After forcing Reno to punt the Gaels marched steadily downfield to the Reno 30 yard line but lost the ball after four downs. Trying desperately to score, Reno unleashed four long passes, just before the half ended.

The third quarter passed without either team scoring. In the fourth quarter the Gaels proved to everyone that they had a strong defensive team. After Reno had moved to C.B.S.'s 15 yard line the Gaels put up a goal line stand and stopped the Cubs from scoring. The game ended a minute later with Christian Brothers controlling the ball.

The backfield of the Gaels, Reynolds, Garcia, Znider and Aylla, did a commendable job offensively.

INTER-CLASS

Competition among both Freshman and Sophomore inter-class football teams is strong. At the end of the first half of play, TC-3 with a won 4 lost one standing, leads the Sophomores, while 106 leads the Freshmen with a 3-0-2. The inter-class standings as of Friday, October 10, are as follows:

FROSH

	W	L	T
1. 123	3	1	1
2. 106	3	0	2
3. 119	2	2	1
4. TC-1	2	2	1
5. 109	1	3	1
6. 113	0	1	4

Among the Freshmen it looks like a close contest between 123 and 106, with 119 and TC-1 having an outside chance.

SOPH

	W	L	T
1. TC-3	4	1	0
2. 209	3	1	1
3. 213	3	1	1
4. TC-2	3	2	0
5. 219	1	4	0
6. 223	1	4	0

213 gave TC 3 something to think about when they dumped the boys from Br. Arnold's Room 7-0. The competition between the two teams is pretty evenly matched so you can look for a close battle between the two.

**WANTED!!
ROOTERS FOR
C.B.S.**

HOW ABOUT IT!

We always like to think that the school we attend is the best school in the city. Do we ever stop to consider how we look to other people? Our cheering section is a good place to start in attempting to find an answer to this question. The games are about the only place most people see us as a school, and they judge us on what they see. Yes, we have school spirit, but how do we display it before the public? Do we really make an effort to make our cheering the best in the city?

Maybe we do, but with the student body scattered throughout the stadium at the games it makes it difficult for the cheer leaders to secure anything more than a whisper from them. Getting there early is one solution.

The public judges the spirit of a school not solely by the success or failure of its teams, but rather by the interest its student body shows in it. A school which can give its teams its fullest support when they lose, commands more respect and admiration than a school whose cheering section varies with its success.

Student attendance at the past games has been very low and the question which arises is "Where was the rest of the student body?" The only explanation seems to be that the majority of the students are not interested in school activities.

Little wonder it is that the school has won only three games out of seven so far this season. The team has tried its best, and has made a good showing of itself, in spite of the fact that it had weak support from the student body.

Thus far a small handful has been required to do the work of the whole school. Christian Brothers doesn't have as large a student body as most of the schools we play, and as a result it is imperative that every single student give his wholehearted support to the team by attending the games.

CHRISTIAN BROTHERS SCHOOL HAS ALWAYS BEEN NOTED FOR ITS SCHOOL SPIRIT AND IT IS THE INDIVIDUAL RESPONSIBILITY OF EVERY STUDENT TO MAINTAIN THAT TRADITION.

So, let's get out to those remaining games left on our schedule and sit together in a body

BASKETBALL SEASON STARTS EARLY

By WESLEY H. STRAWN, JR.

I was talking to Mr. Limeburger a couple of days ago about how our basketball team was shaping up. He told me it looked fine but it was a "little early in the season to predict now."

I found out that 38 students tried out for the team the first day but it is now down to 32 with still more to cut. When football ends 20 to 22 football players are expected to try out for the team. The letter men returning to the team this year are Joe Municich and Jerry Yuke. You might keep your eye on Don Siamas and John Degas this year. They look promising.

The first game of the season may be on November 23, with a definite date set for December 2.

Coach Limeberger's wish is: "to produce a winning team in my first year here at C.B.S."

We all wish him the same luck.

PLUS AND MINUS

By GARY WITHROW

The latest additions to the Gael football team show promise of becoming first rate ends. They are Mike Price, number 25, and Phil Robertson, number 64. Both Price, already a veteran of four quarters in the Red Bluff game, and Robertson should add considerable strength to next year's team.

