is defined as imagined thoughts: dreams. This is the theme we have chosen to explore in this year's **ESPERADE**. We thank God for our great gift of creativity and imaginative powers and especially for the ability to dream. Dreaming and exploring the world of possibilities beckons us who are willing to take the risk and accept the challenge to become all that we can be. Together we will create a world of harmony that will give true meaning to our part in this great **COSMOS**.

FACULTY

The Most Reverend Francis A. Quinn, Bishop of Sacramento

October 30, 1980

To All at Bishop Manogue High School:

I enjoyed meeting you in one of my first visits after arriving in Sacramento in February, 1980.

In this age of rapid change and many uncertainties, it is wise to reflect on all that is part of your lives right now. For your teachers, your classmates and friends, your families, have had a substantial part in shaping your lives and preparing you for the years ahead. They have tried to give you a vision, a Christ-centered vision, through which everything that you are and will be can be focused.

Your yearbook will be a treasury of memories. Your closest friends will inscribe messages,--some serious, some humorous but all affectionate. Years from now as you page through your yearbook you will recall classmates, your teachers, the events which were meaningful and memorable for you.

At anniversaries you will notice how you and your friends have matured and changed. Though you may not think so now, inevitably you will recall your Alma Mater, your "Loving Mother" and all that the past four years have meant to you.

What happened during these years will greatly determine the leadership of tomorrow in the civic community and most of all in your parish community, because your faith too will have matured. All your actions, all your living will be tied to your vision as a Christian, a person of God.

With prayerful best wishes, I am

Your friend,

+ *Francis A. Quinn*

It seems like only yesterday when we entered the doors of Manogue, a "home" that would help shape our lives for the next four years. And yet, the years have gone by so swiftly and the time to leave has come. Who knows what lies ahead for each of us. Our lives have been greatly enriched by joyful and painful experiences and we will always cherish the many memories of friends and our life together here at Manogue!

Entering the court of Upperclassmen, the Class of 1982 approached the end of the rainbow. The members of this class were like princesses ready to become queens and rule over their lives. They were seeking challenging opportunities and watching them transform into reality. Some of these challenges were: The horrors of the Junior/Freshmen Halloween Party, the enchantment of the Junior Ring Ceremony, the captivating spirit of retreats, and the whispering hopes of the Spring Prom. Soon they will be going to live a story book life of good health, careers of money, loving husbands and caring families. The Junior Class president keeps praying that no dragons come along and destroy their dreams before they become seniors.

The Freshmen Class of 1984 has many unique fantasies that are all their own. When they first entered this new and enchanted world of Manogue, they felt a wee bit uncomfortable and unsure. One of their first wishes was to make new friends and become united. This they did! There are many more dreams and fantasies to be fulfilled during the coming four years. It takes a lot of enthusiasm and hope for them to become all that they envision, but with the pride and spirit that the Freshmen hold in their hands, their dreams will all come true.

Once upon a time there were seven young ladies elected to turn the fantasies of the Manogue students into reality. Tanya Houseman, president, ruled over her subjects in a mystifying way. Denise Spring, vice-president, used wizardly powers to turn assemblies into magical moments. Teresa Hilts, secretary, used her wisdom gained from holding the same office last year. Agnes Montemayor, treasurer, was gifted with great foresight as she handled the money carefully. Jeanette Weninger, parliamentarian, whisked her wand and left everyone spellbound during student council meetings. Sue Lint, Cowboy team captain and Terri Hennessy, Indian team captain, added spirit to many team activities especially Homecoming. Mrs. Hawkeswood, student council moderator, envisioned great happenings for the year. She guided the officers, as their fairy godmother into the enchanted land of happiness after all their events were great successes. The year ended, but the students of Bishop Manogue High School lived happily ever after, thanks to the Student Body officers.

