*Six defining characteristics of what it means to be ... what ...
A Lasallian? A Falcon? A CB grad? A Brothers Boy ... or Girl?*

Take a look for a moment at the picture on the front cover of this Connection. We have the Directing Animator for the movie, Finding Nemo (Arts); a full time deacon in one of our parishes (Faith-filled Community); a college professor, an attorney, a doctor (Academic Excellence); a professional golfer (Athletics); the preeminent wine expert in this region and beyond (Heritage and Tradition); a newspaper publisher, a judge, an undersheriff, a fire captain, and every one a volunteer in some area of their lives (Service). As for Diversity? Just look at the group.

These folks were not chosen with our six, key defining characteristics in mind. Those on the front are not persons we typically hold up and say, "Hey, take a look." Many prominent Sacramentans are CB graduates, but the attempt here was to capture persons, men and women, who play a vital role in the life of Sacramento, persons who help make this community what it is, persons who make a difference to you and to me, some in the spotlight, some not.

In retrospect, what better group could we have chosen?

Christian Brothers graduates are interwoven into the fabric of the life of Sacramento at every level. When I wear my Christian Brothers polo shirt, I am approached by CB grads, parents who want to send their children to us, or people who have simply heard about us.

I had coffee with Chris, a woman I know, at Starbucks last week. She told me she had run into a CB student who was working at a store she frequents. This young man had no idea that Chris had two children graduate from other Catholic high schools in Sacramento. He did, however, have a CB polo shirt on. This lad is a sophomore. "How do you like CB?" from my friend. "I love it," the reply. "Why?" "Because we're a community."

A diverse, faith-filled community marked by academic excellence, a century-plus of tradition and heritage, noted for attention to the arts and athletics, producing graduates who understand and embrace service for others. And a young sophomore who some day might be on the cover of the Connection.

God bless,

Mark J. Warren

Frequently Asked Questions

Why do I receive so many pieces of mail asking for money or other support?

While we acknowledge that many of you receive information on many things, we do attempt to streamline our correspondences. We want to be sure that we have a program or opportunity for everyone to become a partner in our mission, and having a variety of options covers nearly everyone's capabilities. Also, we want to let YOU decide what you would like to participate in. We do not want to make that decision for you, so we communicate all of the opportunities.

Where does my money go?

In short.....to the kids. While we work with you to make sure that your gift reaches the students in the way in which you desire; "Brick and Mortar," tuition assistance, enrichment programs, special projects, operations, arts and athletics.....it all goes to program development and implementation for the kids.

Doesn't tuition cover all of the costs?

No. Tuition is the major source of operational revenue for the school; however, in order to maintain, grow and enrich current programs, we are in continual need of fundraising.

Why not just raise tuition to cover the costs?

Two reasons. First, tuition is already high, and there are families who need tuition assistance to be able to attend. If we raised it to cover everything, it would squeeze even more students out. Secondly, we are able to offer families a way to make a tax deductible contribution to help cover the costs whereas tuition is not tax deductible.

How can I reach you?

This is what the Department of Institutional Advancement is about. It is our job to stay ahead of the game, fund the short and long term vision of the school, and secure our future for generations to come.

Christian Brothers High School has a responsibility to continually graduate students with the proper skills and values to make a difference in the communities in which they live. This is our 127 year heritage and tradition. Many of our alums continue to be cornerstones of this and other communities.

Our job in the Institutional Advancement Department is to stay connected to you so that together we can advance the "institution" according to the mission of our founder, St. John Baptist de La Salle.

We have made some changes in our department over the past year, and will continue to do so as we learn of new ways to reach our goals. You are our partners. We welcome your comments and suggestions. We are the conduit for you to be part of the CBHS legacy.

On a personal note, I have enjoyed my first year as Vice President for Institutional

Advancement. My family has had ties to the "Brothers" community since the beginning of the 20th century when my grandfather attended. I grew up hearing of my father, Richard's, CBHS experiences and knowing his "Brotherhood" gang. My uncles attended Christian Brothers, and one later taught here. Many of my extended family and friends have attended Brothers as well. Now that I have had the chance to meet many of you myself and experience what it means to be part of the Lasallian Family, I can see why this is such a

special place. It is an honor to be part of this institution.

If we can ever answer questions for you, or if you have suggestions, please feel free to email or call any one of us at any time.

2004 Alumni Appeal Campaign

Each year, the Alumni Association Board of Directors kicks-off a spring fund-raising campaign, the Alumni Appeal. This campaign generates revenue for scholarships, school programs and campus "Wish List" projects.

In the spring of 2003, the Alumni Board voted that the proposed softball complex be its "Wish List" project for the 2003, 2004 and 2005 Alumni Appeal campaigns. We are now in the second year of this campaign.

However, our school gymnasium sustained major roof and electrical damage due to the severe storm that blew through Sacramento on Ash Wednesday of 2004.

Shortly thereafter, the decision was made to make upgrades to the gym during this emergency repair period. The Alumni Board decided to apply the proceeds from the Phone-a-thon portion of the Alumni Appeal to the gym renovation project. After this one time change, all Alumni Appeal proceeds will continue to benefit the proposed Softball Complex.

