SENIORS

What has been your best memory here at Christian Brothers?

"Growing taller than all the girls, because now I'm not the cute, tiny kid anymore." -Nathan Browne

"Freshman year, Beating St. Francis in Volleyball." -Paris Kidd

"Seeing how little homework I could do." -Sean Witt

"Going to Football games in the freezing, cold weather. Trying to find ways to keep warm." -Becky Jensen

"Freshmen Lock-in, because everyone kicked-it together and had a good time." -Katie Freeman

KEEPING THE FLAME ALIVE

As seniors, we the class of 2000 can look back at all the memories and events that we have participated in to keep the pride and spirit of the Christian Brothers community alive. We have been role models for lower classmen who looked up to us day after day on how to work, and carry on the Christian Brothers tradition. Now, as we get ready to move on and establish our own identities, we will take with us the memories and lessons we have learned while at Christian Brothers.

Freshman year. After going through the stress and worry of trying to get into Christian Brothers, we experienced the very first Lock where we were introduced to the rest of the class of 2000 and the people who would become our closest friends. We also participated in the start of the Service Program where we learned how to give something back to our community.

Sophomore year. We were relieved that we no longer held the title of being "freshman." However, we now had the responsibility to be role models and set an example for the new freshmen class. We defended our title in Powder Puff and continued to display our overwhelming spirit at the rallies and games.

Junior year. Upper division, finally! We socialized with the seniors at lunch and attended the long awaited Upper Division Ball. However, junior year was the hardest year for most of us. College was just around the corner, and we had to really concentrate on our grades and what we wanted to do with our lives.

Senior Year. At last! We were at the top of the school and ready to leave. We were looking forward to college and the new experiences and people that we would meet. We attended our last Homecoming and Upper Division Ball. We also had to say goodbye to some of our closest friends and admired teachers.

Overall, we realized how much of a difference we had made in the Christian Brothers community and within ourselves. We kept the Christian Brothers Name alive and had lit the way for the future freshmen, sophomores, juniors, and seniors to do the same.

What are some old traditions about the seal or any other aspect of Christian Brothers that you remember?

"At least 3 or 4 times a year someone would jump off the rails of the second floor and land on the ground, in an attempt to show off their 'manhood'"-Mr. Paul Havey '81

"One night before the Holy Bowl we heard that Jesuit was going to attempt to 'do something' to the school seal. As such, a group of us camped out around the seal to insure that nothing happened. During the night several cars drove by but none stopped."-Mr. Kenry Kirrene '78

"There was a 'Friday ritual': After the last bell, guys would change into 'street clothes' all over the campus ... from bathrooms, to classrooms, even in the parking lot." Mr. Wil Jorae '89

"As punishment for walking on the seal, Seniors would sometimes take a freshman and place him (gently) into one of the nearby garbage cans, head first."-Mr. Kevin McGovern '74

The Christian Brothers Drama Department proudly presents "The Nerd" a comedy by Larry Shue. "The Nerd", a comedy in two acts is the story of a thirty-something architect who receives a call from Rick Steadman, "the man who saved him in 'Nam.'" Upon meeting Rick, who turns out to be a nerd, hilarious antics take place that leave our protagonist choosing between respect for the man who saved his life and kicking this man out who has turned his life completely upside down and inside out.

"What did you say?"

"It's just not fair!"

Thor looks as though he has seen a monster.

Along with the leads comes a chorus of almost 50 students who sing, dance and act their way through a very imaginative and funny show.

Bye Bye Birdie is one of the most captivating musical shows of our time. It tells the story of a rock and roll singer, Conrad Birdie, who is about to be inducted into the army. His agent, Albert Peterson, and Albert's secretary, Rose Alvarez, both keep Birdie's career moving forward. Rosie concocts one final national publicity plan before Conrad's departure. He will bid a typical American teenage girl good-bye with an all-American kiss. The antics that occur as a result of a little town turned upside down are what make Bye Bye Birdie one of the most performed and enjoyed musicals today.

It is every coach's dream to see a player take a great athlete play on his or her respective team. One cannot put into words what it is like to watch a gifted young player mature into a highly respected athlete, knowing you got to be there at the beginning. But when that athlete is every bit as fine a human being as he is an athletic talent, then one must think a higher power for such a rare and unique privilege. Albert Hollis has been that player for me.

For the past four years we have been treated to an exceptional display of football and track performances, the likes of which we may never witness again. Albert Hollis has given the school community much to be proud of, and he will continue to represent us for years to come. All of us can take a small amount of pride in his achievements, and a large amount of pride in his character. In an age where athletes gain more notoriety for their failures as human beings than they do for their physical performances, we can send our young men off to the University of Georgia knowing that he will always represent the very best of his family and our school. Thanks for the great memories, Albert, and I look forward to those yet to come.

Change Is In The Air

During the Christmas break, six of the portables from the north end of campus were relocated to the tennis court area. The school administration, in conjunction with alumnus and architect Ron Carissimi, developed a 15-Year Master Plan for the Martin Luther King Jr. campus. Relocating the portables was the first step in this process.

We are in the study stages of considering the building of a two story, Science, Math, and Technology Wing on the ground vacated by the portables. Additional parts of the 15-Year Campus Master Plan include the building of a second gymnasium and a performing arts center.

Here lies the Christian Brothers tennis courts untouched.

Founders Day 1999; Kyle with Sarah Labhard, and Jeremy Seltz

The Sly Park Cabin leaders

Dear God,
 Help us through these hard times
 My life has witnessed the
 death of so many lives
 But, why a young man so full of ambition
 Is this part of...your mission?
 Why do you take the best of lives
 The kindest man who wanted to survive
 I remember it like it was yesterday
 But I cannot reach back
 I remember the smile on his face
 But it all turns black
 My eyes and ears are shut
 to avoid all of this pain
 To only open them will induce more pain
 Dear Lord, let me be your sheep
 and lead me to green pasture
 And let me know what
 my life is really after
 His life was straight,
 with no bad ties
 Was this his fate?
 Or are you all lies
 You know what, among all
 this you are still in my life
 But God, why did you have
 to take another good life?
 A good soul wandering amongst the clouds
 He was lost but now is found by
 eternal love from us, his pals
 I can always recall the smile on Kyle's face
 Not mad or sad, just fit right into place.
