Leaving Our Mark

As the rest of the student body continues to make its mark, we, the class of Nineteen Hundred and Ninety-Seven, have left ours.

As Freshman, we reluctantly dipped our small hands into the fresh paint of new experience.

Sophomore year we spread our paint-smearred hands around, saturating every line and crack of the new year, and getting the enormity of the paint between every finger and under every fingernail.

Becoming Juniors meant preparing to lift our wet hands from CB once and for all.

Now, as Seniors, we eagerly seek to plant our skilled hands on any available surface we can find, as we plan to leave our ever-lasting marks upon the canvas of Christian Brothers.

Ah, but to the dismay of many, it may not have been the cleanest, neatest, or classiest mark-leaving process this school has ever seen; however, as judging by the success of our numbers, it was the right way. We didn't create a Norman Rockwell, but on the other hand, it was nothing like an Andy Warhol either, it was much more unique than either of those, because it was our painting-our life in color.

So now we prepare to begin again, to dip our hands in a new color of paint. However, whether it be the primer of college, the indistinct hues of a job, or the multi-colored paint of travel abroad, we will never forget the marks we left upon the canvas of Christian Brother's history: the mark of the class of 1997.

The image features the word "WANTS" written vertically in a highly stylized, bold, black font. The letters are thick and rounded, with a slight shadow effect. The word is oriented vertically, starting with 'W' at the top and ending with 'S' at the bottom. There are decorative splatters and small black dots scattered around the letters, particularly near the top and bottom, giving it a dynamic, hand-drawn appearance. The background is a light, textured surface with faint grid lines.

Christian Brothers Appoints a New President

On September 16, Mr. Mark Warren officially became our new president of Christian Brothers High School. After months of searching and interviewing candidates, the Board of Trustees and the Lasallian Education Corporation appointed Mr. Warren to replace the interim president, Dr. Donald Gilott, Ph.D., who has served at Christian Brothers since 1993.

Mr. Warren brings a wealth of Catholic education experience with him to Christian Brothers. For the past 24 years he has served at Jesuit High School, working as a teacher, counselor, and coach, and for the past eleven years, he was the Director of Development.

His work here at Christian Brothers will continue in that vein. As president, Mr. Warren is the chief administrator at the school; he appoints the principal and is ultimately responsible for all aspects of the school, especially financial. Financial development is, in fact, his focus. While he works to mold the school into the future, the principal is in charge of the daily operation of the school. "I am delighted and excited," said Mr. Warren "to be a part of the Christian Brothers tradition. We have a very good school and I am very impressed with the dedication and competence of the faculty and the spirit and friendliness of the students."

Spirit Brothers

Every year CBS holds Spirit Week, which brings both lower and upper divisions together to unite as one and have miniature competitions against each other. The largest competition is the battle over the spirit stick. For the first time in history, the class of 1998 took over the spirit stick, and earned the most money in walk-a-thon pledges. The junior class this year has been working hard for the spirit stick. It is about time we get it - Mercedes Taylor. Ryan Frank says, "Retreats are very, very, very good."

Here at Christian Brothers, we have a rigorous schedule, even for those of us that don't play sports. But we also have a perk that makes all that necessary academic stuff worth it. Retreats! "I loved my retreat," said Sara Burruel, "And I can't wait until next year!" These retreats last all day, and allow for kicking back and sitting in a circle learning about one another. "It is real fun because I realize now that Freshmen aren't just little kids, but people with personalities," said Senior Retreat Leader Alison Alcovendez.

The nature retreat was in Healdsburg, CA, where students participated in nature hikes and nature activities, or the silent retreat where students were able to enjoy the silence. These experiences were successful in taking students from the grind of school and letting them open their mind to new experiences.

1996... A Year To Remember.

ELECTION

Bill Clinton soundly defeated Republican nominee Bob Dole and was re-elected to his second term. This election was one to remember because many of our peers were able to vote for the first time. On this year's ballot was the controversial Proposition 215, which was the legalization of marijuana for medical purposes.

OLYMPICS

Atlanta, 1996. Records are broken and heroes are made. U.S. Women's swimmer Amy Van Dyken became the first U.S. woman to win four Gold medals in a single Olympics. Kerri Strug led an emotional performance as the girl's gymnastic team took the Gold. Michael Johnson became the only man to win Gold in the 200 and 400 hundred meters in the same Olympics, breaking the world record in the 200. Finally, Carl Lewis defied his age by winning the gold in the long jump, becoming only the second man in history to ever win the same event four times.