As a member of the Christian Brothers Alumni Association, you are invited to be a partner in making a difference in the lives of our students. In March you should have received a letter requesting your support of this effort. We still need your help in the form of a gift or pledge so that we may continue offering competitive programs and facilities to all of our students. Your contribution, at any level, makes a difference. It is collectively that we are able to produce results.

If you can help us fund the softball complex, please contact Larry Cline, Director of Alumni Relations, at (916) 733-3647 or email lcline@cbhs-sacramento.org.

Left to right: Leanne Sapnaro Chambers '80, Eleni Kambas '83, Jackie Slakey '76, Diane Hiene '71, Sally Cebrenros '83, and Roberta "Bobbi" Pires '76.

From the beginning in 1876 through the generosity of Maggie Cunningham, the original benefactor of St. Patrick School for boys, to the ladies of St. Francis who came to Bishop Armstrong in the 60's through today's students of the school on Martin Luther King, Jr. Blvd, women have been an integral part of the Christian Brothers tradition in Sacramento. In 1990 when Christian Brothers officially became co-ed and the diocese closed Bishop Manogue High School, another group of women became intimately tied to the old school on MLK Blvd. The alumnae of Bishop Manogue were sewn into the fabric of the Christian Brother's legacy in Sacramento and have formed a vibrant chapter of Catholic education kept alive by its graduates within the Alumni Association at CB. Though officially without a site to call home or hold reunion gatherings, the women of Manogue have persevered to form a legacy and identity in their association

with Christian Brothers that has demonstrated their character, pride and commitment to ensuring Catholic education's mark on young women remains alive today. This commitment, like that of the numerous graduates returning to Christian Brothers to teach and work within the school and in its support structures, has manifest itself into a group of women committed to involving themselves in the education of the youth of Christian Brothers.

Sally Cebrenros, '83, became associated with Christian Brothers as Director of Alumni Relations for Christian Brothers from 2000 through 2003. Sally's tireless energy as director served to solidify the Wine Tasting event as the premiere gala event in Sacramento by its expansion to include dozens of restaurants, wineries and breweries throughout the region. Sally's trademark organizational skills were honed through her position as alumni coordinator at McGeorge School of Law where she returned in 2003 to take on a more

relaxed schedule in order to accommodate her new and growing family.

Eleni Kambas, '83, joined Christian Brothers' counseling department after working as Senior class counselor at Placer High School in Auburn when the call went out to fill an opening in CB's counseling department. "The chance to return to a place which held so many memories of my own high school experiences at dances and events as well as associations with CB boys was a big draw for me. When I came back to Sacramento after college I began to find more and more ties with my friendships to Christian Brothers, and I got involved with alumni events like the Wine Tasting and the Alumni Dinner." Eleni joined CB in 2000 and has become a favorite among current students and recent alumni.

Diane Heine, '71, has been associated with Christian Brothers since 1991 when she began coaching softball and basketball as an assistant coach with current Athletic Director, Jill Bennett (a former Manogue staff member and married to CB alum Ken Bennett class of '74). Diane currently is head of the women's volleyball program and administrative assistant to both the Counseling and Athletic Departments on campus. Additionally, Diane sent her daughters Leah, '96, and Allison, '02 through Christian Brothers.

Roberta, "Bobbi", Pires, '76, became involved with Christian Brothers as a result of her desire to build an association for the women of Bishop Manogue with Christian Brothers High School. Bobbi's dedication has manifest itself in her long standing association with the Alumni Association and through her work with various alumni events and her role as Alumni Board President from 2002 through 2003. Bobbi continues her commitment to the school through her membership on the current Alumni Board. The fun never ends!

Jacklyn Slakey, '76, and Leanne Sapnaro Chambers, '80 share a multitude of connections to Christian Brothers that almost requires a diagram or family tree to follow. Jackie married Steve Slakey,

A Tradition is Born

In 1978, Charlis McKay and Gail (Wittmann) Zimmerman each received a piece of Spode Christmas china as a gift. Charlis said, "Well, I have a mug and you have a teapot I guess we should have a tea party." And so a wonderful tradition was born.

The following December, the First Annual Christmas Tea Party was held. The guests were all friends who graduated in the first graduating class from Bishop Manogue High School (Class of 1968). Barbara Hudson, Elaine (Panatroni) Schaedler, Kathy (Frei) Collier, Pam (Kaine) Nepstead, Patty (Gormley) Gavin, Sharon (Romanello) Sequeira, Diana (Hamilton) Munso, Charlis and Gail had all known each other since they started kindergarten at Holy Spirit School in 1955. Nancy (Nevis) Abreu joined them at Holy Spirit in 3rd grade and Shirley (LaVerne) Olson rounded out the group when they all

began 9th grade at St. Joseph Academy.

The same group of eleven women have gathered together annually for a Christmas Tea hosted by Charlis and Gail ever since. Sadly, one of our group, Diane Hamilton Munso, passed away in April 2000 at age 50. We miss her very much.

In the early years, we met on a December evening for dessert and tea. Each year, Charlis and Gail added to their collection of Spode china and soon we had enough cups and plates to serve everyone! We would laugh and share stories of our children and jobs and friendship until late in the evening. In the late 1980's we switched to a Sunday Brunch Tea since we found it hard to stay up so late on a weeknight and get up for work the next day! Besides, we had a lot more Spode china by then and could serve a whole meal! About this time, we also started adopting a needy family each year and providing them with food and presents to make their Christmas bright.