In the Red Bluff game, Price and Aldrich turned in an outstanding game at defensive ends. Peters was responsible for the only touchdown in the game. De Angelis and Cima were doing well in defense against the Red Bluff line. Noya, Vereruyssen and Richmond showed up well offensively.

When asked his opinion of the Gael team, head coach, Len Mazzorra replied, "Our team is lacking a good offense, but our defense is pretty good."

His opinion of the coming game "Friday night's game with Chico is going to be one of the roughest so far."

I sigh, "Ah, woe is me!"
I burn the midnight oil each night

And prove that Z equals Y.

Dean Urges School Close to Home

"Be an egghead, not a meat-
head!"

With these vivid words, Dr.
Jerome Sachs, dean of Southeast
Junior College and popular TV
math instructor, opened a recent
speech to the 4A divisions.

Dr. Sachs told the students that,
although in this scientific age it
is no longer necessary to convince
people that they should attend
college, it is often hard to guide
them into the right type of school
for each individual.

He compared large universities
to small colleges, and the advantages
of school at home and away.
It was emphasized that too much
stress is being put on going away
to college these days.

JOHNSON TAKES GAELS BY 26 POINTS

Playing their first game of the
season, the Hiram Johnson Warriors
defeated Christian Brothers
by the score of 26 to 0.

The only good opportunity for
the Gaels to score came in the
last quarter when they drove to
Johnson's one yard line only to
be stopped by the forward line of
the Warriors. C.B.S. lost the ball
on downs and the game ended a
few seconds later.

Fred Znider, Ray Garcia and
Mike McCarthy showed some of-
fensive strength, moving the ball
on the ground.

Don Pignalia, our strong of-
fensive guard, was injured in the
early part of the contest and was
unable to continue.

LIONS DUMP GAELS:

18 - 0

By M. KRAMER

Against McClatchy in our last
"B" game, we lost by the score of
18-0. Our team, being victims of
inexperience, didn't fare too well
in the first half. But in the second
half with Tindeo and Reynolds
running to near perfection we
made a couple of attempts to
put Christian Brothers on the
scoreboard. After a series of
plays, highlighted by Reynolds'
14 yard run, our old nemesis
from the first half came back to
haunt us. Penalties and fumbles
pushed us back until the final
gun sounded. Final score: Lions
18, Gaels 0.

FROM THE ADVISOR

In just a few short sentences, I would like to express my gratitude to the many boys who have contributed their knowledge, aptitudes and writing abilities to the cause of having a better type school publication. I would like to encourage any interested persons who would like a steady extra-curricular position as writer on our growing staff to apply to either myself or your "Gael" editor as soon as possible. We are hoping to maintain a policy of a "Gael" every four weeks if possible. Naturally we can not do this without your help and willingness to excel in journalism. Here is hoping then, that we will be able to welcome a few more earnest young men to our staff within the next few weeks. If you are interested, you are encouraged to apply at our next meeting.

Parent's Night to be Held October 28th

The annual Parents' Night will be held on October 28. This yearly event provides an excellent opportunity for the parents to get acquainted with their son's teachers. The program will commence at 7:30 P.M. with the parents meeting in the gymnasium. They will then follow their son's schedule, visiting each class for about five minutes. After this, the parents will be able to return to the different classes and discuss their son's progress with his respective teacher. At 9:30 P.M. refresh-

Rally Club Organized By Br. Richard

An organization dedicated to the promotion of school spirit, the Rally Committee, has been formed under the competent leadership of Brother Richard. At the first organizational meeting the committee was formed. Brother Richard stated "the school needs an organization that will lead the student body and represent its interests." He also stated "any request coming from a member of such committee to the principal would be given much consideration and then presented by a representative to the principal." The result, according to Brother Richard would be increased respect between the faculty and student body. It would also mean increased school spirit.

When asked the purpose of this committee, Brother Richard replied: "The whole idea is to have an organization that would characterize and motivate the student body with a spirit which would dominate all the activities. The Rally Committee is very selective insofar as you, the student body, have elected them as representatives of your own classes as class officers. It is the primary objective of the committee to instill initiative among the student body."