KINGS

In the 1995-96 NBA season Sacramento Kings made the playoffs for the first time during their eleven-year Sacramento history. Mitch Richmond, who led them to the "Promised Land", represented them in the All-Star Game and earned a spot on the Dream Team for the Olympics in Atlanta, Georgia.

UNABOMBER

Ted Kaczynski, the main suspect in the mysterious Unabomber bombings, was found and arrested. He was hiding out in the back-woods of Montana as a hermit. He faces many convictions as he awaits trial in Sacramento.

TWA FLIGHT 800

On July 17, 1996, a few miles off the shore of Long Island, TWA Flight 800 was unexpectedly destroyed in mid-air. Over 230 passengers were on board as this unfortunate event took place. This tragedy shocked the nation as the mystery of why it happened still looms.

MADONNA'S BABY

In 1996, Madonna gave birth to her first child, Lourdes. Amid all the pressure and controversy, Madonna carried herself well, always concerned for what was in the best interest of her child.

SPORTS IN 1996

In 1996, many dynasties were crowned champions again. The Dallas Cowboys won their third Super Bowl in four years by defeating the Pittsburgh Steelers. The Colorado Avalanche, in their first year since moving, won the coveted Stanley Cup. The Chicago Bulls won their fourth championship in six years, with Michael Jordan, in his first year since retiring and returning, winning MVP, All-Star MVP, and NBA Finals MVP. Finally, the New York Yankees returned to the World Series to defeat the Atlanta Braves and be world champions again.

TUPAC SHAKUR (1972-1996)

Tupac Amaru Shakur, better known as 2Pac, passed away this past year. Few artists, in any field, have pushed the envelope like he did. 2Pac's bright, but brief, career was filled with controversy, but still is recognized as a hero to some for the realism he portrayed in his music and films. Whether a fan or not, one must respect the trials and tribulations he went through in order to achieve success.

TIGER WOODS

Golf was once considered a sport for older people because young people had nobody to identify with in the sport. This is no longer true. Enter Tiger Woods. The 20 year-old from Stanford took the golf world by storm with his flair for the game. Many young people can identify with him because he is close to our age and of an extremely diverse background.

Wellspring: Now You're Cooking!

The Wellspring Breakfast Club was founded in 1988 at Bishop Manogue High School, out of a desire to embrace the women and children of Oak Park through a concrete gesture. Ever since that time, students from CBHS have continued to make breakfast two mornings a week for around 100 guests at the Wellspring Center. For many students in the club, this simple act of charity has become a way of beginning the morning—flipping pancakes, frying eggs, making home fries, and being together in an ever-growing friendship.

Mock Trial: Take a Stand

A mock trial is a simulated trial level legal proceeding which features students in the roles of pretrial attorneys, defense and prosecution attorneys, witnesses, court clerks, bailiffs and jurors. The purpose of the mock trial is to help students learn the legal procedures by which facts are determined and the rules of law applied to a controversy. Student teams from over 20 Sacramento area schools will study a hypothetical case, conduct research and prepare for their day in court with the assistance of a volunteer attorney coach.

The student's job is to develop arguments using the facts with the appropriate law that will convince the jury to either convict or acquit the defendant. Teams will be judged on how effectively they

prepare and how they present their case.

Moderator

Competition

Moot Court is made up of dedicated students ready for a competition. The Moot Court members take supreme court cases, slightly modified for the moot court, and the facts and the legal

cases of the law are studied. Both the facts and the cases are combined together for students to argue in front of judges. An appellant tries to overturn the case while a respondent tries to uphold the case. Students compete against other high schools in the area and are judged how well they can argue a case.

The varsity team this year had a great year, though the score may not have always looked that way. As a team they made friends, had fun, and looked good together. As individuals, they learned skills that will help them in years to come and they each tried to excel in their positions. They may not have always won the football games, but none of them are losers.

Varsity Men's Soccer

"Wait, watch as I make this awesome pass!"

This year's soccer team had a good but disappointing season. After going 7-5, they missed play-offs by one game. The record was an improvement from last year, and shows the rise of the soccer team. Led by team captains, Levi Henson and Mike Mayes, the team produced six players with All-Metro honors. Players on All-Metro first team include Levi Henson, Mike Mayes and Milton Moreno. Players on All-Metro second year include Alberto Lopez, Garrett Potter and Aaron Tsuda. With Alberto, Garrett and Aaron all returning next year, the success of the soccer team promises to continue through upcoming seasons.