In 2000, when we all turned 50, we started another tradition. We still adopt a family but we also each bring a "pampering" gift to swap.

We figure we need all the TLC we can get! But the best gift of all is our lifelong friendship. This year, we celebrated our 25th annual Christmas Tea.

Charlis and Gail gave each one of our special friends a Spode Christmas bowl as a remembrance. We think we are the luckiest group of women in the world. n

class of '76, who, for those of you who recognize the name, has his own family tree of Christian Brothers alumni. Jackie and Steve have three boys, Chris '96, Daniel '02, and Andrew class of '05 who have attended or are attending CB. Jackie became intimately involved in the Grad Night program, the Boosters, PSO, and a number of events as a volunteer. Jackie and her husband are long time supporters of the Visual and Performing Arts programs at the school.

Leanne, like the rest of her immedi-

ate and extended family, has remained a long time supporter of Catholic education in Sacramento. Her son Mike went from the full battery at St. Robert's to CB from '98-'01. Like her sister, Leanne spent a lot of time volunteering at the crab feed, various PSO events, the fireworks booth etc. Leanne speaks for a great many of us when she states of her time spent at Christian Brothers, "CB has become an integral part of my life, it kinda just gets under your skin and never leaves you." For you East Sacramentans, you can always find Leanne on any given Sunday on the

choir risers at St. Mary's church. She's the one in the top row, right, at the 11:00 Mass, giving even more to the Catholic community of Sacramento.

The women of Manogue's continuing legacy of service to Catholic education through their association and involvement in the work of Christian Brothers High School has left an endurable mark and created a place for both the graduates of Bishop Manogue as well as for all who continue to hold a place in their hearts for what Catholic education means to them and for the generations to come. ■

Bobby Podesta '93 – Animator, Pixar Animation Studios

Larry Lee '91 – President, Sacramento Observer Newspaper
"The first time I ever put on a Christian Brothers basketball jersey will stay as a great memory. I had never worn a full team uniform before. Nor had I ever made a team that cut people who tried out before, so this was a very special moment to me. It didn't matter how old the uniform was or how many people had worn that number before me -- this number was mine, and I had worked hard for it."

Kevin Sutherland '82 – PGA Tour Professional
"After my four years at Christian Brothers I knew I was prepared for the next steps in my life."

Dr. Ernesto Quinto '80 – Physician, Internal Medicine

Dave Scurfield '73 – Owner, Scurfield Company
"CBHS gave me the foundation I needed to succeed as a family man, professional and a community partner."

David Rasul '65 – EOPS/CARE Coordinator, SCC Instructor, Counselor for Sacramento City College & member of the CBHS Board of Trustees
"I remember the CLAW, the CLAW, the CLAW, the CLAW! I remember dropping off my son 27 years after my graduation for his first day at CB and feeling the warmth of confidence and spirituality that CB would do for him as it did for me."

Mike Collins '63 – West Sacramento Fire Department, Division Chief
"At the end of my Junior year I was asked by Brother Leonard, my history teacher, to go with two other students and help him open the Christian Brothers summer camp. The camp was about 50 miles east of Fresno at Huntington Lake. I was met at the gate by Brother Leonard dressed in shorts and a t-shirt. I had never seen a brother out of uniform before. We worked very hard getting the camp ready for the Brothers. When we weren't working we were treated to swimming and hiking in some of the most beautiful mountains in the world. Brother Leonard was not only one of the best teachers I ever had but he gave me a summer experience that I will never forget. I still have some great pictures of that summer."

Frank LaRosa '62 – LaRosa & Associates
"I arrived in California as a high school junior and was faced with developing new friendships. The school has always encouraged a sense of care and concern for students which helped set the foundation for building strong, lasting relationships. Many in my graduating class are still among my closest friends today."

Dorothy Redmon, MS, MFCC '62 Marriage, Family & Child Counselor
"One of my memories is of the Byzantine Liturgy we had on campus and all the departments that went into helping prepare for that event. The boys' class painted the icons and the girl's sewing class made the altar cloths. It was a very impressive

religious ceremony that brought the school together for a unique experience.”

Marolyn Harris '57 – Homemaker

“The experiences I had going to Bishop Armstrong provided a lifetime of wonderful memories.”

Steve Beneto '56 – President, Beneto Foundation

ALUMNI NEWS 1990-1999

David Holquin '99

Within the first moments of walking on the St. Mary's College campus with David Holquin, Christian Brothers Class of '99, more than a handful of people stop to greet him. To each he responds with genuine care, goodness and respect – the same qualities for which his high school still remembers him and the same qualities, no doubt, which helped him become St. Mary's Student Body President. Surprisingly, though, David was hesitant to run for the position: “The week before we had to announce we were running, I still wasn't sure. I prayed a lot and asked God to just give me a sign.” One night soon after, five school senators knocked on David's door and insisted that he run: “That was good enough for me!”

The demands of the position, such as weekly meetings with the deans, working to create a student lounge with table tennis and pool, and “having a pulse on the students and their needs” have caused David to change his double finance/psychology major to the more typical major/minor schedule, but he tackles the job with the firm belief that “to whom much is given, much is expected.”