The Student Body Care

The Christian Brothers School throughout California are has as some of the finest educational institutions in the West. We members of the student body owe it to ourselves and our low students to support our school functions and all their allied activities, be it football team checker club.

The life story of any school is told by the attitude its students. This is not only the study field — (commonly called "book learning") but in other interests and activities well.

For the small amount of \$10 you, as a student, are entitled to receive all the benefits such as dances, athletic events, etc., either free or for a reduced mission price. So, come on, let's all pitch in, join student body, contribute to well-being of your school. If you don't have the necessary money there are lots of lawns that need mowing, windows that need cleaning, and trees that need pruning.

A NEW FAD AT C.B.S.

While I was walking through the yard the other day I saw a strange sight. Several Frosh seemed to be running away from something. It seems that Ker and two certain football players believe that the Frosh should wear diapers. Such a pity! I hope that they aren't suffering from baby rash!!

Winning Hints Offered Contestants In High School Photo Contest

Camera-toting guys from C.B.S. are reminded that it is still not too late to enter the Kodak High School Photo Contest for 1959. The Contest closes March 31, but pictures taken since last April 1 are eligible.

To help you get into the winners' circle, the sponsors are providing two helpful pieces of literature which tell what to look for when you go out with your camera, where to look for it, how to shoot it, and what to do with the pictures once you have taken them. One is a booklet showing last year's winners, the other is a book packed short on "Contest Cues."

The number of prizes this year has been increased to 328. Top prizes in the senior division (grades 11 and 12) will be \$400, \$300, and \$200 in each of the four

contest categories. Parallel top prizes in the junior group (grades 9 and 10) will be \$300, \$200, and \$100.

Subject matter is unlimited, but for purposes of judging and to provide categories for ideas, four classes of entry are listed in the rules. They are: (1) School Activities; (2) People (no school pictures); (3) Pictorials; and (4) Animals and Pets. Just about any picture a camera-happy photo fan can dream up will fit into one of these categories. Black-and-white only are eligible.

There will be national recognition and salon honors for those whose photos are in the exhibit which tours the nation's schools.

Contest details are available from Mr. Maguire, or by writing to Kodak High School Photo Contest, Rochester 4, New York.

FINAL ISSUE OF GAEL TO CONTAIN SALUTE TO GRADUATING SOPHOMORE CLASS

The final issue of the Gael for the school year 1958-59 will contain a tribute to our departing sophomore class. This issue will have pictures and articles about our graduating class and the year that has preceded them. Along with a class prophecy, the magazine form Gael will publish a picture of our graduating sophomores and a store of information relating to their doings and their undosings around C.B.S.

The regular staff of the Gael will take charge of publishing any and all information for this special issue. Information that anyone feels is necessary in the publication of this final issue, if forwarded to the staff office prior to April 15th will be greatly ap-

preciated. The money involved and the fact that C.B.S. is no longer a four-year high school. It is hoped that the "Gael" will suffice. So fellows, lets all get in and pitch to make the new book forza "Gael" one of the best of this year.

VOLUNTARY MASS

25th Jubilee For Brother Virgil

Brother Virgil, who teaches homeroom 209, celebrated twenty-fifth year in the Brothers last year.

He was born in Minnesota. His family moved to San Diego soon after. He graduated from Augustine High School in San Diego and entered the Mount Carmel Novitiate in August of 1933. In December of the same year he received his religious habit.

He graduated from St. Mary's in 1937. Brother began his teaching career at Cathedral High in 1938. In 1938 he taught at Sacred Heart, and St. Peters from 1940 to 1942. (St. Peters, which was located in San Francisco, has since been closed.) He returned to Sacred Heart in 1942 and remained there until 1945. He transferred to St. Mary's High in Berkeley in 1945 and stayed there until 1950. In 1951 he taught at Joaquin Memorial. He returned to Cathedral in 1951. In 1954 he was assigned to C.B.S. and has remained to the present day.