BISHOP MANOGUE DRILL TEAM

The magical spirit of Manogue is represented throughout the land by those starry-eyed princesses pictured below. They are guided through these mystical acts by Mrs. Lois Curtis and Miss Lynn Kwong. Mrs. Curtis also has four little elves who assist her in her work. Ann Mandella, Leanne Sapnaro, Sandy Garcia, and Suzy Woychesin. They are all graduates of Manogue. The girls on the team have had many of their fantasies come true this year. They have traveled to L.A. to perform for the Rams, to Christiar Brothers to dominate the field and court at half time with their awesome routines, to S.F. to perform at the USF-Notre Dame game, and to the State Fair. Thank you, girls, for that magical talent you possess and share.

But the game can be a bit frustrating again.

The next sport I really love is called basketball.
I run, I pass, I shoot, I score.
Dribbling, passing, it's all pretty bad,
Looking from the stands, it's not quite so sad.

Softball is a very interesting sport,
It's played on a field, not on a court.
The game is close; I make a terrific slide.
But I'm called out, so the game is tied.

Tennis is next between summer and fall.
It is a sport that involves a very small ball.
With my opponent across court, firm grip on my racket.
The ball takes a bounce, and I really smack it.

The swim is on, and I'm in the lead.
The battle has begun, so I pick up speed.
My opponents aren't frowning, although I am drowning.
We won't take a rest until we're the BEST!

These are the sports throughout the year,
We really try hard, so come out and cheer!

Director Patricia Smith helping Jeanne Melody.

This year, Bishop Manogue's Drama Department presented Brother Goose, a comedy by William Davidson. The cast and crew worked very hard to make the play a success. Director Patricia Smith, Assistant director Cathy Farrell, Technical director Sharon Luck, Assistant technical director Janine Flanary, and sound effects directors Jesse Marquez and Paul Torress all contributed to the event which took place November 14 and 15 in Manogue's gym. This was our first joint production with C.B. in several years.

THE HOMECOMING DANCE

At the edge of forever the mystical evening of the Homecoming Dance transformed Manogue into a world of enchantment.

The theme, "Let Me Be Your Angel" inspired everyone in their magical journey through the night of romance. As the clock tolled midnight, the last of the coaches vanished into the shadows and the night of illuminated fantasies concluded.

JUNIOR RING CEREMONY

On the magical evening of December 9, 1980, the Junior Class of '82 celebrated their ring ceremony. Father Vincent Brady blessed the rings for the enchanted event and did a wonderful job. The rings represent unity among the Juniors and the traditional turning of the rings was continued.

Genie Montemayor gives the reading.

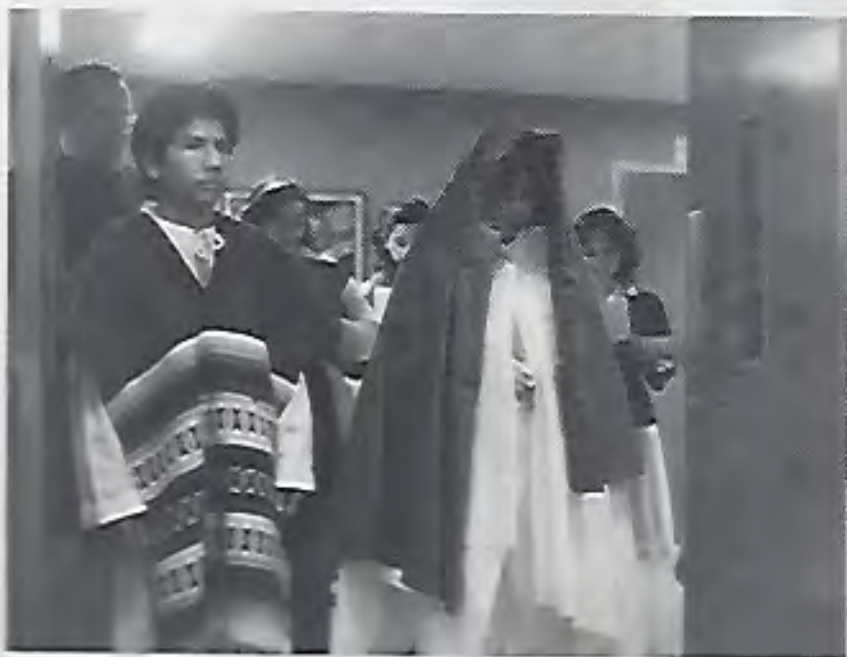

The girls anxiously await the rings.