In November, when SMC was attacked by a Bay Area television station, causing many students to feel uneasy on the normally tranquil campus, David rose to the challenge of relieving their worries: “I sent an e-mail to each student, and then we held an open forum where students could voice and discuss their concerns.” David's approach was inspired by what he feels is the most important aspect of the Lasallian mission. “Christian Brothers seeks not only to educate their students, but to help them, meet them, guide them, and urge them to grow.” He first witnessed this

Lasallian attitude at Christian Brothers High School and greatly misses it and is “daily affected” by his CB experiences:

“There are too many good things to remember from CB. The Great Wall of China, chivalry, dressy-dress and liturgies... One thing teachers at CB taught me was to always analyze a situation critically... that has served me well.” With so much on his presidential plate, David only chuckles when asked about his future plans. He is, however, assured that eventually – inevitably – he will work for the Brothers in some capacity because “once you are touched by the Christian Brothers, you never truly leave them.”

Congressman Richard Pombo presents the Congressional Medal.

Andrew Mendonsa '97 Wins the Avery Great Results Achievement Award and the Congressional Bronze Medal

The Avery Great Results Achievement Award is an award given to ten professionals who exemplify outstanding qualities such as leadership, creativity, mentoring and humanitarianism.

Andrew Mendonsa has been nominated for the Avery Great Results Achievement Award for his outstanding contributions to the workplace. Andrew is a 23-year-old man who in his current position as a family support counselor, provides counseling and support for seriously disturbed foster children and their foster families. Andrew

consistently provides resources that are above and beyond for the children and families he works with. Recently he created a comprehensive behavior modification program (the High Five Program) and trained coworkers at the agency as well as foster families in its use.

During his "off work time" Andrew is a Law Enforcement Chaplain who serves numerous law enforcement agencies and the community in times of crises. He is asked to be at scenes of shootings, auto accidents, suicides and more in order to provide counseling and assistance to the on-scene personnel as well as community members.

Andrew also volunteers as a crisis intervention counselor. During the predawn hours he responds to calls from individuals who are at imminent risk of hurting themselves. Others who call have experienced

crises or tragedies and need someone to talk to. While most of the world sleeps, Andrew is offering reason and hope to these callers.

He finds time to be a district commissioner for Boy Scouts of America. In this role he has been charged with developing and implementing recreation programs for Boy Scouts. He may be found directly involved with as many as 100 youth (often from inner-city and high-risk areas). He also serves as a Youth Committee coordinator for Sacramento County. He oversees mental health and afterschool programs for SED youth and adults and provides case management and counseling. He develops and implements the week long Youth Works Leadership Camp yearly. He took the role of camp director. His duties include, concerns, incidents, and conflict resolution. Andrew is a terrific contributor both to his work environment and his community. More remarkable indeed is that these contributions are being made by a man of his age.

Alina Cervantes '93

Alina Cervantes '93 got her master's degree in education (early childhood emphasis) from California State University, Sacramento in 2000. She also has a B.A. in psychology from University of California, Davis, 1997. Currently Alina is a full time professor of early childhood education at American River College. KCRA, Channel 3 recently did a news story on her as the youngest professor hired in the history of the department. In her spare time, Alina is the lead singer for the band "Sugar Boogie", plays the guitar, and is training to run the Suzuki Rock 'n' Roll Marathon in June in San Diego. She will be raising money for children's charities. ("Sugar Boogie" www.sugarboogie.com)

Adolfo Retes Mercado '92

Over the last couple of years as I saw Adolpho work with young adults at Yuba College, I once again realized the blessings he brings as he reached out to youth. And that's why I congratulate the bishop, the diocese and our Catholic leaders in selecting such a talented optimistic and enthusiastic young man to develop programs that affect youth. And, once again, I smile as I think of how our students flower as they move beyond our campuses to greet the challenges of life.

David Mier '83

David Mier has been the Produce Manager for Albertsons, for over 20 years.
Children: Daughter, Chloe-11

Accomplishments and achievements are relative to every person. Being a hero within the eyes of the community is a tremendous feat but most often the one most important role a person can have is the

David and Chloe share a birthday moment

nurturing and raising of one's child. There are no award presentations at a podium in front of adoring peers.

I find an 'unsung hero' characteristic in David Mier with regards to his daughter, Chloe.

He is a single parent who has maintained a great relationship with his "cx" (another positive trait now a days), and has become the supporter of his daughter's extra-curricular activities that include piano lessons, theater auditions, rehearsal and performances, sports events, and transportation to Sacred Heart Elementary School – making David her biggest hero. "I'm just a regular guy that still lives in East Sacramento," proudly says Mier.

David still is an enthusiast of music and continues to enhance his collection of his favorite bands/groups'.

Barron Wilson '83

Since 1994, Barron Wilson has been executive director of the nonprofit agency, ACYFS (Alpha Connection Youth and Family Services, Inc.), his mother established it seven years earlier. ACYFS is based in Apple Valley and promotes literacy among preschoolers; offers local high school baseball players a chance to win a college scholarship or major league draft pick; and, at the agency's five group homes, works with at-risk and abused children ages 7 through 17.

In Wilson, many troubled youths find the hero they've been longing for.

Describing his younger self as "a good example of what not to be," Wilson said he

pulled himself together and earned his doctorate in public management at the University of La Verne.