Brother Virgil certainly deserves the congratulations and good wishes that are extended to him at this time. Such dedications will not remain unrewarded.

Organization of C.B.S. In Full Swing

The CBS chapter of the California Scholarship Federation recently organized for the second semester. The society, under the direction of Brother Hugh, plans to conduct interclass debates, and enter the best short story and poem written by one of its members in the district contests.

The CSF is an honor society in order to qualify for semester membership a student must get grade points. Three points are given for an "A" in math, English, history, a foreign language, religion. One point is given for a "B" in these subjects. One point is given for an "A" in modern health and for participation in most extracurricular activities. Points are given for PE grades.

If, in the last three years of high school, a student qualifies four times for semester membership (at least once in his senior year) he attains a life membership.

GAELS ARE CHAMPS

Since our last issue the champion Gaels have won 7 games and lost 3. Below is a summary of each game:

Folsom: CB lost by 3 points. The Gaels did not start playing good ball until the fourth quarter and then it was too late to catch up.

Shasta: Even though Shasta had an extremely tough defense and were playing on their own court, the Gaels carved one more notch on their league leading gain. Leading CB to victory was Don Semon who tanked 21 points.

Marshall: Playing without three of their first stringers, CB lost a close decision to Marshall Paul Rotz, who is only 5'6". led Gaels scoring with 17 points. Brian Moore was out with blood poisoning, Jerry Yuke has a twisted knee and Fred Znidar could not play much, due to the sprained ankle.

Red Bluff: Amassing their largest score this season, the Gaels run over the Red Bluff Spartans. Don Bradley played defense well for Brothers by controlling the backboards and blocking shots.

Anderson: After a lull during the semester exams, CB came back strong to take their fourth league game at the expense of Anderson. Jerry Yuke reinjured his knee early in the game and will miss the next three or four games. Semon led the Gaels with 10 points followed closely by Znidar, who made 9.

Hiram Johnson: This was the first game the Gaels won on a Tuesday. The third day of the week seems to be a nemesis to the Gaels who have lost all five games they've played on Tuesday.

La Salle: The reserves were no match for the boys from Mount La Salle. They were too tall, too fast, and too accurate. I won't print the score because we would like to have more papers in the future.

Red Bluff: This game was what is known as a "cliff-hanger." At the end of regulation play the score was tied. At the end of the

game, fouled Don Semon. After a time out Don placidly strolled to the free throw line and tossed in two free throws winning the game, 37-35.

La Sierra: CB lost an early advantage but still hung on to win by three points. Don Bradley and Don Semon led the scoring, Semon with 16 and Bradley with 15.

Shasta: By winning this game CB clinched the championship of the Northern Interstate Conference. The Gaels got off to a slow start and were behind at the half. At the beginning of the third period the aroused Gaels took the lead and kept it until the gun sounded. Don Bradley led the Gaels scoring tallying with 16 points.

P.S. Don't pass it around, but Mr. Limeberger must have thought he was in France because he ran up to Don Semon after Don won the Red Bluff game with his two free throws and kissed him. Tut tut! What will Mrs. Limeberger say?

Congratulations Team . . .

By Bob Luft

Special mention is made in this paper today about the fine job done by our spirited basketball team. Such fine players as Semon, Yuke, Rotz, Murphy, Moore, and others helped to make this last basketball season one of the finest on the school records.

We would be wrong if we didn't mention the brains behind the whole team and that of course is Coach Limeberger (spoiled correctly). Congratulations coach!

Of course we can't forget the "men on the washrack" (as Mr. Maguire says). Richard Arjil and Richard Grace turned in a wonderful job as supporting ranch-hands.

Li, in addition, we failed to mention the LaSalle Club, who makes our athletic events possible in the first place and take this time to extend our sincere appreciation to

The Gaels '59 Track Team

By Bob Luft

The Christian Brothers Track Team will initiate their 1959 season under the able coaching hand of Mr. Mazzola at Elk Grove on March 6th.

Mr. Mazzola, who coached the football team in a very successful year hopes that the track season at CBS will be just as successful. We wish him and the team a lot of luck at their first meet for the season. Remember the place: Elk Grove, March 6th. Don't forget the time and lets all be there to supply our team with some adequate support.

