Dear Family and Friends of Christian Brothers High School,

Tonight is a 6,000-mile escape to a magical and faraway place: Morocco, as we journey off to the mystical lands of Berbers, camels and desert oases.

Welcome to One Night in Casablanca! We'll "round up the usual suspects," you, our steadfast and loyal supporters of Christian Brothers High School, as we celebrate Auction 2019!

As time goes by – and it goes by fast – there's no better moment to build community, support academic programs and make an impact on the students through our tuition assistance fund which benefits every student.

I want to sincerely thank Director of Parent Engagement Joanne McShane, and two-time Auction Chair Lisa Travis (Poppy '19 and Lily '22 Ruyak) and co-chair Gina Ketcher (Clayton '21 and Sam '22) who lead a team of talented and creative parent volunteers who gave their time and talent so generously to make this night Academy Award worthy. *Here's looking at you, kid.*

And thank you to everyone here tonight: parents, friends, alumni, sponsors, and donors. We are honored and grateful to have your support and generosity. *This is the beginning of a beautiful friendship!*

Live Jesus in our hearts!

26. Fund A Need - TUITION ASSISTANCE

CB leads the Sacramento Region in Tuition Assistance, with nearly 40% of our students receiving some kind of aid. The impact goes far beyond anything numbers and statistics can tell us.

We recently spoke to two young alumni whose lives were changed by a full scholarship to CB.

NASON TARVER '18 is bright and talented, a member of the band and orchestra while at CB, graduating with a 4.63 GPA. All he needed was the opportunity to shine. "When I learned that I received this scholarship, I knew I could be at CB and not be a burden to my parents in any way," said Nason.

A Br. David Brennan Scholarship gave Nason the opportunity to grow in ways that otherwise would not have been possible. **"I was free to explore my options in the same way that anybody else could. I was able to participate in band, and without it I wouldn't have been able to afford an instrument or suit. The AP classes I took helped me gain admission to the Honors College at the University of the Pacific."**

When JUANITA PATLAN '12 reflected on her time at CB she noted, "I grew up in Oak Park, watching kids in uniform going into CB. Coming to CB myself was not even on our radar. It was like a dream for us, something I didn't imagine, and I wouldn't let myself think about because I didn't think it was possible."

"Once I got here, every day was a privilege. I found a home here. I found family here. The teachers are like your parents. You feel so loved."

To our donors, Juanita readily expresses her immense gratitude. **"Thank you for the opportunity of a lifetime. Thank you for donating the money you do. It changes people's lives."**

CB President, Lorcan Barnes stresses, **"All students benefit from tuition assistance at Christian Brothers High School. **There's not many places where low, modest, middle and wealthy kids come together and form genuine community. And we have that here at Christian Brothers.**"**

When you raise your paddle tonight, do not underestimate the profound impact you are having. You are transforming young lives.

ON BEHALF OF OUR STUDENTS, THANK YOU.

INTRODUCING THE FIRST-EVER LEXUS UX

A NEW FRONTIER CALLS

Our quests no longer lead to undiscovered lands. Today, a new frontier has risen. It calls for a new form of exploration. A vehicle that considers corners as much as curves. Traffic as much as the open road. And is engineered with technology that seamlessly connects to the world around it. That's why the first-ever Lexus UX was crafted with a 17.1-ft best-in-class turning radius,³ class-leading estimated 33 MPG^{3,4} and the latest technology, like Amazon Alexa⁵ compatibility and LSS+ 2.0⁶, our most advanced safety system ever, included standard. This is the new frontier. And the Lexus UX and UX Hybrid, both available as F SPORT models, are the crossovers crafted to conquer it. Starting at \$32,000.¹
