SHEEP

Every morning I become a ram, and after combing my short, stiff hair, join the flock on the subway platform. As the black dragon speeds into the station we step back together.

And I wonder... a forbidden moment; the rushing sounds, the grinding of the wheels over the hair of my body. But I must step back with the rest... As the burst of momentary glory fades behind the moving train, the flock has settled down to reading the grotesque advertisements... This spring I will have my coat trimmed of its white hair in readiness for the warm season.....

ADMINISTRATION

To the Readers of the 1976 Yearbook:

When this is read, Christian Brothers High School will be celebrating their Centennial of service through christian education to the Sacramento community. It will be a time of remembering traditions, humorous anecdotes, and services rendered. However, it will be well for us to remember that if we are truly to be faithful to the principles on which this school was and is founded and which we have attempted to pass on to you, then we must not dwell on the past but consider what must be done now and in the future to preserve and foster Christian education.

"Societies, like individuals, grow old and die once the habits inherited from the past outweigh the will to renewal. It is not easy to balance fidelity to the intuitions that sparked our origins and the requirements of life today."

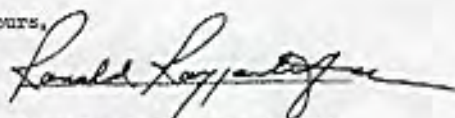

"The school must...change...in its objectives, by imparting to the students more than mere book knowledge, and by emphasizing instead the development of the powers of observation, imagination, reasoning, and discrimination...in its methodology, by highlighting research and creativity rather than rote memorization.... In this same vein the school today stresses training in sensitivity, the ability to form judgments, and the development of a critical mind."

(The Declaration)

This is the call you have been given by CBS as it has passed on the christian message; the call to constant renewal within the message of Jesus. It is the task of progress that is demanded of each institution and each person. Making progress is a demanding task. Christian freedom is a prize not easily gained, but corporate effort makes the task easier, and places the gain within grasp.

May the spirit of generosity and love among students, parents, friends, and faculty bring the Tradition of Christian Brothers High School to new heights of accomplishment in our time.

HOMECOMING GAME

Joe Greco flanked by Br. Ronald & Ken Whitall meet...

Member of the Freshmen Class awaiting Communion during the Christmas Mass.....

A pidgeon landed wearily on my windowsill yesterday, a cloud of feathers and dust, a mass of flesh and bones... He huddled himself and slept. Framed by the rain and night. His breast rose and fell softly. One lame foot curled under him. His feathers ragged from years of wind and snow.. As I watched, he woke, opening his eyes abruptly.. And there, in the depths of those black pools was the agonizing pain of flying for hours in the wind. The clammy wetness of grass in the early park, the bitter taste of the hard bread of the street. The dulling agony of long winters.. So I open the window to let him into the warm room and he flew into the rain....

Mike Wetklow scores from the top of the key in an important game in the Jesuit All Catholic Tournament.

The varsity had a fine season, finishing third in the always strong Metropolitan League. Of their 8 non-league opponents, 3 were champions, and 4 were contenders; hence the 15 - 11 record was very commendable. Highlights of the season were demolishing Jesuit and taking 2 tournament consolation titles.

Rod Zanze climaxed 4 years as starting varsity guard by averaging 23.8 ppg, earning "ALL CITY" honors and for the second year was ALL League. Mike Wetklow finished behind Rod in scoring with 17 ppg, but most impressive was his rebounding where he averaged 13.2 in spite of being only 6'3". He was 6th in the area in rebounding. Mike earned second team All League. Smooth shooting Doug Warren averaged 12 ppg while Mark Caytan did a great job as the team's floor leader. Randy Wilson was tremendous on defense, using his 5'10" frame to defend the opponents biggest man. His hustle was a big factor in the team's strong finish. John Ramirez, Mike Limberger and Doug Bruce were the men who filled in when the going got tough and did a fine job.

The hustle and desire of this team made them exciting to watch. Win or lose they left the court knowing they did their best and were always proud to represent Christian Brothers.

LA SALLE CLUB

The La Salle Club was formed in 1930 at the old Christian High School on 21st and Broadway. The La Salle Club is composed of the members of past alumni, fathers and friends of the school...

The La Salle Club has been the principal support of the athletic and physical education departments for the past several years. In the past 20 years the La Salle Club at Christian Brothers was responsible for many athletic items built here. The La Salle Club Frolic, Golf Tourney, and Christmas Party are largely responsible for raising the money to maintain the athletic events.

Matti Wolfe and David Azevedo help serve punch during the game and in the ice cream area.....

Bob Jenkins, President; Joe Kirrene, Treasurer; Tim Hennessey, Sgt. at Arms; Jim Burch, 1st Vice President; Ted Sobierajski, 2nd Vice President.....

Many families and friends enjoy themselves during the Frolic.....

Jim Burch of the La Salle Club and Mrs. Gloria Zellbe help serve the meal during the La Salle Frolic.....

Dick Reisinger & John Gonzalez enjoy their meal during the frolic....

THE SACRAMENTO RAIDER'S!
Their win-loss record may not be the best
in the league (4-26), but their spirit
and sense of fair play
make our sponsorship of such a team worthwhile.

At Teichert Aggregates, we're proud to be an intricate part of every community we're located in. Whether it's sponsoring Little League teams, YMCA events, concerts, or what have you, Teichert Aggregates is working to earn your trust.