The boys in the Class B and C teams who have done well so far and lived up to their expectations are as follows:

- Class B**—Clarence Hicks, Dan Gustafson, Don Pignalis, Tom King, Henry Reynolds, Ken Stone.

AN OVERWORKED ELOCUTIONIST

Once there was a little boy whose name was Robert Reese;
And every Friday afternoon he had to speak a piece.
So many poems thus he learned, that soon he had a store
Of recitations in his head and still kept learning more.

And now this is what happened: He was called upon one week
And totally forgot the piece he was about to speak.
His brain he cudgeled. Not a word remained within his head!
And so he spoke at random, and this is what he said:

"My beautiful, my beautiful, who standest proudly by,
It was the schooner Hesperus—the breaking waves dashed high!
Why is this Forum crowded? What means this stir in Rome?
Under a spreading chestnut tree, there is no place like home!

When freedom from her mountain height cried, "Twinkle, little star,
Shoot if you must this old gray head, King Henry of Navarre!
Roll on, thou deep and dark blue castled crag of Drachenfels,
My name is Norval, on the Grampian Hills, ring out, wild bells!

If you're waking, call me early, to be or not to be,
The curfew must not ring tonight! Oh, woodman, spare that tree!
Charge, Chester, charge! On, Stanley, on! and let who will be clever!
The boy stood on the burning deck, but I go on forever!"

His elocution was superb, his voice and gestures fine;
His schoolmates all applauded as he finished the last line.
"I see it doesn't matter," Robert thought, "what words I say,
So long as I declaim with oratorical display."

THE HAND IS QUICKER THAN THE EYE

By Jerry Neuburger

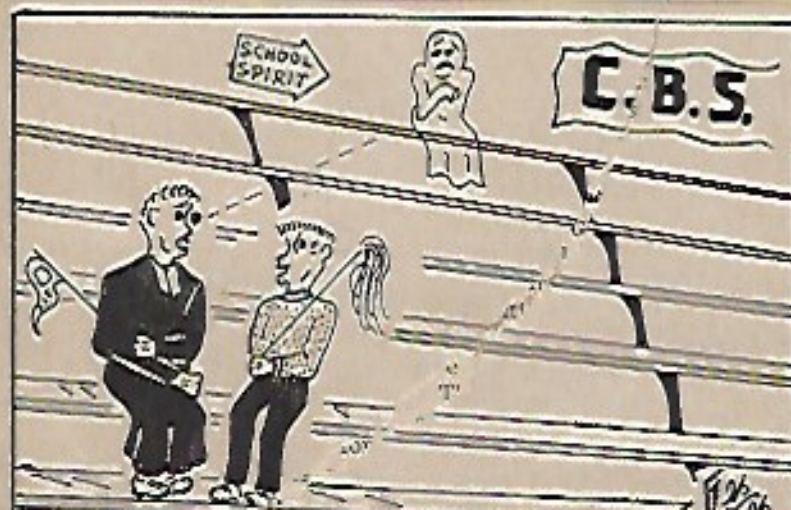

This Friday we will have with us a distinguished entertainer. His specialty is magic. He has an impressive record of appearances throughout the world such as: France, Switzerland, Austria, Luxembourg, Africa, India, China, and Japan. He says he entertained all types of audiences from European royalty down to Chinese coolies.

His program is expected to be versatile and different and he has a great number of tricks in his hat. He will call for volunteers from the audience. There's one thing I forgot—his name: Harry Houdini. Actually his name is Jan Ballan and his show promises to be very good.

The cowhand had not been feeling well. The first chance he had, he went to town for a physical checkup. After it was over, the doctor said, "You have a little lung trouble, could you arrange to

sleep outdoors?"

"We-al," drawled the cowpuncher. "I've been sleeping under the chuck wagon all summer, but I reckon I could kick a couple of spokes out of the wheels."

