

## Board of Trustees 2012-13

The Board of Trustees at Christian Brothers High School is comprised of 11 volunteers dedicated to safeguarding and advancing the school's Catholic, Lasallian mission. Before joining the Board of Trustees, candidates undergo training on Lasallian charism (history, spirituality and philosophy of education) and Policy Governance – a model used by Lasallian schools throughout the District of San Francisco. This summer, the board welcomed new member, John Nunan. Willie Nolan '69 returns for the second year as chair.

The Policy Governance model includes an inclusive, written set of goals for the school, called Ends Policies which guide the board in monitoring the performance of the school and its President/CEO. In the spring, a committee comprised of current and former trustees and members of the school's faculty and administration, met to review and suggest revisions to the Ends Policies. In October, the committee met with the full Board of Trustees to review and finalize the recommended changes to ensure that Christian Brothers High School adheres to the vision of the Brothers of the Christian Schools of the District of San Francisco.

"I appreciate the time and attention that the Board of Trustees, former trustees and members of our faculty and administration devoted to reviewing and revising the Ends Policies," says President Lorcan Barnes. "Advancing our Catholic, Lasallian mission ensures that students receive an excellent, holistic education and that Christian Brothers High School sustains its local legacy and tradition well into the future. I am grateful to the committee and the board for their time, leadership and dedication."
