# how do you measure a year?

**In daylights, in sunsets**  
**In midnights, in cups of coffee**  
**In inches, in miles, in laughter, in strife**  
*In five hundred twenty-five thousand six hundred minutes*  
**How do you measure a year in the life?**

From Holy Bowl to Founder's Day, from Homecoming Prom, there are so many events to attend and places to go that we may forget that it's the minutes in between that make up our year. It's the little things that get us through our days and eventually our weeks, months, and semesters. We may not remember each specific moment of our lives, but we remember how people, places, and experiences make us feel. So here's to remembering that perfect Oscar burrito, starting essays the night before they are due, finding that perfect prom dress and matching tie. As you flip through the pages of this yearbook, think about the events that made your year memorable, but more importantly think about the friendships you formed and the love you shared.

*It's time now, to sing out,  
Though the **story never ends**  
Let's celebrate  
Remember a year in the life of **friends.***

# Beauty & the Geek

The annual Sadie Hawkins Dance was held on February 12, 2011 in the OB Cafeteria. The theme this year was Beauty and the Geek and many students were excited to get dressed up. There was a big trend of men donning suspenders and glasses, while the women looked beautiful in their dresses. "It was tons of fun, and the music was awesome" said Senior Erica Peterson. Overall the night was a success, thanks to everyone who planned and attended this years Sadie Hawkins Dance.

# ~~DISPLACE ME~~

DISPLACE ME began as an event to raise awareness for the invisible children in the Sudan. It addressed the issues of child soldiers. In America our invisible children are the homeless youth. Students who participated in Ms. Lystrup's Social Justice class studied the plight of homeless youth in America. As part of the study, Christian Brothers students spent the night on campus and slept in sleeping bags and cardboard. They were given only a bowl of soup for dinner, they listened to formerly homeless guest speakers, and they watched a short film on local homeless youth. Students could not bring any toiletries onto campus, they were not allowed to go to their lockers, and they had to ask for spare change during break and lunch. The students raised \$169.00, and with this money they bought socks for the homeless. During the winter and rainy season the homeless can always use extra socks to keep their feet dry and warm. Students reflected on their experience and gained a little more understanding about the plight of homelessness.

"Displace Me was such a profound experience because it gave us the chance to get a taste of homelessness. Though it wasn't exactly like the real thing, I am proud to have stepped outside my comfort zone to better understand those who have been forced to live on the streets. It was a truly special experience and I hope that it gets better and better in the years to come."

-Mackenzie Long

Participants (not in order): Lisa Caselli, Rose Bunker, Taylor Valmores, Zachary Girizzio, Morgan Rothenbaum, Marissa Gutierrez, Megan Lent, Stephanie Brazial, Rachel Pittman, Claire White, Kelsey Wong, Lisa McMonagle, Rodney Bridges, Mayely Paez, and Vincent Egure. Mr. Riley-Porter Not pictured; Mackenzie Long, Cassie Moore, Lucas Mullen, Chazelle Brown, Mackenzie Howard, Gabriel Bayard, Connor Lee, Dominga Noe, Erika Nivens, Ms. Lystrup (organizer), Mr. Barnes, Mrs. Moskat, Mrs. Nelson

"Displace Me was an eye opening experience for me. We judge so much, and we don't really begin to understand a person until we've walked in their shoes. That's what Displace Me did for me; it allowed me to get a glimpse of the reality that is homelessness." -Rodney Bridges

"Throughout life there are experiences that impact one's life forever; this was one of them. During those few hours we shared the hunger, cold, and disregard from several students. As a result we became more aware of the pain in the world. We became better people and will truly leave to serve."

-Vincent Egure

# Brotherhood

**After 135 years,  
it's time to say goodbye.**

**B**rother Thomas Pham

**B**rother Donald Johanson

**B**rother Chris Donnelly

**T**he De La Salle Christian Brothers District of San Francisco formally announced that a number of Christian Brothers' residential communities will be consolidated at the end of the school year. This change, part of a long process of turning over school leadership to Lay Partners, allows for larger living communities for the Brothers which is a vital component of their religious vocation to pursue their works "together and by association." CB's residential community is one that has been selected for consolidation and our Brothers, Br. Christopher Donnelly, FSC; Br. Donald Johanson, FSC; and Br. Thomas Pham, FSC will be leaving CB this summer to join other communities in the Western United States. We are blessed in Sacramento to

enjoy close proximity to the District of San Francisco headquarters in Napa and as such, will maintain a close working relationship with the Brothers. At CB, day-to-day operations will remain the same. While we will deeply miss their daily presence on campus, CB steadfastly remains a Catholic, Lasallian school. We are well prepared and proud to be entrusted with carrying on the school's 135-year tradition of excellence in education while inspiring the hearts and minds of the students entrusted to our care.

Our three Brothers have told us they are going to miss the community at Christian Brothers very much. "We have felt so much at home here, our leaving is going to leave a big hole in our hearts. We love you all very much."

## The Brothers Mission Statement:

*"Catholic men continue to answer God's call to educational service as Brothers of the Christian Schools, particularly to the service of young people isolated by poverty. Brothers meet the challenges of their mission through the support of daily prayer and life together in community. In over 80 countries, De La Salle Christian Brothers respond to the call of their Founder, Saint John Baptist de La Salle, 'to touch hearts.'"*

## A Year of Livin' the Fourth

"You'll be in my heart no matter what they say. You'll be here in my heart, always. We can't they understand the way we feel? They just don't trust what they can't explain. We know we're different, but deep inside us, we're not that different at all. And you'll be in my heart. Yes, you'll be in my heart from this day on now and forever more."

-Phil Collins