The conduct on busses has been very bad. The school has received many letters concerning the conduct of some of the Christian Brothers students. The boys who are causing this misconduct are not hurting themselves but the reputation of the school, Christian Brothers has a reputation which we can all be proud of but if the same conduct keeps showing up on the busses we will have a reputation to be ashamed of.

Freshman Captures First Place In Poetry Contest

Jerry Lafferty, a freshman from 109, captured first place in the recent poetry contest sponsored by the C.B.S. English department. Leo Sullivan, also of 109, placed second, and Steve Lawrence of 223, one of the few sophomores who entered the contest, tied with Chris Zirkle of 123 for third place honors.

The awards were \$5.00 for first place, for the best poems, which were to have some religious meaning, \$3.00 for second, and \$2.00 for each of the third place winners. The poems have been entered in the National Christian Brothers Poetry Contest. Results will be announced later.

Flash! Frosh Baseball Team Makes News!!

By Jim Waterman

The freshman squad so far this season have a 4 and 5 record which includes two major victories—one over the Sacramento JVEES Reserves 14 to 3, and over Fern Bacon Jr. High by a score of 11 to 2. Church, Marnetti and Vivaldi were the leaders in the win over Sacramento High. Church hit a grand slam, a home run and a triple which is pretty fair. This along with the other runs and expert pitching abilities on the part of Vivaldi made this a real exciting game. I feel sure the Sacramento team will not forget this one.

The second victory was the tromping which the Frosh nine gave Fern Bacon Junior High School. Don Bradley drove in four runs, Vivaldi drove in another four runs, and three more driven by Thomas.

The Frosh squad is really coming along quite well and they are now starting to see the ball and hit it before it passes them by. Congratulations team and lots of luck in the coming conflicts.

Varsity Wins 5, Loses 7

Coach Anicich's Gaels have turned in a fairly decent performance in the past few weeks, winning the last four games played, and losing only one. This action on the team's behalf shows that experience is beginning to pay off. The all star lineup of this year's mighty Gaels is as follows: Brian Moore, first base; Lou Carrigg, second base; Don Semon, shortstop; Marty Henderson, third base; and Frank Bakarich, Bert Bonomi and Paul Rotz play left, center and right fields, respectively. On the pitching end, Dave Quinn, Vic Cina, Richard Frievoegel, Fred Allen, and Ralph Silva round out the staff. Steve Brodie plays the position as catcher.

The team in all games played so far this season has averaged five runs and six hits, while the pitching staff has given up an average of seven runs, eight hits and six strikeouts not to mention walking four. In the last several games, tremendous hitting power has been shown by Henderson, Bakarich and Semon. Rapidly progressing towards perfection on

The Gaels Whip Norte 8-3

By Jim Waterman

The galloping Gaels won another one last Tuesday when they tromped over Norte 8 to 3. This can all be accredited to Frank Bakarich, Marty Henderson, and Don Semon. Bakarich went 3 for 3 in this ball game. (These three went for homeruns and got them.)

Frosh Take Two In A Row

By Jim Waterman

The freshman team, under the coaching of Mr. Limeberger, took a pair—one from Sacramento High by 14 to 3, and one from Fern Bacon by the score of 11 to 2. Our frosh are making a name for themselves.

The Soph Hop

By Chris Lemus

Hooray!!! Kick off your "tennis" and shine up your dancing shoes cause it's signed, sealed, and will be delivered! What? The Sophomore Hop of Course!

The Sophomore Class of 1959 is proud to present the "dance of the year," — the dance you have been waiting for.

On the Friday of April 24, 1959, the Sophomore Hop entitled "April Memories" will take place. This gala affair will be semi-formal and dancing will be from nine to twelve at the New Plumbers Union Hall. There will be soft tantalizing music furnished by Dave Mossman and his 10-piece orchestra.

My hat goes off to the sophomore class who within three days collected \$120.00 dollars for the Sophomore Hop. Thanks and congratulations!

The boys who are on the chairmanship are as follows: General Chairman, Chris Lemus; refreshments, Paul Roets; bids, Ron Peters; publicity, Bert Swanston.