At one point, Wilson, a catcher, tried out for the Philadelphia Phillies. He didn't make the cut, but today Wilson brings his impressive skills to coaching the High Desert Yankees. He gets up at 5:30 a.m. to pick up players who have no other ride, and also provides them meals and drinks.

"Influence is insignificant if it isn't used properly to help other people," said Wilson, whose dreams for ACYFS include a group home for teen-agers with HIV.

FACULTY UPDATE

**CBHS TEACHER
MARCIA CLARKE**

Our beloved teacher of many years passed away the second week of May 2004. She will be greatly missed.

1960-1969

Dorothy Redmon '62

I graduated from Bishop Armstrong in 1962. While I was attending Bishop Armstrong as a junior my brother, Michael, was a senior and my biological sister was a teacher on campus, Sister Dorothy McCormack O.S.F. When I was a senior on campus my younger brother was a junior. I had six brothers graduate from Christian Brothers/Bishop Armstrong as well as myself. My sister did not graduate from the school but as I already stated she was a teacher there. So my family was represented at the school by eight siblings.

After graduation from Bishop Armstrong I entered the Franciscan convent for six years. The year before my final vows I left the convent and moved back to Sacramento. During those years in the convent I was an elementary teacher for three years.

After coming back to Sacramento I married a Bishop Armstrong graduate from my class, Thomas Redmon. We are the only remaining married couple from our class of 1962. I will have been married for 35 years this coming summer. My husband and I have raised four girls and our most important achievement is that they are all college graduates. We also have two grand-daughters and one grandchild on the way.

I went back to school in 1987 to get my master's degree and was licensed as a marriage family therapist in 1994 and have been in private practice ever since.

Alumni and Friends

It has been several months since I last reported on our alumni and friends, so let's get to it right away. I recently spent a few weeks on vacation in Santa Cruz and stayed at the old Terrace Court, formerly owned by CBer **Bob Azevedo '41**. For years, families of CBers, young and old alike, would congregate in Santa Cruz, and a good time was had by all. Those who were there every year were **Bill Gormley '40**, **Al Franzoia '39**, **Paul Knezovich '39**, **Bob Barbeau '42**, **Joe Ostoja '38**, as well as many CB supporters like **John Ceccarelli**. In fact, **Brother Bertram** would spend part of his summer with us when he came down with his best friends, **Jack** and **Vivian Ryan**. Every year, we hosted a huge cocktail party. After the party – believe me – *everyone* knew the CBers were in town.

While sitting by the swimming pool, I ran into retired Sacramento police officer **Phil York '46**. Even in retirement, Phil is keeping his hand in law enforcement working for the California State Police.

Vic Martinelli '36, retired El Camino High School golf and football coach, was telling a friend that, when he played football for the Saint Mary's Galloping Gaels, they played Fordham in New York. Vic was a tackle and across the line for Fordham was Vince Lombardi, who became coach of the Green Bay Packers and a member of the Hall of Fame.

Here's a trivia question for you: Who was the first voice of the San Francisco 49ers? It was none other than **Bob Fouts '39**. Bob's son, **Dan Fouts**, played for

the San Diego Chargers and still holds the league's passing record. Danny also was inducted into the NFL Hall of Fame in Canton, Ohio. Bob is now making his home in San Francisco.

One of the things I always hate to report on is the passing of our alumni and friends.

Joe "Sonny" Valine '42 was one of the great left-handed pitchers of our baseball team. The celebration of his life almost seemed like a CB reunion.

The Brotherhoods recently had a mass honoring Brother Bertram. It was held in the chapel of the school and **Fr. James Church** was the celebrant. We would like to thank **Brother George** for his help in coordinating such a lovely lunch and cocktails.

Good to report on some of the boys who are on the mend—**Frank Ostoja '36** is home enjoying life after overcoming a recent stomach problem.

... **Dick Desmond '41** is getting around quite well following his double knee replacement. **Jack Kipp '36** is doing just fine after his automobile accident. Hobbling around with a cane, he looks like Winston Churchill.

Tom DuHain '40 is retired from the Air Force. He was a pilot in the Trans-continental Bombers that would fly nonstop from Mather AFB to any part of the world. Tom recently moved his residence to Modesto and now says he drives nonstop to Sacramento.

That's it for now. Drop me a line to let me know what's happening in your world. ■

Upcoming Reunion

**Class of 1954
August 7, 2004**

If you need reunion information,
please call (916) 733-3647.

1953 Ron Limeberger, as you may know, passed away on January 8, 2004. The memorial service was truly a celebration of his life. I felt so honored to be able to attend. I remember our daughters after they had their drivers training classes with Ron. They would remark about what a nice guy he was and how much fun it was to learn how to drive (that certainly wasn't the case when they drove with their mother). His sense of humor

Ron Limeberger's Memorial Service

was contagious; he was always a pleasure to be around. His dedication to Christian Brothers High School was a rare gift given to the school. He will be truly missed. My condolences to Joan and the family, and my prayers are that the Lord will keep you strong during this time of grief.

1958 Tom Higgins is a highly regarded head deputy attorney for Los Angeles. He is known as a tough but fair prosecutor with heart. Christian Brothers' training no doubt! He is now running for District Attorney of Los Angeles County. He can be reached at www.tomhigginsforda.com. "I know he would make an excellent District Attorney. Why? Because he is my brother!" says Maeve Higgins Berta '60.

