# Final Take: A Time To Remember

... and it has certainly been A Time to Remember for us the class of 1999. As we review the montage of our four years together, we take the time to reflect on our memories. Moving on to even greater successes, let us never forget the wonderful experiences we have shared and the life lessons we have learned, which helped us learn to be successful.

Freshman year, we, and many others, auditioned for the part in the Christian Brothers community. While some were edited and cut, only the best of the best were allowed to play the part of a C.B. student.

Sophomore year our characters developed even more, some of us grabbing the spotlight, and some of us working hard behind the scenes, but we were all stars.

Junior year, we earnestly began to work on drawing our storyboards for the future. Our background teachings from our teachers, counselors, and friends aided us in the selection of the new roles and characters we would play.

Now our Senior year has come and gone. As the camera pans over our lives at C.B., we remember our happy times and the experiences that changed our lives. Our futures may be hazy but the experiences and the lessons we learned are particularly sharp and clear.

We have finally ended our span at Christian Brothers High School, but we will never forget the memories we have of our C.B. family.

What is retreat for?

Mr. Fernandez answers:

Retreats are a chance for our students to deepen their relationship with God. Each class retreat has a theme. The one in the Senior year where the seniors go is the Unshiner's Derby at the Flusson River for an overnight experience. For seniors especially, the retreat provides a way to review their relationships with their classmates, their families, and their God before leaving. Max and Tito (the tenors) make the audience breathless as they sing Othello.

The fall play, "Lend Me a Tenor" written by Ken Ludwig was a great success for Christian Brothers High School. The play is a cosmic force which delves into mistaken identities and miscommunications and left the audience wiping tears from their eyes from laughter. The cast enjoyed playing very unique characters with a lot of color and personality. Director, Mr. Bohm, said of the cast, "They all worked very hard on their comedic timing and put on a very fine performance. I was very proud of them."

Max impresses Maggie with his voice and good looks.

Max and Mr. Saunders can't believe that Tito is dead.

# Spring

## The Spring Musical

The Drama Club, along with other CB talents, put on the Spring Musical.

## About the Spring Musical...

Meredith Wilson's "The Music Man" is the Spring Musical for Christian Brothers High School. Performed over two weekends, The Music Man is all-American entertainment. It has songs that have become popular American standards, characters of every conceivable kind and dramatic situations which are touchingly funny.

It is the story of fast-talking Harold Hill, who cons the good citizens of River City, Iowa, into buying musical instruments by promising to create a boys' band. Not knowing a clarinet from a saxophone, Harold expects to skip with cash in hand only to be caught in the arms of a beautiful Marian, the librarian, who transforms him into a reformed rogue and respectable citizen by curtain's fall.

## C.B. Hockey: To be, or not to be...

In the 1997-1998 school year, the increasingly popular sport of roller hockey began to make its way into our Christian Brothers' community. Tom Arthur (11), who loves to play hockey, devised the idea of forming a Christian Brothers roller hockey team. So he began to gather his hockey playing friends, along with anyone else who was interested, and started having practices. Eventually, the team put their money together and bought jerseys with C.B. colors and logos and scrimmaged against other teams.

This year, the hockey team officially became a club at C.B. Anyone interested can feel free to join by getting information from one of the team members. Tom Arthur & Peter Shragg (12) say, "Hockey is tough, but great. It's harder than football; has more contact than in basketball, you sweat more than soccer players, and it is definitely more fun than baseball, volleyball, and golf." If you disagree, then join the team and find out for yourself!