The Billion Dollar Saint

By Jerry Neuberger

It appears our school has become very cultural, with interclass debates and the reading of "Julius Caesar" written by Shakespeare. The biggest project seems to be the school play to be put on in the auditorium on May 1st and 2nd. It is a three act play called "The Billion Dollar Saint" written by Natalie E. White. Its about a saint who comes to a university in Kansas and . . . Well, come and see it for yourself. The cast is entirely composed of boys from our school. It is directed by Br. Laurian. Come and see it and bring your family. The place and time will be set up on posters throughout the school. Ticket sales will start soon.

SCHOOL ACTIVITIES

By Jerry Neuberger

There are still some activities planned for the remaining school year. For example, there are going to be a few more dances, like the Soph Hop. There will also be a dance sponsored by the newspaper staff. There will be field day between the sophomores and the

Press Club News . . .

One more clambake is being planned by the press members before the final retirement of school year 1958-59. This conference will be held at Chico State College around the middle of May. This will be the second Journalism League Conference that has been attended by the erstwhile members of the celebrated Gael Staff. This next conference though — everyone should make an honest effort to attend. Out of 20 members, only seven attended the Sacramento Valley Conference. Lunch will be served by the college on that Saturday so let's all turn out in force for the next meeting.

Awards will be presented within the next month to those members of the staff who contributed the most to the five issues we have published thus far this year.

THIS IS IT!

Yes, this is it. The issue of the "Gael" that you are now reading is the last in the line for this year. The next big publication will be the "Gael Annual" which will be out the last of May or the first week in June. The two months following this issue will have your "Gael" staff extremely busy completing the final stages of the Gael Annual.

Here are just a few of the many features that will be out in the Annual:

1. Pictures of each sophomore homeroom class.
2. The school year news summary.
3. Pictures of your favorite teachers and staff members.
4. Sophomore class Prophecy and Will.
5. Athletic pictures.
6. Second semester honor roll.
7. Your "Gael" staff (pint size photo).

The price of this huge bargain is only \$1.00 prepaid, so let's place our orders now . . . the deadline for all orders is April 30th—Don't be late or you may miss out. Money will be taken and you will receive a receipt during noon-hour in the cafeteria on Mondays and Thursdays only.

Gael Staff Gets Treat . . . Learns Lot . . . Eats Fr

The ever popular staff of this year's Gael made a trip to the Sacramento State College April 4th to attend and participate in the Central Valley Journalism Association Conference and lunch. This event is an annual affair in which all the elite of the High School Scholastic Journalism Fraternity meet with the advisors of the various and sundry school papers and noted journalists of our time.

The well-planned program was directed by Mr. George Studley, who teaches at mighty El Camino High, and his very capable slate of officers who were unanimously re-elected to their positions for another year.

Many fine speakers were present at this affair. Among the list of celebrities were such newsmen as Ben Martin, representative of the Northern California Association of Professional Journalists and our own "Slipper" Stu Nahan who gave a talk on sports reporting. Although many members of the Gael Staff could not make the Saturday conclave, there were seven members of the staff who did attend. These were Mike Guthrie, Richard Merri, Dave Brown, Richard Neuberger, Jim Waterman, Jerry Keating, and Larry Westerfield.

The Close of the Year

The end of the school term 58-59 is rapidly drawing close. The members of the school staff wish to take this opportunity to thank all the news sources that assisted us in publishing the Gael. We hope that you, the students of C.B.S. have enjoyed reading these last five issues of the Gael and will continue to do so next year if you are a member of this year's

fairly good from all reports a second helpings were had by practically everyone in attendance. Our thanks to Mr. Studley, Mr. Maguire and others who made this trip possible.

Thanks To A Fine Crew

I would like to take this opportunity to thank all of this year's staff members for the fine job that has been turned in on the few issues that have been published this year. My sincere appreciation extends not only to the editors and columnists but to the makeup men and circulation department. Without the assistance of this fine staff, and the smooth-running operations that resulted from the excellent display of teamwork, our paper would have been sadly lacking in continuity and reliability. I feel that certain definite improvements have been made in the paper since the first issue this year and the resulting issues are an example of the staff's fine works and excellent journalist attitudes.