1963 Rich Poletti sent me an e-mail about his 40th reunion that was held on October 4 at the Delta King. Please give me a call and let me know how everything went.

1967 Richard Green, brother of Art '76, uncle of Tiffany, '03 died in a tragic traffic accident July 5, 2003, near Valdosta, Georgia. He was an Army Staff sergeant who became a civilian Defense Information Systems Agency Communications Specialist. He served in the Army from 1970 to 1980 and his final active-duty assignment was communication at the Pentagon. He served in the Vietnam War with the 101st Airborne Division and with the Special Forces. His decorations included the Purple Heart. He is survived by his wife and two children. My prayers are with the family and only time will heal such a tragic death.

1974 Marion "Skip" Davis lives in Citrus Heights. He attended Immaculate Conception before coming to Christian Brothers High School. He does promotions and concerts in Northern California.

Class Notes

by Vienna Cornacchioli Golsong '61

Hello to all graduates of Christian Brothers, Bishop Armstrong, Bishop Manogue, and St. Joseph Academy. We are blessed to share in the richness of the legacy of Christian Brothers High School. I would love to hear from all of you no matter what campus you attended. I think it would be very interesting to hear about the possibility of our paths crossing.

There are many avenues in which to reach me: snail mail, phone, fax, email. I always enjoy hearing from you! May the Lord bestow His blessings on you and your family and may we always be thankful for all that we receive.

E-mail: golsong@ulink.net
Phone: (916) 972-8199
Fax: (916) 482-1540

1975 Kevin Davis is "Skip's" brother. He played golf at Christian Brothers. He is a lawyer and represents Serena and Venus Williams, two of the top tennis players in the world. He lives in New York. Davis has represented the Williams family for more than a decade and advises Venus and Serena on major deals. In 2000 he negotiated Venus's \$40 million Reebok deal, the biggest endorsement contract ever for a female athlete. He attended Immaculate Conception and was disappointed to hear that it was going to close.

1980 It is that time of year and taxes seem to be on the minds of a lot of us, especially in light of our enormous deficit.

I am sure this keeps **Gregory Rincon** very busy. He is an audit partner with Hood & Strong LLP. His practice consists of tax and estate planning, auditing, tax return preparation and many other facets. He is based in Sacramento, San Francisco and Menlo Park. He has two sons who presently attend All Hallows and aspire to be Christian Brothers students.

1983 George Scordakis has moved back to Sacramento and wants to become involved in the Alumni Association. George, would you please contact me and bring me up to date as to what is going on with you?

1985 I received an email from **Martin Tyron Lewis**. He says he is living the life of a starving artist (by this time you might be famous). I am sure you have received your MFA degree from Howard University. He has been trying to make movies since 1996, when he officially "turned professional" in the film making business. He shot his first professional short movie, "One Shot to Paris" 18 minutes long. He was hoping the project will hit the film festival circuit.

Martin would like to get in touch with some of his classmates and his

email address is Marvelousflmz@hotmail.com. If any of this has changed, contact me and I will put the information in the next issue.

1989 Wayne McVay is married, has two daughters, and is living in College Station, Texas. He is a supervisor of soft-ware distribution and OSHA compliance. Andy Fox plays for the World Series winners, the Florida Marlins. I met him for the first time last year at the Alumni Dinner. He was with his dad, Jim Fox and Bernie Church, both graduates of 1962. The Marlins and their families have been given the privilege of meeting our President, George Bush. Congratulations, Andy, and I know Ron Limeberger was truly proud of you.

1992 **Pat O'Brien** who is retired counselor at Christian Brothers has always been so kind to send information about alumni and I am always so thankful. He sent a letter to the Catholic Herald about Adolfo Mercado, '92, who Bishop William Weigand appointed to serve in the diocesan department of Catholic Faith Formation as coordinator for youth and young adult leaders and provide leadership to pastoral service areas in building a foundation of faith growth for students in grades K to 12 and for young adults under age 35. This did not come as a surprise to Pat as he and fellow counselor and Africa missionary Joan Haan, now with the Lord, had worked with Adolfo. Pat added that once again he smiles as he thinks of how the students flower as they move beyond our campus to greet the challenges of life.

1994 **Juan Ramon Ruiz** teaches world history and coaches football at Coachella Valley High School in Thermal, CA.

1996 **Alecia Sanchez** has been named senior policy advocate for the Children's Advocacy Institute based in the University of San Diego's School of Law. As their chief lobbyist, she will manage the organization's legislative agenda out of its Sacramento office. For the past three years, Sanchez served as legislative aide to Assembly Majority Floor Leader Marco Antonio Firebaugh and Assemblywoman Virginia Strom. In her tenure there, her general policy work focused on the areas of social service, health, transportation and natural resources.

2000 **Richard Johnson** is living in Oklahoma and stationed at Tinker Air Force Base. He maintains the aircrafts and is newly married.

In Remembrance and Tribute

Dan Sullivan, former member of the Christian Brothers High School, Board of Regents, was honored with the De La Salle Award by his Alma Mater, St. Mary's College.