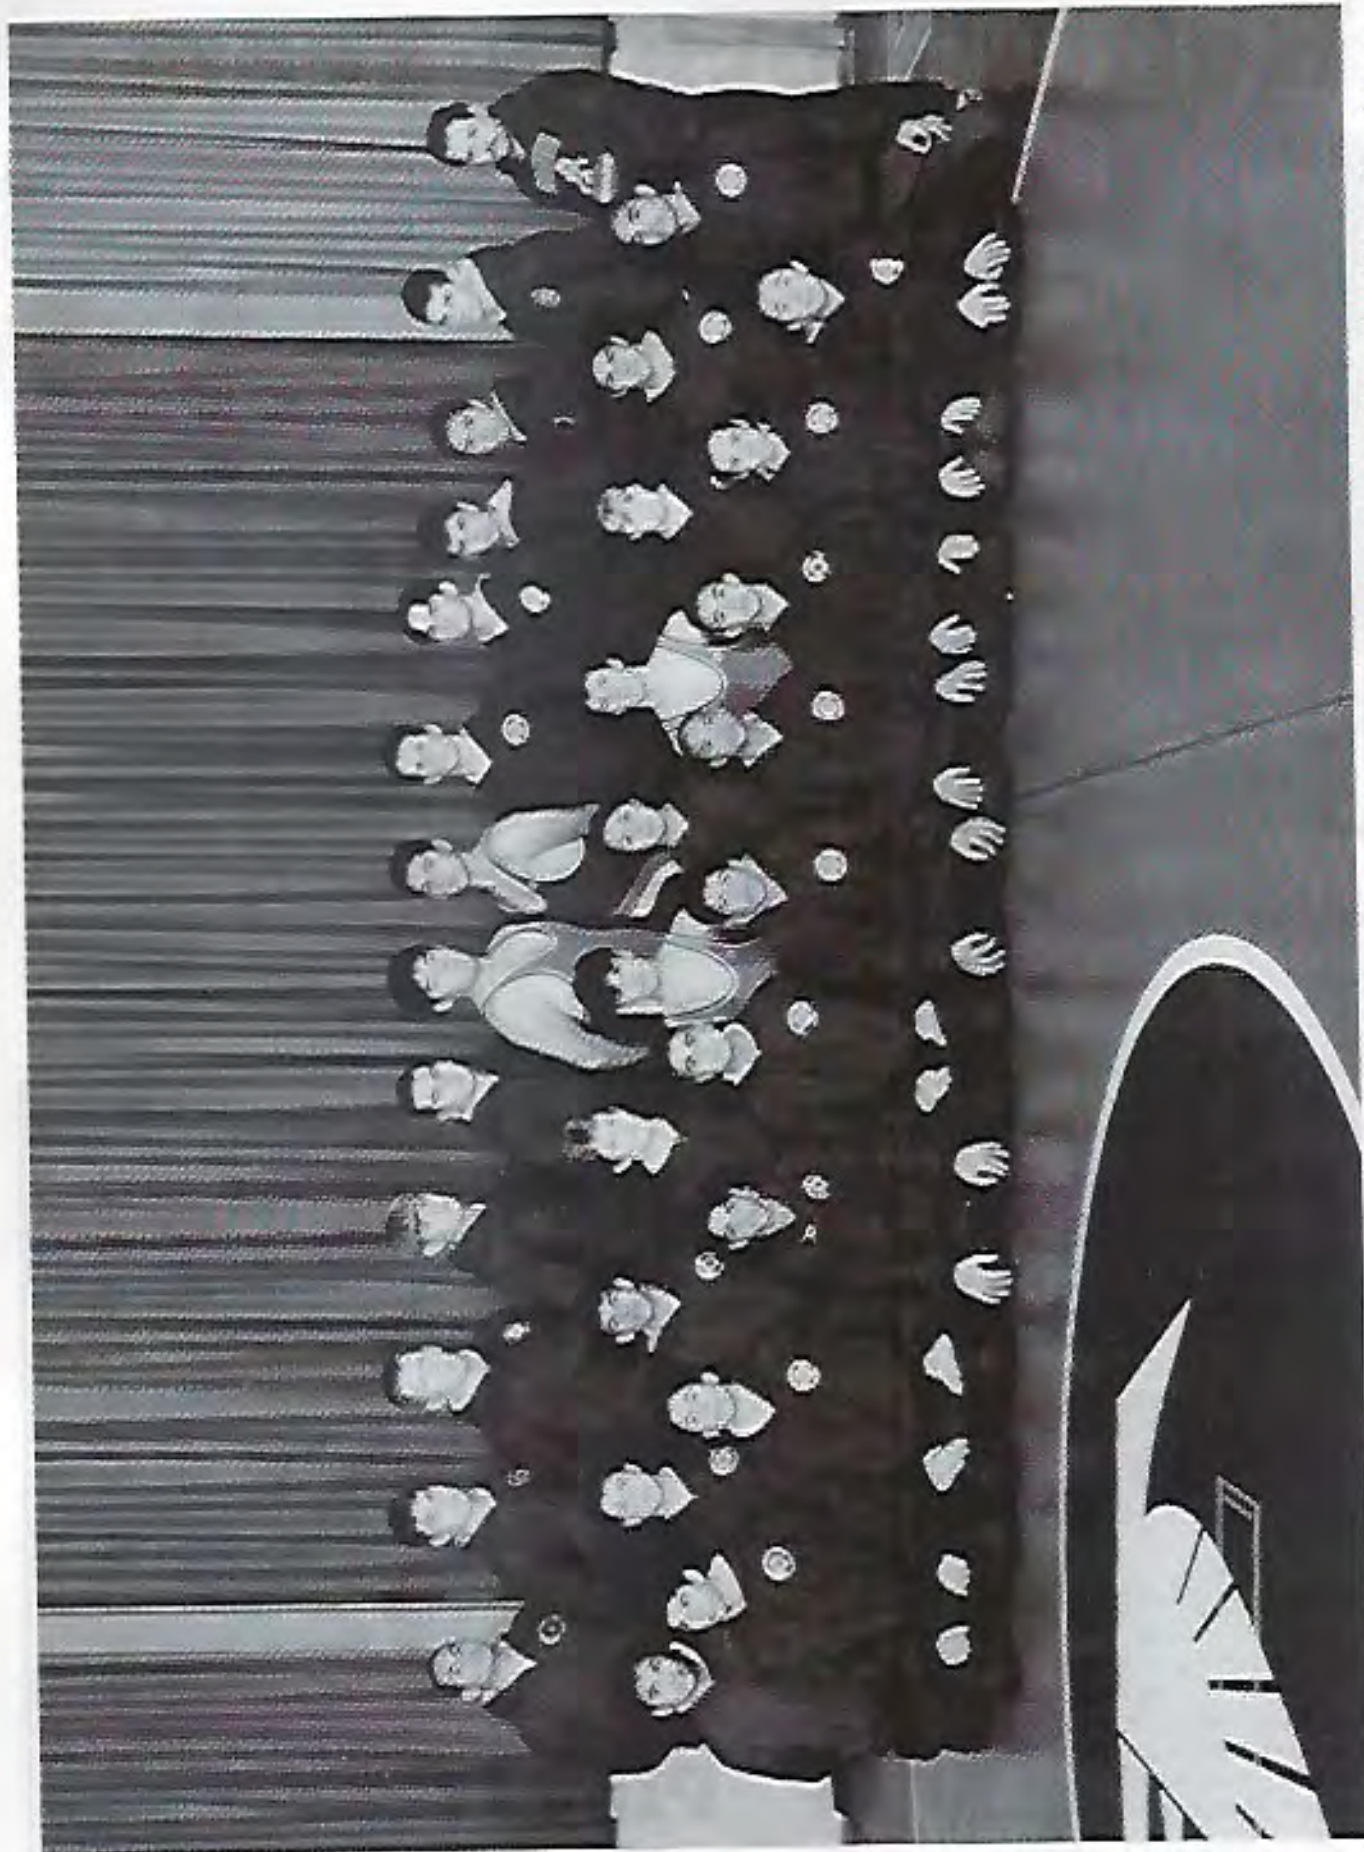

Unfortunately, roller hockey has not been officially recognized as a sport at C.B. Due to budgeting costs, another sport cannot be properly funded. So, the fate of the C.B. roller hockey team rests on the shoulders of the student body. If enough people become interested in both joining and/or supporting the hockey team, then maybe there is still hope that Tom's dream of making hockey a sport at C.B. will come true.

A yearbook is the perfect compromise between a movie and a book. Great pictures are paired with insightful quotes, the result is a story that satisfies both literary and visual mediums. Of course, every movie has a "behind-the-scenes" crew, and every book has a team of editors. I would like to thank the people who deserve Oscars for their performance in these areas.

<sup>1</sup>Mr. Paffrath, our Jostens' representative. His expertise and guidance have been invaluable. He also has great taste in popcorn!
