

BISHOP MANOGUE HIGH SCHOOL 1973

A year of new trends combined with the everyday routine...An enthusiastic response to inter-school activities and a re-examination of traditional events...A year of old and new, a year of extraordinary ordinary.

**SPIRIT
SPECTACULAR**

Spirit Week

A display of provocative originality shown by Manogue Super Chicks. All in all, a unique week, glittering with colorful events; Cowboys and Indians dressed for battle. Cashmere sweaters, bobby sox and red lipstick. Polka dots, plaids, stars and stripes. Pigtails, lollipops, and peticoats. A rainbow of class colors, expressing The Spirit of '72"

Homecoming Game

For the first time in the history of the Manogue Super Chicks' football career, the sun shone down on the war-like Cowboy and Indian players. After an hour of body-beating, bloodshed and temporary insanity, the Cowboys again made their claim to fame, with a score of 12-6.

Stairway to Heaven

Homecoming '72 was a night filled with flowing dresses, wide ties and the strains of mellow soul music. The cafeteria was magically transformed into a palace of sparkling lights. Alumni, upper and lower classmen departed the stairway from heaven with mixed emotions of happiness and sadness.

Fresh Princess, Mary McDonald; Soph Princess, Julie Melendez; Homecoming Queen, Sharon Brown; Senior Princesses, Kathleen Breen and Virginia Blanchard

May Daze

The first Saturday in May was chosen for Manogue's first annual "May Daze." All homerooms ran food or game booths and each class organized a special activity such as a pie-eating contest or a three-legged race. Lively music and a do-it-yourself ice cream party finished off a day of fun for the whole student body.

THIS MAGIC MOMENT

This Magic Moment... One night in the year set aside for girls to bring daddy as their "special date". A time for old fashioned sing-a-longs, and to everyone's surprise fast dancing. An evening when fathers are much more than parents, but are friends.

Dances '73

Religious Activities

United in mind and heart the student of Manogue joined in the worship of their father. The year was marked with periods of seeking, periods of rejoicing and periods of quiet reflection. The initiation of the new Prayer class was characteristic of the striving for depth and understanding. Retreats, family masses and the final graduates mass were special moments along the way of '73.

Through effort and hard work, the Marathon was a financial success. Everyone involved enjoyed themselves, but no one was against going home and catching up on lost sleep when it was finally over.

“Into the Mystic”

Across the bridge... Where the East Wind plays and magical dreams become a reality... sailing INTO THE MYSTIC, a dream come true for the class of 74. But dreams like this don't just happen. It was the end result of months of hard, dedicated work and anticipation; days of worry, hours of frustration and moments of sheer exhaustion. But finally, The Junior Class of Bishop Manogue presents "Into The Mystic"

Always a happy ending.

Reflections

On May 12, the class of '73 gathered at Howe Avenue Community Center for their Senior Ball. Amid spring flowers and shimmering mirrors, couples boogied to the music of Spider Kelley. As midnite approached, it saw the reflected image of an evening gone by, one which will not be forgotten by the class of nineteen hundred and seventy-three.

Senior Activities

Graduation

A year completed, a life-time beginning... This was graduation '73. Days of excited preparation marked the beginning of graduation festivities. The skip day, senior ball, an overnight sleep-in, baccalaureate mass and awards night all heralded that great event graduation 1973.

Genuinely dedicated
Remarkably creative
Surprisingly human
Often misunderstood...

Discouraged by apathy
Battle scarred and weary
But more determined than ever
Always willing to give...

In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class ring
symbolizes moments and memories shared with
your classmates. Treasure them always.