Dan and his wife Merle have three Alumni from Christian Brothers High School: Colin '77, John '78 and Daniel '81

Robert James Rodness, passed away on December 15, 2003. He was a teacher and coach for six years at Christian Brothers High School. One of his daughters told Father Mike Carroll, pastor at Presentation Church, where Bob was a parishoner, that Christian Brothers High School had a great influence on his life. It didn't matter whether they had a Christian or atheist for dinner, he always started the meal by saying "Let us remember that we are in the holy presence of God". His years at Christian Brothers High School influenced his life but also the lives of everyone else he met.

This might be old news for some of you although I wanted to mention the passing of James J. Cordano, Sr., father of James J. '85. He developed one of the state's first shopping malls in Sacramento and was instrumental in bringing many chain stores to Sacramento. He began his lucrative career in real estate at the age of 18. He was a rent collector for Dan Carmichael Co. Country Club Centre was opened by Mr. Cordano in 1952, being the first regional shopping center in Sacramento. This marked the move to bring major retail stores into the suburbs.

Over the next two decades he developed three more malls: Southgate Shopping Center in 1960, Florin Mall in 1976 and Sunrise Mall in 1972. Florin Mall was the area's first enclosed airconditioned center.

One of his passions was baseball. In the early 30's he managed the Sacramento Dantes and the Woodland Oaks. He was a regular at Edmonds Field on Broadway to watch the Sacramento Solons. In 1964 he brokered the deal that sold Edmonds Field to Gemco Stores now Target. Well, that is all for now. I will be expecting to hear from you. ■

FALCON TRIVIA

The original mascot for Christian Brothers High/College in Sacramento was the Gael. Because the school could not afford sports uniforms in its beginnings, it took hand-me-down equipment and uniforms from Saint Mary's College.

Ron Limeberger Memorial Gymnasium

On Ash Wednesday, 2004, a huge storm crashed through Sacramento leaving our beloved gymnasium at the mercy of 60 mph winds which ripped apart the roof. The ensuing rains did extensive damage to the roof and ceiling, the gym floor, and the entire electrical system.

The gymnasium, built in 1957, was slated for remodel in the Christian Brothers High School Campus Master Plan. Since the gym will be out of commission for storm damage repairs, the Board of Trustees and school Administrators made the decision to proceed with the planned upgrades now, taking advantage of the "down" time. The work will be performed over the summer, and under the current time line, the renovation

will be completed by October, 2004. The gym will be dedicated to the memory of Coach Ron Limeberger, and will forever be referred to as the "Ron Limeberger Memorial Gymnasium."

Highlights of the project include:

- * Air conditioning in the gym, foyer, and coaches offices.
- * Refinishing of gym floor.

- * Professional lighting and sound capabilities for enhanced performing arts, liturgical, and alumni events.
- * Remodeled foyer, guest restrooms, locker rooms, student restrooms, and showers.
- * Remodeled coaches' offices.

In order to make this project a reality we need the support of the entire CBHS Community. President of the Board of Trustees, Mike Ingoglia '65, is spearheading an effort to raise the funds needed to make this renovation dream a reality. Over the course of the next few weeks, you will receive more information on this project. We need your help as we continue to build and improve our facilities for our current and future students.

If you would like more information, or would like to help with the campaign, please contact the Advancement Department at 733-3600. ■

Death Be Not Proud

by Rudolf Schulze
Principal

Our Lasallian Family at Christian Brothers has been profoundly shaken this school year by the deaths of two seniors last December. The impact of these tragedies on our student body, especially the seniors, and on our faculty and staff has been enormous. The deaths of Sharmelia Jeffries and Matthew Prentice stunned us all.

I was particularly struck by the number of alumni who attended the various services for these young people, specifically, the prayer services we held on campus immediately following the tragedies. Alumni from all generations demonstrated by their presence and prayerfulness the inexplicable bond that unites all who have been taught, nurtured, and mentored by the Brothers in Sacramento. What a wonderful heritage we share!

The presence of so many alumni, Brothers, and former teachers helped me and my colleagues here in our struggle to comprehend all that had happened. Matt and Sharmelia had their whole lives ahead of them—futures bright with promise and hope. Words like leadership, friendship, and loyalty certainly characterize them. Sharmelia served in Campus Ministry as a retreat leader and Matt was a decorated Eagle Scout. Both were active in the life of their school, both worked on the school newspaper, and both had their eyes set on college.

My feelings resonate with Martha's anguished cry to Jesus: "Lord, if you had been here, my brother would not have died." (John 11:21) I have heard many students ask: "Why did it have to happen this way? Why did they have to die?" Our faith teaches us that Sharmelia and Matt now rest in God's loving embrace. They are fine. They have and enjoy what we hope to have and enjoy: eternal life. Their baptismal promises have been fulfilled. Although their journeys were shorter than our journeys and their paths took them in different directions, they now see God face to face. These are hard concepts to grasp at any age. My faith tells me with every fiber of my being that this is true.

On graduation day we will give diplomas to Sharmelia's and Matt's families if they so desire. This gesture is neither empty nor perfunctory. I am certifying that they have, in fact, completed the requirements for a Lasallian education and we will forever proudly count them among our alumni. They certainly have through the witness of their lives, their loving friendship to others, their service, and the kind of people they were when they walked among us and shared our common life at Christian Brothers.