RELIGIOUS ACTIVITIES

At Manogue the words unity and friendship become a reality when the students and faculty gather to join with one another during the school Masses and retreats. They become one in each other, loving and caring for the person next to them. Retreats and Masses bring out the best in everyone.

MANOGUE'S

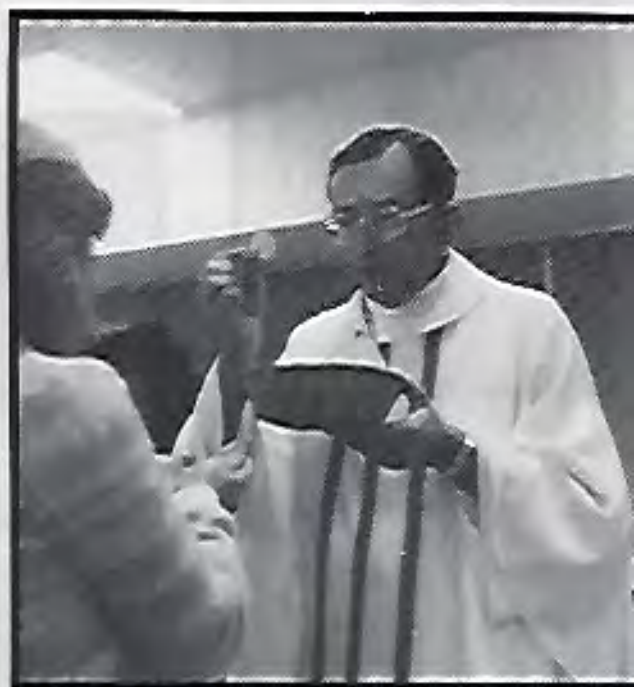

At special times and on special occasions always nice to have some friends stop to share their dreams and our joys. Whenever we mark the passages in our lives as members of the Manogue Community, such friends are there, our Pastoral Team. Drawn from all over the city, our priests and brothers give the gift of themselves to us by sharing our retreats, ring ceremonies, liturgies, and activities. We know that they are always there when we need them to encourage, to support and help along the way of our journey.

For them we give thanks

FATHER-DAUGHTER DINNER DANCE

On the enchanting evening of February 6, 1981, the Manogue girls were escorted by their fathers to the 15th Annual Father-Daughter Dinner Dance. After enjoying a delicious dinner, everyone was enthralled by the amusing variety of entertainment in the gym. It included: drama, singing, musical presentations and some very imaginative father-daughter acts. The dreamy evening continued as the couples danced to the music by Merlin. Music from all eras was played and enjoyed by everyone. Although the evening ended, one can still say, "Thanks for the Memories", Dad.

PARENTS' CLUB THANKS

There exists a group of very dear people that have more impact on our lives than anyone in the world. These people are our parents, who guide, help and encourage us. One day the idea came to someone that these people should join together and form a club. Alas, the Bishop Manogue Parents' Club was born. Today, it continues to prosper under the dedication of Tom and Jackie Carroll, the presidents. The club sponsors many activities throughout the year; they include the following: Get Acquainted Barbeque, Candy Sale, Family Masses, Father/Daughter Dinner Dance, and the Baccalaureate Mass. For all the time, dedication and above all love our parents give us, we say thank you very much!

MOVIN' ON!

