GO FALCONS!

Dear Parents, Students, Alumni and Fans:

Education at Christian Brothers High School extends beyond the classroom into the athletic arena as our student-athletes experience important life lessons in teamwork, perseverance, competition and school spirit. In our fourth year as a member of the Capital Athletic League, CB brought home five league titles in women's volleyball, men's cross country, women's basketball, baseball and football. We look forward to more spirited competition as the Falcons face off against Capital Christian, Del Campo, El Camino, Rio Americano, Sacramento High School and Vista del Lago in 2018-19. We are proud to acknowledge the accomplishments of the women's basketball and men's water polo teams, who brought home section championships, as well as the baseball team who was a runner-up in their quest for section championship.

This year, more than 700 young men and women will participate in one or more of the school's 28 sports. They will take to the field, court, track and the pool – having earned the privilege to compete through hard work in the weight room and on the practice field. They have earned this privilege through hard work in the classroom and because they are young men and women committed to values of ***integrity, honor*** and ***excellence***.

As a Lasallian, Catholic community, we celebrate the athletic achievements of our student-athletes and ask that you join us in showing enthusiastic and positive support for these young women and men and all of our league and non-league opponents. We thank you for your support of Christian Brothers High School student-athletes. Go Falcons!

Live Jesus in our hearts!

God Bless,

The La Salle Club Mission Statement

Founded in 1939, The La Salle Club is a volunteer group of alumni and friends of Christian Brothers High School, dedicated to supporting the financial needs of the Athletic Department and the student athletes.

It is the purpose of The La Salle Club to collaborate with the school to fund projects outside the scope of the school's operating budget.