We will continue as a faith-filled community to remember that we are in the holy presence of God—for God's holy presence is really the only place that any of this can begin to make sense. ■

Socializing Never Hurt Anyone

The past three months been a difficult stretch for our school's community. We twice dealt with the loss of innocent life in seniors Sharmelia Jeffries and Matthew Prentice. We also lost a genuine icon of our community, Coach Ron Limeberger '53. The passing of the young students is a constant reminder for those with children to give them a hug and tell them how much you love them. From what I've been told, these two students were wonderful people. When our young ones pass away, from an alumni standpoint, memories of our fallen classmates are brought back to the forefront. In the case of Coach, we are reminded that our loved ones will not always be there. I speak from my personal experiences and a heavy heart for the passing of Coach. Everyone who had him as an influence, while as students or alumni, have memories of baseball practice, health class and your first time behind the wheel. Talking with friends over the past few days the memories of Coach all consist of the same element: He gave you a bad time and you loved him for it. Coach, I speak on behalf of every alumnus, we'll miss you Ronnie.

Albeit a difficult stretch, we as an Alumni Board are in the midst of success during our calendar year. We started this school year with our signature event, the 16th annual Wine Tasting Extravaganza. As difficult as I found it to give my baby up, Mark Madsen '89 was extremely successful in his transition as chairman of the event. It's always the little things about this party that make me so happy. Our friends at Good Evening Sacramento's live programming, provided a new twist. I also want to mention, Rick Pires and the Class of '79, providing my favorite food and wine table... amazing skewers, by the way. Thanks are definitely in order for our many donors, volunteers, and the entire Alumni Board for making this project an overall annual success.

This year's Alumni Dinner has come and gone. Until attending this event, I never realized its value to our school's culture. Every year is like a reunion, filled with old friends and stories. This year's event featured Golden Diplomas to our class of 1954. The Alumni Service Award was given to Stan Gilliam '41 and our very own watchdog, Al Moser, was made Honorary Alumnus for his years of service. Finally a glass was raised in memory of Coach Limeberger. Kudos to Ron Tomiauolo '64 and his crew for staging another great evening. The culinary arts performed by Brian Mahaney '72, who always leaves no appetite disappointed, are always appreciated.

May 17 was not for the faint of heart, 6839 yards of championship golf was the challenge. Mike McCarthy '62 and John McCarthy '63 planned a great day of golf, games, food and libations. The North course of Rancho Murieta was the setting. We are already planning for the 2005 tournament. This years tournament was sold out two weeks before, so be sure to get your reservations in soon for next year! Contact Larry in the school's alumni office (733-3647) for information.

A change of direction was in order and the advent of a new format for Career Day has been appointed to Mark Waterbury '87 and Kevin Crossland '69 for a launch in '05. We are constantly looking for ways that our fellow alumni can benefit from our programming. David Macko '92 has agreed to head our new Alumni Business Referral Program. This directory will be hosted on the school website and will offer an opportunity for alumni to post their business' information.

Until Next Time. ■

Phil Bokan '92-CBHS Alumni Association President '03/'04

Please remember that whether it is your participation in any of our events or a sponsorship thereof, every little bit is appreciated. Your donations go directly to the benefit of the students. Please don't be a stranger at any of our functions, a little socializing never hurt anyone.

Christian Brothers High School

Director of
Visual and Performing Arts
Mr. Kevin Haag, '87

The Visual and Performing Arts Program has grown dramatically over the past several years under the creative direction of Mr. Kevin Haag. A Christian Brothers High School graduate, class of '87, Kevin went on to St. Mary's College where he received his Bachelor of Arts Degree in Art and English in 1991. From there, he went to Immaculate Conception Grammar School as an eighth grade teacher. After two years, his love for Christian Brothers High School and the Lasallian Mission brought him back here where he has spent the past 11 years. Kevin has held many roles at the school, including football coach, a position he held when he met his fiancée, Arlene Limongco, who was a CBHS Athletic Trainer. Kevin's love for the arts has driven him to take the Visual and Performing Arts Program to a new level. This year's First Annual Arts' Expo was a chance for the community to witness the amazing talent and opportunities that our students possess.

Kevin's passion for teaching, and for Christian Brothers, is evident in the mark he has made on the school and the students. "For me, teaching at Christian Brothers is like working for a family business" says Kevin. "Many of the Brothers and teachers that helped raise me are now my colleagues. Hopefully I can inspire my students the same way they have inspired me." ■

Under the direction of Kevin Haag '87, our Director of Performing & Visual Arts, a tradition was born this spring...the 1st Annual Arts Expo was held March 13, 2004. This well attended event showcased the talent of our student artists by opening the campus to the public. At any given time, over sixty percent of the student body is enrolled in at least one of the various art classes now available at CB. Here is a sample of the Art Expo highlights.

Visual Arts

A variety of oil and acrylic paintings, pencil and charcoal drawings, scratch-board, oil and chalk pastels, photography, ceramic sculpture and more.

Music

Student musicians performed throughout the day, including our award winning choirs and bands, as well as original student groups. The day culminated with the 11th Annual Jazz Dessert Concert showcasing the jazz bands and choirs as spectators enjoyed delicious desserts.

Drama

Scenes were performed from the spring production of William Shakespeare's Romeo and Juliet.

Digital Media and Technology Arts

KBFT was open for a unique behind the scenes look at our award winning student run broadcast in action with live feeds from throughout the campus.

"This year's First Annual Arts' Expo was a chance for the community to witness the amazing talent and opportunities that our students possess."