Four years have come and gone,
Great years
blessed with
good friends,
new experiences,
and memories of yesterday—
captured and held
for tomorrow's new
beginnings.

Four years have come and gone,
At first

we thought
they'd lost
forever!

But here we are,
facing a new
and bright
future.

Together
We have

lived and learned,
loved and grown,
laughed and cried
shared failure and success
all along the way.

Now, with the death
of these past four years—
a great future
awaits all of us—

WE'RE MOVIN' ON!

SENIOR BALL

On May sixteenth, the Senior Class of 1981 presented, "The Last Waltz." The theme blended in with the occasion for it was true, this would be the last waltz! This event held at the El Rancho will be cherished by the seniors along with all their memories of Manogue.

SENIOR FASHION SHOW

On May 9, 1981, the Senior class sponsored a luncheon/fashion show. The general chairpersons, Susan Delgado and Susan Perry worked hard with the help of Mrs. Bachelor, Mrs. Chaffey, and Sr. Sarah Marie. The hostess for the event was Michelle DeMers. All in all, it was a beautiful occasion.

MODERN DANCE SHOW

MINI-OLYMPICS DAY

MINI-OLYMPICS	MUSICAL CHAIRS	RELAY RACE	PIE EATING CONTEST	BALLOON TOSS	OBSTACLE COURSE	THREE LEGGED RACE	BACK TO BACK	TUG OF WAR
UPPER DIVISION	0	1	1	0	0	1	1	0
LOWER DIVISION	1	0	0	1	1	0	0	1

Every school year is filled with friendly rivalry between the classes. This year was not different. Each class stated time and time again that they were Number 1! As the year progressed, each class had a chance to show what they were made of, but it was not until the end of the school year at Mini-Olympics that their claims could be proved. The date was May 22, 1981 and the contest was on. There were many triumphs and frustrations with surprising results. Near the end of the day, the score was: Upper Division: 4, Lower Division: 3. The only event remaining was the Tug-of-War. For the Lower Division it seemed hopeless. Each team lined up against the rope in nervous anticipation. The Lower Division pulled away the win! They cheered with the sweet thrill of victory for a brief moment, for at the end of the day, the score was tied. Everyone was satisfied. The distribution and signing of the eagerly awaited yearbooks was a great end to a perfect day.

INSTALLATION

On April 15, 1981, the new Student Body Officers were initiated in our annual Installation Ceremony. The light of responsibility was passed on to our incoming officers, Nancy Rodriguez, Tina Raimondi, Judi Lahey, Mona Huntzing, DeAnita Richardson, Jennifer Vicari, and Carol Parise. The Student Body then pledged their support to the new officers. We thank this year's officers who made 1981 a terrific year and we look forward with excitement to the ideas and plans of our new officers.

THE FAMILY MASS

Bishop Francis Quinn was with us on March 30, 1981 to help celebrate a special Mass with the members of our Manogue Family, students, parents, faculty, and alumnae. Father Dan Looney shared with us inspiring words about our theme, "We are Family." All present will remember this special event and all the people with whom we shared it.

Soccer was something new to Manogue in the spring of '81. Though faced with many injuries, the team finished the season with high hopes for next year. With this optimism and the coaching of Nick Munoz, other schools better look out for Manogue.

MANOGUE'S RUN AND RALLY

Monogue's first Walk/Jog-a-thon was a success. Many enthusiastic participants showed up to run or walk in this fund raiser. The event ended with sore muscles and red faces, but with much spirit and satisfaction in helping out the school. The K108 Beaver and Peter Anderson, columnist for the **Sacramento Union**, were on hand to greet the participants at the end. The event was great fun for all who attended.

March 27-28, 1981, marked the evenings of Manogue's Spring play-"Our Miss Brooks". The production was made possible due to Mrs. Smith's (director) dedication. She and the Drama Club spent countless hours working on the play to make it a wonderful presentation. Their hard work was evident, for the audience was pleased with this comedy.