"What do you think about this year's season?"

Jon Muller

"We did a lot better this year than last year."

The team huddles for a pep talk, but Paul, Alejandro and Dave are more interested in the Jesuit water polo team.

Aaron Tsuda just kicks it.

Alberto Lopez

"It was a hard season, and we didn't do as well as we should have. We had a lot of potential, yet we just didn't completely work up to it."

Dave Valentin slyly maneuvers around his defender for the ball.

"What?!?! What do you mean we were going the wrong way?!?"

Paul Taromina

"We did well. I mean, we won one game away from playoffs. We especially did well in our last game. We went from our 4-11 record last year to a 7-5 for this year."

J.V. Men's Soccer

The Junior Varsity men's soccer team has many reasons to be proud of themselves. Along with defeating Jesuit twice, their 11-1 record made them the first team to win a Metro Champions title at Christian Brothers this year. Sadly, their only loss was in a 27 minute battle with Sac High. With their talent and teamwork, the team promises to add much depth to the Varsity squad next year.

This year, the Cross Country team is wasting the competition. "I feel that this year the team has grown even closer together," said Christine Fort, Co-Captain. "We put our hearts on the line in every race." Always, the Cross Country team is focused and ready to go. The Lady Falcons' Tennis Team had a great season tying for third in the entire league. Christian Brothers had the youngest and the largest women's tennis team in all of CB history with 26 outstanding players. This season Jennell Groff held the MVP award and Marie Delis received the most inspirational player. Jennell Groff, Marie Delis, and Marisa Uriarte each received the coach's award.

This year CB also had the most successful doubles team play in Metro tournaments with all teams advancing to the finals. In Metro league play, Marisa Uriarte and Katie Gaskins went on to finals but, unfortunately, fell short of victory. This had been a successful year for the Lady Falcons and CB is looking forward to another big team next season.

The Women's Volleyball teams had a fantastic season. Varsity lead the group with a record of 17-6, with a season full of exciting wins and hard fought battles. Their final record was 16-5, placing them third in their league.

The Freshman women also had a great season, ending their year with a respectable 8-7 record. They can be proud of their exciting wins over both St. Francis and Johnson. "We had a good season and we had fun," said Lindsay Poroli.

Will Krambler, River City while awaiting his turn at bat

This year has a lot of potential to be a good season for the Varsity Baseball team. There is a good core of senior players who are bolstered by some strong junior players. The strong group of juniors will also provide a strong base for next year's team.

The Falcons Serve Up Aces

Christian Martinez, Tennis will have a new look this year. Last year a team elected six seniors among the top eight positions. This year there are no seniors among the top eight positions. In fact, seven of the top eight players are lower division players. Carrying a larger than usual squad of 22 players, the team is building toward a successful future with 11 seniors, 3 juniors, 9 sophomores and 8 freshmen. After 27 years at the helm, this is Coach Pat O'Brien's last year of coaching tennis. Coach, dean of the Metro League tennis coaches, is proud of his two championship squads in the 1990's but equally gratified with the many players who have become more skilled at tennis, have developed their craft for life long pleasure in the game, and have demonstrated incredible sportsmanship. In all these years, there has never been an incident of unsportsmanship from a club player.

"Wow, that's a nice serve Brian," thought Mark.

"Hey coach, what do I do with this?" ask Chris Fernando.

Here is the best group of tennis players in the school.

This year, the men's JV Volleyball team experienced a season where they dominated all opponents, always searching for the next challenger. This team has a very promising future as they take the next step to Varsity.

These Falcons keep the front line strong.

The 1997 golf season appeared to be a good one for this year's squad. The 1997 CB Golf team is eight deep with great expectations for the upcoming season. In past years, the Golf team has been very competitive, and then appear to be the same this season as the tradition of excellence for the Christian Brothers Golf program continues on.

Track And Field

Clockwise from top: Coach Taylor watches his hurdlers, pleased. The race is on with LaBake in the lead. These two throwers have a great time at practice. The pole vaulters ready them selves for a competition.

Christian Brothers has one of the best track teams around. This year's is no exception. Runners and jumpers are in shape winning heats, and shotputters and discus throwers crushing the competition. "The Dynasty Continues, baby!" said Drew Sherwood, "and it will forever!"

