"What a dull world this would be were we all alike. What an evolutionary dead end! To be brothers, to live in peace, we do not have to be overly similar. We do not have to admire or even like one another's peculiarities. We need only respect those peculiarities - and to be grateful for them. Our similarities provide us with a common ground, but our differences allow us to be fascinated by one another. Differences give human encounters their snap and their fizz and their brew."

of Mr. Rudy Schulze

Mr. Schulze was a great principal here at Christian Brothers High School. Although I am a student, I unfortunately, never got a chance to know him personally. As contradictory as I am about to sound, I also felt very close to him. I say this because he was always in our presence. In most of my classes, as well as in many of the other students' classes, he would always walk in and observe how we were doing and sit there with us. At this point I always felt like it was his way of making sure we were okay, and we were receiving the education we deserve. It was like he was a father to every single one of us and was watching over us. At break I remember seeing him sitting at a table standing on the edge of the grass talking to a faculty member. He would talk as he looked out and observe all of his students. Most importantly, I remember the encounters I would have with him. This is why I will never forget him. There are plenty of times when one walks through the hall and there is an awkward moment where one either chooses to look up and acknowledge someone or pretends not to notice them. Sometimes one is too tired, feels weird, or is just too busy to take the time to look up and say "hello" to someone else. I know this because I am guilty of it myself. However, I can honestly say that I cannot recall one instance when I walked by Mr. Schulze and he did not say "hi." Once, I remember walking by him when he was carrying on a conversation with another man, and the moment he saw me, he took the time to pause and look in my direction to give me a smile and nod his head. There aren't very many individuals who acknowledge someone every time they see them, but that was Mr. Schulze's personality. He strove to be as connected as possible with everyone in his life. I have always wanted to thank him for this. I know he will forever be our guardian angel and on behalf of the student body and the faculty, I want to say thank you Mr. Schulze for everything you have done for us. Thank you for your warm smiles and the special impact you have made upon our lives.

Thank you.

Athletic Department

S P O R T S

Mrs. Jill Bennett Athletic Director

The Athletic Department proudly offers more sports (22) and teams (52) than most other schools in the Sacramento area. We have more people competing in sports than ever before; this year we will approach 800. In addition, this year we have had more athletes compete in 2, 3, and 4 different sports. Lastly, we have a great coaching staff which is committed to excellence and success. Thank you to all who have represented CBHS so well this year!

Mr. Rich Henning, Assistant Athletic Director

I am in my second year of CB, serving as assistant athletic director, head varsity boys basketball coach and assistant boys varsity baseball coach. Coming to school everyday and being able to interact with the student body is the most gratifying part of my job. Working with Mrs. Bennett, Mrs. Heine, and Ms. Stark has been, not only a great pleasure, but has made my life and my job much easier. I feel very fortunate to be a member of the CB family.

Mrs. Diane Heine - Athletic Department
Administrative Assistant

I started coaching at Christian Brothers in 1991 as assistant varsity softball coach. I began coaching girls volleyball in 1996 and have been with the volleyball program since. Currently I am the girls head varsity volleyball coach. To put it simply, I love what I do!

Ms. Darci Stark - Athletic Trainer

As the Athletic trainer I am responsible for the prevention, assessment, and rehabilitation of athletic injuries. After school I spend about an hour evaluating injuries, boxing, getting coolers out to games and doing paperwork. After that I walk around to practices or attend whatever games are going on that day. It is a lot of work, but I love being involved with the athletes and coaches.

*When the warmth of the sun touches my face,
I see your smile and feel your embrace.*

*I hear the whisper of love in the wind
And I know that you are close to me again*

*The rain speaks of tears and the thunder of pain,
But soon the sun comes the earth to reclaim.*

*As the days come and go and the world moves on,
I know you're still here, you'll never be gone.*

*On the night the Angel came and took your hand,
We cried as you left for an unknown land.*

*But Heaven rejoiced as you came into sight,
For your soul was a diamond, shining so bright!*

For the love of the students...

Brother Dan

Last summer, Br. Dan was taking a break and recharging his battery in Nebraska, Canada, Washington, and Alaska. While he was on his sabbatical, he received a call from Christian Brothers High School with the sad news of the death of principal, Rudy Schulze. C.B. needed the help of an experienced person who would be willing to take Mr. Schulze's place until a replacement could be found. Without hesitation, Br. Dan accepted the challenge, putting his beautiful journey on pause. In November, he returned to Christian Brothers High School excited and ready for the challenge.

He had previously been a principal in both Fresno and Washington, and he was definitely ready for the hard work ahead. Br. Dan first started teaching at C.B. in the 1980s, so he was very excited to return to a place for which he held a great fondness. Br. Dan states, "Being the interim principal has been a struggle, but also a great experience; I love the students." In a time of sorrow and need, Br. Dan stepped up to the plate for the Christian Brothers community. From all of us at Christian Brother High School, we thank you, Bro. Dan, for the sacrifices you have made for us.

"He is a really good teacher. I wish I had him again this year; I'm glad he is back as the principal." - Katelyn Dawney

"Bro Dan, you are the man I love you so much I would buy you a van. And if you need a kitchen utensil, I would lend you my pan. I love you Bro Dan!" - John Malnowsky

"I have known Brother Dan since 1980, when I attended Christian Brothers High School. We are fortunate that he was willing to forgo his sabbatical in order to be our principal" - Mr. Paul Havey