The Christian Brothers Swim Team has had many successes in the past four years. This year they are led by coaches Pamela Daniels and C.B. Alumni Scott Rasmussen. Junior Vivian Tam comments, "We have a lot of really talented swimmers and a lot of potential. I think it's going to be a great season."

Dick Crane has been C.B.'s diving coach for three years. The Diving Team continues to show improved efforts and dedicated sportsmanship.

Kick The Competition

This year's Christian Brothers Women's Junior Varsity Soccer Team is one we should be proud of. The team is very skillful, anticipating success through constant development in the sport of soccer. The success of the team is based on a strong team-oriented foundation. With the returning junior varsity players and new players joining the team for the first time, the team is more advanced and hopes to continue developing players into a system of sportsmanship with Christian values and well-rounded learning in a supportive teamwork environment.

Varsity Women's Soccer

Kick it! Kick It Good!

Sophomore Sarah Rogers outruns an opponent from Florin.

Their faces twisted in determined anguish, Senior Emily Castillo-Kintscher and her opponent fight for the ball.

Junior Megan Robinson really knows how to use her head.

Sophomore Alison Alberici takes off after the ball.

Lucky number 13, Senior Amy Stenbakken, wins the ball from Florin.

The Varsity Women's Soccer Team is a promising one again this year. The team is led by four strong senior players: Gina Francesconi (who was All-Metro defensive player of the year last year), Marie Santiche (who made First Team All-Metro goal keeper for the third year in a row last year), Amy Stenbakken and Emily Castillo-Kintscher (both of whom made Second Team All-Metro, Amy for offensive and Emily for defensive).

In addition, several strong sophomore players are returning. These include Alison Alberici (who made First Team All-Metro as a midfielder last year, even more outstanding because she was a freshman), Kate Chiquita (who made Second Team All-Metro as a defender last year).

Coaches Joe Esfandiary and Mike Ferrigno work hard to help the players enjoy the game, to come away with their skills developed and challenged, and to experience the sense of sportsmanship present in a Christian school atmosphere. They feel every reason to believe they will be successful, citing three successive seasons that the Varsity team has advanced to the year-end Tournament of Champions, strong returning players, and the successful augmentation of the Varsity team with talented JV and incoming freshman players. Wow! What a team!

Seniors Share Their Thoughts

Gina Francesconi

Acknowledgements

The Crest 1996-1997 began in May of 1996, and will live on forever. The memories it holds are courtesy of a great many people:

- Mr. Paffrath, our brilliant Jostens representative;
- The Jostens Team, full of hard work and understanding;
- Coronet, our film developers, and their outstanding photographers Andrew, Fred, and Tom;
- Sister Diana, the best (and quickest!) proof-reader there is;
- Mr. Witry and Sister Maria, the duo responsible for final approval;
- Mr. Capogreco and Ms. Mundo, our helpful translators;
- Ms. Rives, Ms. Tosta, and Ms. Hoffart, the wonderful ladies who helped every step of the way;
- Ms. Rogenmoser, our understanding librarian;
- Mary Hiers, who made sure we got our team pictures;
- all the faculty and club moderators who kept us informed;
- Mrs. Drucker, the best advisor a yearbook staff could have;
- and this year's staff: Suzie, Pat, Greg, Fred, Tony, Tam, Vivian, Nicole, Christina, John, Jim, and Debbie (it was fun, wasn't it?).

Thank you all and good luck Class of 1997!

Foreign Exchange Student

Meredith Olsen

Meredith Olsen came to America from New Zealand in January of 1996. She attended Del Campo High School before moving in with Shannon Oren and attending C.B.S. Despite the fact that she graduated from Del Campo, Meredith participated as a regular senior (with a slight accent) here at C.B.

With an easy smile and friendly hug, Meredith was always open and ready to talk about her home. She laughed heartily at questions like "Do you have cannibals there?" and "Do you ride a horse to school?", but Meredith taught C.B. students about another culture. She will remain in the hearts and memories of the lucky students who spent time with her.

Above left: Sarah James, Amy Johnson, Meredith Olsen, Briany Lindgren, and Anne McMonigle exhibit intercultural friendship with Mark, Troy, and James in the background. Right: Meredith poses with Sara McInroy and Jernine Maldonado.

You have accents, too!
